MILITARY PARADE PAYS HOMAGE TO WORLD WAR DEAD

Armistice Program Opens Salute and Solemn Ceremony.

FORTY-ONE UNITS MARCH

Chancellor Orders Entire R. O. T. C. Company Assemble.

By Dick Moran.

Marching under cloudy skies, a parade of more than forty units, which extended for blocks in length, yesterday observed the thirteenth anniversary of Armistice, reminiscent of Nov. 11, 1918, when the greatest conflict in history ended.

The day's program was opened at 11 o'clock. At that time a salute to the war dead and taps marked a solemn ceremony at Thirteenth and O streets, when four squads, one from the American Legion, and one from each of the V. D. W. posts and from the university R. O. T. C. gathered to pay tribute to those who died in the last war.

A parade, consisting of forty-one different units, each representing a different organization, marched through town from Fifteenth and O streets to the university coliseum. The parade started about 1:30 and broke up about 2:30.

The entire university R. O. T. C. unit and band, through the order of Chancellor E. A. Burnett, formed on the mall at 1 o'clock and joined the parade at Fifteenth and P streets. Classes were dismissed at 12 o'clock yesterday noon so that all students could witness or take part in the celebration.

The cadets, forming at 1 o'clock on the campus, left the main parade at Fourteenth and R streets and marched to the university stadium, where a parade rally and review to honor the football team and coaches, was held. Field and staff officers were mounted during the parade.

Pershing Rifles, under the command of J. K. McGeechin, captain, marched as a separate unit during the parade and review. The company combined with headquarters company, under the command of

OUTING CLUB PLANS FIRST STEAK DINNER

Fifty Women Report for Initial Meeting of Sport Group.

Fifty women reported for the first meeting of the outing club Monday noon at 12 o'clock in the W. A. A. office. Following roll call, plans were made for a steak fry to be held Nov. 19. Club members will meet in front of the women's gymnasium at 5:30 and will hike to the scene of their dinner. Since many of the group have other plans for the evening, the first affair will be brief.

The purpose of the club is to have a good time in a fine sportsmanlike fashion out-of-doors. High camping standards will be observed on all occasions. Club members are automatically dropped when they have three consecutive absences. Among the other affairs to be planned for the year are a treasure hunt, hare and hound hike, week end camping trip, canoe cruise on the Blue river at Milford, and numerous other hikes.

Dad's Day Ceremonies This Year See Innovation of Mu Alpha and Delta Alpha Delta for Parents

Mothers and fathers of students of the university will be faced in the future with a special inducement for their presence here at least once annually. The occasion is Dad's day, its tenth annual and greatest celebration having been proclaimed last Saturday.

The special inducement for their sons and daughters on this annual occasion is Delta Alpha Delta for fathers and Mu Alpha Delta for mothers.

This fraternity and sorority, innovated this year by the Innocents, were founded "to link dads and mothers a little closer to sons and daughters thru the university."

Parents who attended the tenth annual Dad's day luncheon at the chamber of commerce with their sons and daughters last Saturday were initiated into these respective organizations, and will return next year as alumni. Fathers and mothers who did not attend the banquet this year, and who will attend next year, will be taken into Delta Alpha Delta and Mu Alpha as new members.

EARLY RALLY IS CALLED TO SEND OFF GRID SQUAD

Corn Cobs Will Call Houses To Wake Enthusiasts Before 6:45.

PLAN SEVERAL RALLIES

Speeches by Coaches and Team and Band Feature.

Students will gather at the Burlington depot at 6:45 o'clock Saturday morning for a sendoff rally for the football team, according to an announcement made yesterday afternoon by Arthur Mitchell, rally chairman.

The necessity for the unusual hour must not deter students from getting out and showing the team real spirit, Saturday morning, Mitchell said.

In addition to the pep gathering planned for early Saturday morning, members of the rally committee expect numerous impromptu rallies between classes in the latter part of the week.

As a suggested means of stimulating spirit for the football battle Saturday, it has been proposed that freshmen answering the phones in organized houses this week substitute "Beat the Aggies" for the conventional "Hello." This plan is already being used by some groups.

Explaining the plans for the meeting at the station Mitchell urged that all students, even those not planning to make the trip to Manhattan on the special make an effort to attend the rally.

"Dormant Nebraska spirit must be aroused, if we are to send the team to Kansas Aggie soil in a fighting mood," Mitchell declared.

"Now is the one time of the year when students should get behind the team, and help carry on the fight."

LEROSSIGNAL SPEAKS ON FIVE-YEAR PLAN

One of the greatest difficulties, encountered by the Russian government in the promotion of the five-year plan, lies in the development of efficiency in all of their industrial plants and collective farms, according to Dean L. E. LeRossignal, in his address to World Forum Wednesday noon.

Of the three classes of peasants, stated Dean LeRossignal, the poorest class is favored in securing positions with the government.

One of the remarkable characteristics of the majority of the Russian people that has been revealed in their support of the five-year plan, according to LeRossignal, is their willingness to sacrifice their own freedom and physical well being for a cause in which they have faith.

DEAN HAGGERTY WILL GIVE TALK AT CONVOCATION

Minnesota Professor Will Speak at Series of Meetings.

EDUCATION IS SUBJECT

Dean Henzlik to Introduce Speaker; Hertzler Presides.

Dean M. E. Haggerty, visiting professor from the University of Minnesota, will be the main speaker at the all university convocation this morning at 11 o'clock in the Temple. Mr. Haggerty will talk on the Foundations of Educational Thinking.

The Minnesota professor, who has been in Lincoln since Tuesday morning, has made a series of talks during his stay in Lincoln. He came to the university at the request of the faculty members.

Tuesday evening Dean Haggerty spoke at a meeting of the Nebraska chapter of the American Association of University Professors. Chancellor E. A. Burnett introduced him to a group of more than 160 persons who attended the banquet at the University club.

Dean Haggerty in his talk on Tuesday night, cited proof by results of experiment that small university classes are not necessarily more conducive to student activities than large classes.

He referred in his speech to numerous experiments performed at the University of Minnesota, all of which sought the facts likely to be useful in the improvement of present day teaching methods.

Dr. Haggerty criticized present methods because they failed to realize that forgetting is as natural a process as remembering. He quoted figures to show in a period of from three to nine months students forget from 43 to 47 8-10 percent of the facts that they had learned in college course.

Wednesday noon Dr. Haggerty was the guest of Psi Chi, honorary psychology fraternity, at a luncheon at the University club. He spoke on graduate work in psychology.

At the convocation this morning Dean Haggerty will be introduced by Dean F. E. Henzlik of Teachers college. Dr. J. O. Hertzler, chairman of the university committee in charge of convocations, will preside.

Last night an all faculty meeting in Social Science auditorium starting at 7:30 heard the Minnesota professor. A similar meeting has been planned for 4 o'clock this afternoon in the same auditorium.

REPORT TICKETS SELLING RAPIDLY FOR KAGGIE TILT

Selleck Says Thousand of Block Sent to Him Are Sold.

WILL TAKE FULL BAND

All Eligible Members Will Accompany Team to Manhattan.

Approximately one thousand tickets of the original block of fifteen hundred reserved for the Nebraska rooters in the Kansas Aggie stadium have been sold so far, according to a statement made by John K. Selleck, chairman of student activities, yesterday.

If the remainder of the tickets are not sufficient to supply the demand for seats in the reserved section, more may be sent to Lincoln, but they probably will not be in the Nebraska section, Mr. Selleck stated.

Tickets for the game are being sold to students and Lincoln residents also. A special train for citizens will be run to Manhattan for the same rate as the student's special, which is \$2.75. Round trip tickets for students are being handled through the student activities office. Lincoln residents may buy their tickets at the Union Pacific ticket office.

All eligible members of the band will make the trip, according to Billy Quick, director. The nubbins football squad also will make the trip, but neither the squad nor the band will be given seats in the reserved section. Chairs will be reserved for them in the front of the section.

Tassels Reserve Block. Tassels, women's pep organization, has reserved a block of fifty seats for the game, according to Juliette Deetkin, president. Corn Cobs, men's pep club, at its meeting last night decided how many members of that organization will go to the game.

Tickets have been reserved by Rudge and Guenzel Co. for three winning fraternities and sororities in their "On To Lawrence Contest." This will amount to more than two hundred tickets. Contrary to custom, the varsity football squad will go to Manhattan.
