GRADUATE GEOGRAPHY STUDENTS HOLD MEET

Twenty Discuss Plans and Problems of Special Work for Year.

Preceding a luncheon at the Y. W. C. A. Saturday noon, a general meeting of graduate students in geography was held Saturday morning in the office of the department in geography in the former museum. Twenty persons attended the meeting.

General plans for the year's work and the different problems of the department were discussed. Following the luncheon was a social hour for the promotion of acquaintance among the members of the department.

Included among those at the meeting were: Miss Dorothy Bell, of Fremont, Prof. A. B. Clayburn of the Peru State Teacher's college, and Miss Rose Clark of Nebraska Wesleyan, all of whom are carrying on special research projects in addition to and in connection with their teaching activities. It is planned to hold a similar general meeting at the first of the semester and another near the close. Dr. Nels A. Bengston, head of the geography department, stated.

'Y' GROUPS ANNOUNCE DECREASE IN BUDGET

Community Chest Forced to Cut Funds; Program Not Curtailed.

The University Y. M. C. A. and Y. W. C. A. organizations announced yesterday that they would continue their programs as before, although they are both working under a reduced budget made necessary because of an apportionment cut from the Community Chest.

The faculty and employees of the University of Nebraska contributed generously toward the Community Chest in past years, but in view of the greater need this year, individual contributions are expected to be larger than ever. Professor O. R. Martin is in charge of donations. He has two assistants, one on the Agricultural college campus and one on the city campus.

FACTIONS KEEP ELECTION PLEDGE

George Sauer, who played so excellently in the Husker-Wildcat game last Saturday, is the new president of the sophomore class. Sauer is a member of Delta Tau Delta fraternity and his home is in Lincoln.

Harold Soderland, Lincoln, heads the freshmen as their president. Soderland, who graduated from Lincoln high last spring where he was prominent in activity circles, is a pledge of Alpha Tau Omega.

GOTHAM CRITIC SAYS PLAY IS SIGNIFICANT

(Continued from page one.)

It than that. Mr. Balderson has conceived and caught an idea which is as fresh as it is startling—the proposition that, for certain of us, Time does not exist. The past, the present, the future are one to those for whom the veil is thin, and so it is that young Peter Standish, inheritor of a Queen Anne house on Berkeley Square, is able to step back into the twilight of an October day in the London of 1784 and live for a time the experiences which his ancestor enjoyed there.

"Not all of them, to be sure, for Peter looks upon the Eighteenth Century through a consciousness which is still burdened by the Twentieth. And though it was Kate his ancestor married, it is with Helen that Peter, defying time and the things that happened, falls in love. It is a challenging theme, beautifully developed by Mr. Balderson."

Cast selections are being completed by Miss Alice Howell, the chairman of the dramatic department, and they will be announced Sunday. There will be fifteen members in the cast and imported costumes are to be used in the production of the drama.

Season tickets to the University Players are now on sale at four dollars following end of the Tassels campaign. Reservations may be called to 78, two rings, on the university exchange.

FACULTY MEMBERS WRITE

The September issue of the Botanical Gazette contains two articles written by Nebraskans. One is by Dr. Elda R. Walker, associate professor of botany at the university, which treats the subject of "The Gametophytes of Three Species of Equisetum." The other article was prepared by Dr. Emma N. Andersen, assistant professor of botany, on "Discharging Sperm in Marchantia Domingensis." Dr. Andersen's article is a treatment of the study of the chemical reaction bringing about the discharge of sperm in the plant. Dr. Walker's article is a study of reproduction, especially of the reversal of sex in the plants.

PITT PULLS FAKE PLAYS

That Pittsburgh is the strongest of Nebraska's two non-conference teams to be played later in the season was indicated last Saturday when the Pitt Panthers pounded through Iowa's Hawkeyes to win by a 20 to 0 score.

Warren Heller and Paul Reider and James Clark, veteran backs on Coach Jock Sutherland's Smokey City team did the bulk of the work in carrying the Panthers to an easy victory.

Pitts line showed strength when its veteran forward wall made big openings for their seasoned backs. Not only that but they managed to block two of Iowa's twelve punts.

Two of the Panther touchdowns came in the first half and the last one was put over in the third period by means of a pass.

Statistics revealed that Pittsburgh gained 377 yards from scrimmage to Iowa's 58. Pitt made eighteen first downs to Iowa's three and fourteen of these came in the first half during the Panthers touchdown parade.

Clark, husky Pitt fullback, carried away the ball-carrying honors, gaining 151 yards in seventeen plays.

The Cornhuskers play at Pittsburgh on Thanksgiving day and they take the Hawkeyes on at Nebraska's Memorial stadium on November 7.
