### Huskers Entrain Thursday Night for Missouri Homecoming Tilt.

### SAUER BACK IN SHAPE Varsity Takes Things Easy In Final Scrimmage Against Frosh.

Coach Dana X. Bible tapered off preparations for the Missouri game with a light offense drill against the freshman Thursday afternoon. The Cornhuskers are out to spoil the homecoming of the Tigers Saturday at Columbia.

George Sauer, injured in the Kansas game last week, is back in shape and ready for call this week. It is questionable whether he will start the game, but his ankle has improved sufficiently to allow him to play if he is needed. Thirty-three men have been named to make the trip, giving Coach Bible plenty of reserve material for use.

Adam, Bayer, Bishop, Boswell, Brown, Campbell, DeBus, Burke, Ely, Gilbert, Hulbert, Justice, Joy, Kilbourne, Koster, Kreizinger, McPherson, Man-Mine, Nesmith, O'Brien, Paul, Petz, Penny, Rhea, Roby, Sauer, Schmitt, Staab and Swanson comprise the list of men to leave.

back, has been named game captain for the Missouri tilt. Coach Bible has been using a number of men this past week in practice that have not seen a great deal of action up to this time. Included in this group are Campbell, center, Kilbourne, end, Adam, guard and O'Brien, tackle. These men may get the call when the Cornhuskers take the field this week.

### HANDFUL OF STUDENTS ATTEND GRID RALLY

### Adverse Weather Conditions Curtail Plans; No Speeches Made.

A score or less of shivering students rallied the Cornhusker football team with a song and a cheer at 5:30 yesterday afternoon in the Memorial Stadium. The band and a handful of loyal fans bade the Scarlet and Cream warriors goodbye in the afternoon because the Cornhuskers pulled away for Columbia at midnight this morning.

The original plans of having the team pass through a lane while the band played the Cornhusker was dispensed with because of the adverse weather conditions and because of the small crowd. No speeches were made and the rally lasted only a couple of minutes.

### SIX TWO-MILERS TO RUN AGAINST TIGERS SATURDAY

Coach Henry F. Schulte will take six two mile men to Missouri for their conference meet with the Tigers Saturday. Ayres, Story, Morrow, Seger, England and Blazer have been named to make the trip. The Husker two mile team has had an even break with their meets so far this year, winning from Oklahoma and losing to Kansas Jayhawks.

# NUBBINS, FROSH TEAMS PLAY IN CHARITY BATTLE

### Game Between Squads Will Take Place Today at Memorial Stadium.

### ADMISSION FEE CHARGED Proceeds Turned Over to Lincoln Community Chest Program.

Altho the Cornhusker varsity is playing away from home this week Nebraska fans will not need to miss out on their weekly football game. A charity game will be played Friday afternoon at 3 o'clock in Memorial stadium between Coach Ed Weir's freshman eleven and Coach Joe Lehman's B squad. A twenty-five cent admission will be charged, the proceeds of the game to go to the Lincoln community chest.

Coach Ed Weir has developed one of the strongest freshman elevens ever to represent the university and the game on Friday should be a good one with the yearlings having a little edge. The first year men gave the varsity a good game two weeks ago, losing 7 to 13.

The B squad is composed of men who have not had the necessary experience to make the varsity or who are handicapped by necessary physical qualifications. They already have one game to their credit, winning a hard tilt from Peru by the score of 13 to 7.

The probable freshman lineup will have Meier, center; Jerkovic, and Bristol, ends; Pfium and Schleuter, tackles; DeBrown and Mehring at guards. Fahrbruch, Parsons, Martin and King will probably get the call in the backfield.

The B team will have Coppel and Scott, ends; Holmbeck and Gartner, tackles; Leifel and Gartner, guards; Keriakedes, center, with a backfield made up of Mueller, Raugh, Nelson and Yordy. Dick Moran gets tomorrow's free lunch at House's Waffle House.

### IOWA STATE TIGHTENS DEFENSE FOR SOONERS

### Cyclones Wind Up Practice In Workout Against Frosh Team.

AMES, Ia. The task of perfecting a defense against Oklahoma took up the entire afternoon Wednesday as Coach George Veenker drilled his Cyclone football team on ways and means of stopping Sooner ball carriers.

Coach Carl Rudi's freshman team ran Oklahoma plays against Veenker's first string eleven in a long workout. Thursday the Cyclones wind up preparations for their second Big Six contest and will leave Sate Gymnasium at 8 o'clock in the evening, going to Des Moines and boarding a train there for Norman, Okla.

Coach Veenker was undecided Wednesday on the number of men to make the trip. It is expected that approximately 25 will be picked.

LAWRENCE, Kan.—With the University of Kansas definitely out of the picture as a repeater for the Big Six conference football title, sentiment at the Mount Oread institution and in Lawrence is all for the Kansas Aggies to carry off the coveted gridiron crown. Especially is this true of the Jayhawk athletic authorities and football athletes.

### IOWA STATE INVADES OKLAHOMA SATURDAY

### Cyclones, Undeclared in Big Six Competition Face Battle.

NORMAN, Oct. 30. The Michigan football system as developed by Fielding H. "Hurricane" Yost, will come to Owen field Saturday when Coach George Veenker brings his Iowa State eleven, unbeaten in "Big Six" conference play, to Norman for the annual Dad's Day game.

The Wolverine style will be the second one of national repute to be exhibited before Sooner spectators here this year, Rice having attempted the Notre Dame system against the Sooners here October 3. A third system, the true Warner, will appear at Owen field a week from Saturday when Coach Bill Hargiss' Kansas Jayhawkers fill the annual Homecoming Day date at Norman. It is seldom that three such well-known systems are displayed on any one football field.

Meanwhile Coach Adrian Lindsey is gathering his somewhat shattered forces for a supreme effort here Saturday, an effort that is expected to reveal whether or not Oklahoma finishes in the first division of the "Big Six" standings for 1931. If the Sooners can defeat Ames and then drive on to victories over Kansas and Missouri, they can clinch third place in "Big Six" competition.

Smith, Vading, scrappy little one is expected to start, despite the fact his knee was badly twisted in the Kansas State game. So may Gordon Graulman, lanky tackle, who suffered a sprained ankle and a mashed hand, and Orville Corey, his 225-pound team mate, whose hip was wrenched. However Tom Grimmer, another tackle, will probably not play owing to a knocked down shoulder. All four of these men took a severe pounding at Manhattan.

Line Coach Dewey "Snorter" Luster is working overtime this week with three tackle reserves, Louis Danczyk, 182-pound from Loup City, Neb.; Howard Maxon, 185-pounder from Independence, Mo.; and Henry Haag, 200-pounder from Norman. All of them will probably play against Iowa State.

### Collie Dog Feels Proud; Educated At Three Schools

"Scottie" Duckett, a smart little collie dog living at Franklin, Neb., feels superior to every other dog in town, be it a great Dane, English bull, Airedale, or merely another Scotch collie. Scottie has a right to be proud for he has a university education, and not only that—he has secured it at three universities. Scottie is familiar with the campuses of the University of Chicago, the University of Kansas and Columbia university.

Scottie's master, W. R. Duckett of Franklin, is blind, and the dog for the last three summers has guided him to classes in the universities where he has been studying for his master of arts degree. Scottie prefers lecture classes. He pays strict attention to the lectures, sitting quietly by his master. Of course he snaps when the files get too troublesome, but no matter how well educated a dog is, you can't ask that he refrain from doing that.

Scottie concluded his work at Columbia this past summer session by attending the last lecture given by Dr. William C. Bagley. He became so enthused over the lecture that at its close when the students started applauding, he joined in with prolonged loud barking.
