

BIBLMEN CROSS FOR FIVE SCORES AGAINST NUBBINS

Varsity Uses Three Teams In Full-Time Game Wednesday.

PASSES ARE EFFECTIVE

Masterson Stars in Aerial, Running Departments; Scores Early.

BY JACK HOLLINGSWORTH.

Using three complete teams against the Nubbins Wednesday evening, the varsity was able to score five touchdowns in nearly an hour of play.

The first string consisted of Masterson, Sauer, Bauer and Kreizinger in the backfield; Ely center; Koster and Justice, guards; Rhea and Gilbert, tackles; Durkee and Schmitt, ends. The first two counters were made while this team was on the field. The first was made after an uninteresting march down the field, when Sauer, on a smash off left tackle crossed the goal.

The second score came after a long pass Masterson to Joy put the varsity near the center of the field where they see-sawed back and forth gaining but little. Another pass, the same combination, was good for forty-five yards and a counter.

Second Team Goes In.

The second full team was run in with Miller calling signals, Roby, Boswell and Kreizinger filled up the backfield. The line, contained McPherson at center; DeBus and Adam, guards; O'Brien and Hulbert, tackles; Nesmith and Kilbourne, ends. Kreizinger was hurt on the kick-off and Masterson took his place.

Masterson, on a cut off tackle, made enough yardage to put them within scoring distance again and after another pass to Joy, who replaced Kilbourne, had gained more distance toward the nubbins counting line. "Big Bernie," sliced off left tackle for the third counter of the afternoon.

Third Team Scores.

A third team was sent on to the field and were successful in scoring twice more. Staab, Brown, Swanson with Manley calling signals made up the backfield. Campbell was at center; Bishop and Gartner, guards; Hulbert and Scoggan, tackles; Milne and Petz, ends.

The nubbin team was composed of Yordy, at quarterback, Woodott and Barger at half, Mueller, fullback; Loeffel, center; Green and Cole, guards; Armstrong and Banta, tackles; and Paul and Lumney, ends.

Saturday afternoon the varsity-freshmen game will most likely decide the lineup to start against Kansas, Homecoming. The proceeds from the game will go to the R. O. T. C. band.

FRATERNITY DISTANCE TRACKSTERS COMPETE

Cross Country Races End This Week; Asher Is Pace Setter.

The inter-fraternity and non-fraternity cross country races are being held every afternoon this week at Memorial stadium track. Each fraternity or group participating must run at least five men. The winning team will be determined by the best average time of the five men. Seso Asher has turned in the best time thus far with a mark of 4:45 for the mile. Only three full teams have competed as yet, and Coach Schulte is desirous that more men turn out. An opportunity will be given those fraternities who have not yet entered a team to run Saturday afternoon at 1:15. According to Schulte, the average time turned in by contestants in the mile is 5:34.6.

WILL SEE ACTION AGAINST VARSITY SATURDAY

"TATER" FAHRNBROCH. FRANKLIN MEIER.

Two of Coach Ed Weir's freshman stars sure to see action against D. X. Bible's varsity machine in Saturday's game are Theodore Fahrnbruch, Crete, flashy halfback who is plenty capable at backing up the line on defense, and Franklin Meier, Lincoln, first string center on the yearling squad. Fahrnbruch, playing high school football last year, was an all-state backfield choice. His work was largely responsible for the single defeat handed Lincoln high in its 1930 season. Meier is an accurate center passer and gets his share of the tackles on defense.

OKLAHOMA AND TEXAS GRID SQUADS CLASH

Southwest Football Champs Prepare for Battle With Sooners.

LINSEY'S MEN INJURED

DALLAS, Oct. 15.—Each defeated by foes who were generally considered inferior to them, the football teams of the Universities of Texas and Oklahoma will work off their chagrin on one another at Fair Park stadium here Saturday with an expected Texas state fair crowd of 20,000 persons viewing the 26th annual game between the two schools.

Down at Austin Coach Clyde Littlefield's Steers, Southwest conference champions last autumn, held a post-mortem Monday the result of which was the joyful discovery that Roy Stafford and Burr, star Steer backs, had sufficiently survived the 0-7 defeat inflicted by Jack Meagher's classy Rice Owls to play against Oklahoma Saturday.

Burr suffered a slight concussion when he took a nasty lick on the head from an Owl knee and had to be carried off the field. Kay and Stafford were also injured slightly and removed from parts of the Rice conflict so their hurts could be treated. However, all three are expected to play here Saturday, it was learned Sunday night from C. J. Alderson, the Steer freshman coach.

Steers Have Skull Practice. A light workout and a skull drill on Sooner formations brought back from Lincoln by Scout Buddy Foster, and also those procured at the Sooner-Rice game Oct. 5 by Backfield Coach Marty Karow comprised the Steer toll Monday, although the Steer reserves played their regular game Monday with a freshmen eleven. The Oklahoma squad, which

IOWA STATE MENTOR SELECTS FROSH TEAM

Cyclone Freshmen Use Tiger Formations in Drill Against Varsity.

AMES, Ia.—Out of more than 100 freshman football candidates reporting daily at Iowa State, Coach Carl Rudi, Tuesday selected the fifteen men whom he considered outstanding in the group and formed a team which ran Missouri plays against Coach George Veenker's varsity squad, yesterday.

The men are: Greife, Des Moines; Freeman, Ottumwa, and Haggard, La Verne, Minn., ends; Clocker, Stanton, Nebr., and Liston, Tama, tackles; Berger, Manchester, Mo., and Lovd, Ames, guards; Sellsbury, Glidden, and Reade, Jewell, centers; Dana, Burlington, Stolp, Des Moines, Theophilus, Randolph, Neb., Oht, Dexter, Rex, Ottumwa and Fisher, Chicago, backs.

Dana, backfield man from Burlington, last year was only freshman at Iowa Wesleyan to make the varsity team. Theophilus was picked for a fullback berth on the all-state Nebraska high school team last year. Liston played with Notre Dame preps in 1930.

Ames, Peoria, Ill., all-state player several years ago, Spence, Mt. Airy, and Bouska, La Grange, Ill., have also been singled out by Coach Rudi for special mention and altho they were included in the group that scrimmaged the Cyclone varsity Tuesday they will probably be added to the first string before Saturday when the preps play a full scrimmage game.

After all, it's a Townsend photograph that you want.

BAND TO MAKE GRID TRIP ON GAME GATE

Organization Gets Receipts Of Annual Freshman, Varsity Tilt.

MAY GO TO PITTSBURGH

Proceeds from the football game between the varsity and the freshmen Saturday will be used to send the band on one of the football trips, according to W. T. "Billy" Quick, director of the R. O. T. C. band.

This game between the two Husker elevens is an annual affair and has always been well attended. The admission this year, as in the past, is 25 cents.

The band is contemplating a trip to Pittsburgh for the Thanksgiving game, provided the amount taken in Saturday is large enough. Last year more than \$1,000 was raised for the band by the annual freshman-varsity game. But more than twice this amount will be required to take a fifty-piece band to Pittsburgh, Mr. Quick says. If insufficient money is taken in Saturday to send the band to Pittsburgh, however, the money will probably be used to send the band to Manhattan for the Kansas Aggie game.

There will be no advanced ticket sale for the game.

Every year is 1492 in telephone making

It's always the era of exploration in telephone work. New manufacturing processes are being developed, new sources of raw materials found, new methods originated for distributing telephone supplies... New kinds of apparatus are being built to meet the needs of a rapidly changing world. Take communication products for example. Western Electric makes equipment for aviation, for police radio, for ship-to-shore telephony... Intensely interesting, this work is. There is in it the spirit of the adventurer, of the pioneer. The same spirit runs through all of Western Electric's many-sided activities—serving the Bell System in the triple capacity of manufacturer, purchaser and distributor.

No anchoring tradition, here.
