Reminders of the busy week end to come are found in the announcement of the alumnae expected to return for the Beta Theta Pi formal, and the plans of Alpha Xi Delta for a dinner to precede the Leap Year party.

MID-WINTER ELECTION LOOMS ON AG CAMPUS

(Continued from Page 1) prominent students on the college of agriculture campus. He is a member of Farm House fraternity, Ag club, and also is competing on the Nebraska B basketball team from the college. He has been recently appointed business manager for the coming semester for the Cornhusker Countryman. During the first semester he served as assistant editor on the publication. LeDoyt hails from North Platte.

Likewise Snipes has been prominent in student affairs on the Ag campus during the past few years. He is a junior in school and a member of Alpha Gamma Rho fraternity. He is a member of Coach Knight's Nebraska B basketball five and has played on the college baseball team for several years. At present he is president

of the Ag executive council and a member of Ag club.

Peculiar Situation Exists. In hopes of defeating Farm House for the office of vice president of Ag club, Alpha Gamma Rho has nominated Murray Brawner. He is opposed by Art Peterson, Farm House. Political on-lookers on the campus believe Alpha Gamma Rho expects to poll enough votes outside of their own house and among other men students to swing the election to Brawner. The latter is a pledge of Acacia. It is believed to be the first time that such a peculiar situation has existed in an election on the campus.

Peterson is majoring in dairying at the college and was a member of the dairy judging team last fall. He is a former prominent 4-H club member and takes an active part in the University 4-H club now. Peterson was the high scholastically standing freshman for last year. Brawner is assistant circulation manager on the Cornhusker Countryman.

However, the same situation arises in the election of a treasurer for the club for the coming semester. Alpha Gamma Rho has nominated Bill Waldo for the post while petitions carrying the name of Vernon Filley have also been filed. It is expected that Farm House will help support Filley in the election.

Both Filley and Waldo have been prominent students on the campus for the past two years. Filley comes from Lincoln while

Waldo claims DeWitt as his home town.

Jesse Livingston, Palladian, is the only candidate up for the secretary's post and his election is assured. He performed on the Cornhusker baseball team last spring. Likewise Vic Rediger, Farm House, is unopposed for election to the student publication board. Up until Monday noon Alpha Gamma Rho had filed no petitions for nominees for the post. Rediger was a member of the world's championship dairy judging team last fall and is majoring in dairying. He won a livestock judging contest at the college last fall. He comes from Milford.
