noted that the final list of se-  
lections will be published Sunday.  
The committee of selection, con-  
sisting of Harold Hollingsworth,  
Detrich Dirks, manager of KFAB,  
and Howard Kirkpatrick, director  
of the University School of Music,  
has accepted fifty-three men for  
the glee club. The eligibility of  
these men is being checked at the  
dean's office now, and the list of  
those accepted will be announced  
Sunday.  
Hollingsworth plans to select a  
regular glee club of twenty-four  
voices, and an alternate group to  
attend rehearsals with the regu-  
lars and to take the place of any-  
one who is not consistently sat-  
isfactory.

**STUDENT COUNCIL  
COMMITTEE SITS  
ON KOSMET CASE**  
Continued from Page 1.

Section 1, sub-section 5, the Student  
Council shall have power "to conduct  
and under sub-section 7: To regulate  
in such a manner as shall be necessary  
and proper for carrying into execution  
the foregoing powers and all other powers  
that may be vested in the Student Coun-  
cil."

AND WHEREAS, under the provisions  
of the aforesaid constitution, Article III,  
section 1, sub-section 4, the Student  
Council shall have power "to conduct  
student elections which are of general  
university interest and in which popular  
voting is used."

NOW THEREFORE, the petitioners,  
being duly sworn regular students in  
the University of Nebraska, ask that:  
(1) The recent Kosmet Club ruling  
that no sophomore or junior in the  
university is to be declared ineligible  
and of no effect, and  
(2) The election for Nebraska Sweet-  
heart held Tuesday, October 20,  
1931, be set aside, for the follow-  
ing reasons:

The name of petitioner "Nebraska  
Sweetheart" should stand for the choice  
by university men for the girls on the  
campus that one who best typifies the  
representative university sweetheart.  
This being a matter of general university  
interest and the election of whom is by  
general popular voting by all men stu-

gents of the university, the eligibility  
ruling should be free and unrestricted so  
that any girl at the university should be  
eligible as a candidate unless a general  
university regulation is contrary there-  
to or unless the prospective candidate is  
graduating and will not be enrolled the  
following year and thus could not pre-  
sented as a "Queen." In other words, in order  
that the girl so elected shall be truly  
representative of this honor and the  
name of "Nebraska Sweetheart," every  
male student in the university should  
have the right and opportunity to vote  
for any girl that meets the general uni-  
versity eligibility requirements and will  
be enrolled the following year.

The Kosmet Club ruling limiting eligi-  
bility to sophomore and junior girls is  
therefore discriminatory, because it  
eliminates girls who have eight-nine or  
more hours but who satisfy the univer-  
sity requirements and who will be en-  
rolled the following year, thus denying  
to the men students the right to vote for  
anyone whom in their opinion is truly  
representative of this honor, and the rule  
should be declared impermissible and of  
no effect by the student council.

In the election held Tuesday, Oct. 20,  
1931, Imogene Stutzman, a senior in the  
college of arts and sciences and a fresh-  
man in the law college, was declared  
winner after her name had been placed  
on the ballot.

This action deprived your petitioners  
and many others from the full and free  
exercise of the ballot by preventing them  
from voting for one who qualified in  
every particular to take part in extra-  
curricular activities as regulated by the  
university and who would be enrolled as  
a regular student the next year.

Thus the discriminatory ruling of Kos-

met Club and the election enforcing this  
ruling could not bring about the election  
of a truly representative "Nebraska  
Sweetheart." Therefore the election  
should be set aside.  
If the Kosmet Club ruling is not re-  
voked imperatively and of no effect and  
the election of Nebraska Sweetheart is  
not set aside, as prayed for by this peti-  
tion, on or before Nov. 1, 1931, the peti-  
tioners demand that the president of the  
student council under the provisions of  
Article VII, section 1, which provides,  
"The meetings of the student council shall be  
called by the president of the student  
council at the direction of the committee  
or upon written request of fifty students  
of the university," call a mass meeting  
of the student body to consider this mat-

ter, at which due notice be given to the  
student body.  
**Findings Known Tuesday.**  
Altho the judiciary committee  
will decide what disposal should  
be made of the question at their  
meeting today, they will not make  
known the nature of their findings  
and their recommendation until  
about next Tuesday, according to  
Bernice Hoffman, committee  
chairman.  
Meanwhile the "laws" will rage

and storm over the pretended in-  
justice which has been done them.  
As a matter of fact, however, they  
have aroused a tempest in the  
provincial teapot, and at heart  
they care but little whether they  
get any place with their argument  
or not. The Observer predicts that  
the whole matter will be dropped  
in the student council meeting next  
week and that the sweetheart  
elected Tuesday is the one who will  
be presented as princess.
