

Tracksters Leave For Indoor Championship Meet Today

21 CORNHUSKERS OFF FOR BIG SIX MEET AT MIZZOU

'Indian' and His Boys After Third Successive Title; Kansas Tough.

EXPECT DUAL CARNIVAL

Sooners Given Fair Chance; Nebraska Strong in Several Events.

Twenty-one Huskers pull away by car this morning for Columbia, Mo., where Saturday night they will try for their third successive Big Six indoor track championship at the Mizzou field house. Coaches Schulte, Weir, Browne, Herb Gish, director of athletics, and Trainer "Doc" McLean are accompanying the tracksters.

Nebraska and Kansas are expected to turn the conference carnival into a dual meet, according to pre-meet dope. The Cornhuskers are in the field with three event champions from last year in Lee, high jumper; Rhea, shot put and Ostergard, 880-yard run, while the Jayhawkers can boast of but a

single titleholder in Coffman, pole vaulter. Captain Meli, Oklahoma, broad jump champion, is the only other winner back.

Jerry Lee, Husker star, has been nominated for the trip, but his long layoff due to an ankle injury will probably prevent his registering in the score column for Nebraska. Orin Dean, who did 12 feet, 10 7-8 inches in the pole vaulter last Saturday against Kansas State is counted on in that event, despite a split finger suffered two days ago.

Exhibit Strength.

Schulte's boys are strong in the middle distances and hurdles, two events in which Kansas has exhibited most strength. Asher and Ostergard in the half and quarter are Nebraska's hopes in these two races, but Kansas boasts a runner named Cunningham, who has been tearing things up in the mile and two mile.

Lambertus, Smutny and Petz give Nebraska an outstanding trio of hurdlers, but they will be competing against Gridley, Flick and Kite, Kansas barrier stars. The Husker also have the Carroll twins in addition to the trio mentioned.

Rhea should win the shot, but "Pete" Bausch and Thornhill of Kansas will probably place in the weight event.

Oklahoma cannot be counted out of first place, but on paper the Sooners appear inferior in all-around strength to Kansas and Nebraska. Mell and Morris, broad jumpers, and Howell, shot putter, headline the Oklahoma team.

Missouri has Star.

Missouri possesses an outstanding quarter-miler in Dunkin, who won the Shannon Douglas race at KCAC two weeks ago. Ulfers and Clark also star in the same event. Kansas State features Ehrlich, Big Six outdoor high jump champion, Jordan, pole vaulter, and Hinckley, hurdles.

Huskers making the trip to Columbia and the events in which they will compete are:

- 60-yard dash: Heye Lambertus, Harold Petz, George Smutny, Jerry Lee.
- 60-yard high hurdles: Linus Carroll, George Smutny, Leon Carroll.
- 60-yard low hurdles: Heye Lambertus, Harold Petz, George Smutny.
- 80-yard dash: Bob Ostergard, Ralph Rodgers, Merlan England, Herman Strickland.
- 880-yard run: Sisco Asher, Bob Ostergard.
- Mile: Jim Storey, Francis Ayres.
- Two mile: Francis Ayres, George Morrison.
- Pole vault: Orin Dean, John Roby, Dick Bell.
- High jump: Clayton Pierce, Orin Dean, Jerry Lee.
- Broad jump: Hugo Hege, Chamberlain, John Roby, Jerry Lee.
- Shot put: Hux Rhea.

Ideal Man of Coeds At North Carolina Is a Real Paragon

CHAPEL HILL, N. C.—From a questionnaire sent out to college girls, The Daily Tar Heel has discovered the requisites of the "Ideal Man."

He must be "big and ugly," and must not wear a moustache. Whether he is blonde or brunette does not matter. He must have a sense of humor, dress neatly, be a "happy medium" between the "cute college boy" type and the serious minded student, possess a fairly high social standing and "reasonable" finances, be a good conversationalist without "stringing lines," be a good dancer, be congenial, honest, broadminded, intelligent, economical, sincere, respectful, ambitious, kind, attentive, considerate, energetic, religious, jealous minded, domineering, sarcastic, firm, resolute, dignified, indifferent, tempestuous, sophisticated, generous, versatile, and original. He may smoke as much as he likes and drink in moderation.

Every February 29th, women students at Oberlin college are privileged to invite faculty men to dinner and an evening's entertainment. Married men are not barred.

Reporter Takes Tour With Tilden And Finds "Big Bill" Is as Fine A Fellow as He Is Tennis Player

By JOE MILLER.

"Big Bill" Tilden is a great fellow! The writer reached this conclusion following a busy two hours with Tilden Thursday afternoon, acting as "contact" man in an effort to round up a crew of ball boys for the exhibition last night.

Not only is the former Davis Cup star a great fellow, but he is a temperamental one as well. If things don't please him, Tilden lets the world know about it. He is famous for his frankness.

A Magnetic Personality.

The lanky Philadelphia poses a magnetic personality and a keen sense of humor. He is the kind of man who would stand out in any crowd. There is a compelling force about him which makes you realize that here is an unusual person, a go-getter, a doer.

Since he carries only a single ball boy with him on this year's tour, Tilden picks up his ball boys in each city he visits. And "Big Bill" has very decided opinions on the qualifications of ball boys!

First, the noted tennis star visited teachers' high school, but found the boys too generous proportions. A junior high was then suggested, and a few minutes later a surprised principal was confronted with a request for help from the world's professional champion. Things appeared quite dark for a minute, as the principal informed that permission must first be secured from the superintendent's office. That completed, Tilden sat back to watch the procession begin.

Gets His Ball Boys.

Small boys and large ones wended their way to the principal's sanctum to be introduced and to stare pop-eyed at Tilden, of whom practically every one had heard. "Big Bill" looked them over, made his choice, and the eight ball boys were his.

Meanwhile, the writer had managed to interpose with a few questions to Tilden on the Davis cup

TILDEN DEFEATS GERMAN STAR BY 6-2, 7-5 SCORE

Outspeeds Hans Nusslein in Match at Coliseum Thursday Night.

LOSES DOUBLES 6-3, 6-4

Burke Splits Two Sets With Roman Najuch in First Singles Duel.

William T. Tilden again proved he is one of the great tennis masters when he scored a brilliant 6-2, 7-5 victory over Hans Nusslein, youthful European pro champ, in the feature match of an exhibition at the coliseum Thursday night.

In a singles duel preceding the Tilden-Nusslein encounter, Albert Burke, black-haired Irish pro titlist broke even in two sets with Roman Najuch, portly German star, the latter winning the first set 6-3 and dropping the second 6-1. Nusslein and Najuch were too good for Tilden and Burke in the doubles, registering a 6-3, 6-4 triumph.

Outspeeds Nusslein.

Tilden, despite a twisted ankle outspeeded the twenty-two year old Nusslein, his cannon-ball service and scorching drives winning point after point. "Big Bill" took the first set handily, but ran into trouble in the second. Nusslein's beautiful backhand drive plus Tilden's errors almost cost the lanky Philadelphia that second set, but he pulled out after the German had knotted the set count at five games all.

A crowd of about eight hundred witnessed the matches, applauding exciting points and prolonged rallies. Several times twenty-five strokes were required to win a point.

Najuch won the opening set from Burke 6-3, but the Irishman began to run the forty-year-old veteran in the second set and chalked up an easy win. Burke was very effective at the net, while Najuch displayed a sizzling forehand drive.

In the doubles match, better teamwork on the part of Nusslein and Najuch prevailed over the spotted, individual brilliance of Tilden and Burke. The left-handed Najuch was particularly out-

Frosh Grid Managers Must Apply to Sickel
Freshmen interested in football managerhips should report at the stadium to Ed Sickel, senior grid manager. It is requested that they see the senior manager before Monday.

COEDS TAKE UP BASKETBALL Practice Hours for Various Organizations Are Given.

WOMEN BEGIN SPRING GYMN WORK APRIL 4

Registration for Classes Will Be Held Sometime In March.

MANY SPORTS OFFERED

An announcement made by the department of physical education Thursday reveals that spring work in physical education will start April 4. Girls will register for spring work during regular class hours some day in March. They are cautioned to be thinking about what they want to take now so that they will be able to make their choice.

A wide selection of sports is presented to all taking physical education. Courses offered are as follows:

- Archery, baseball, deck tennis and paddle tennis—Equipment is furnished by the department.
- Golf—Can rent equipment for \$1.00 per season or furnish own.
- Tennis—Furnish equipment for self.
- Swimming—\$1.00 per suit fee for one season—furnish own cap and sandals. Bring \$1.00 to first class meeting, April 4 or 5.
- Dancing classes—Finish semester as now scheduled.

Clogging classes and volley ball are to be dropped and members may register for archery if they are beginners, or if not for baseball, golf, tennis or swimming.

Swimming is to be dropped, and members may register for archery if a beginner. If not, they may register for baseball, golf, tennis or swimming if there is room left in the classes after those who did not get to swim the first half of the term have had a chance to register for it.

Individual gymnastic girls may register for the following sports, but only upon permission of her instructor: Archery (if a beginner), deck tennis, paddle tennis, golf, or swimming. Individual gymnastic students may only take swimming in a special class which will be Monday, Wednesday and Friday at 11 o'clock.

Hours at which the different classes are offered are:

Archery.
Monday, Wednesday and Friday, 9, 10 and 2. Tuesday and Thursday at 1 and Monday at 4 o'clock.

Baseball.
Monday, Wednesday and Friday at 10 and 11. Tuesday and Thursday at 8 and Monday at 5 or Tuesday and Thursday at 4 and Wednesday at 5.

Deck Tennis.
Individual Gymnastics students: Monday, Wednesday and Friday at 3. Tuesday, Thursday at 9 and Monday at 4. Tuesday, Thursday at 10 and Wednesday at 4.

Golf.
Beginners: Monday, Wednesday and Friday at 9, and 3. Monday, Wednesday and Thursday at 5.

Intermediate golf: Tuesday 2-5, Thursday 2 and 5.

Individual Gymnastics.
Monday, Wednesday and Friday at 10 and 4. Tuesday, Wednesday and Thursday at 3.

Paddle Tennis.
Monday, Wednesday and Friday at 2. Tuesday, Thursday at 11 and Friday at 4. Tuesday, Thursday at 2 and Wednesday at 1.

Tennis.
Monday, Wednesday and Friday at 9, 10, 11 and 2. Tuesday and Thursday 10:30 to 12:00 or 11:00.

Swimming.
Beginning: Monday, Wednesday and Friday, at 8, 9, 10 or 11 (Individual Gymnastic students only).

All-University Swim Tournery Is Postponed
All-University swimming meet has been postponed until March 22 due to a conflict in date with the Nebraska high school swimming championships at the coliseum pool March 19. All non-varsity swimmers are urged to enter. Medals will be awarded first and second places in each event.
RUDOLPH VOGELER, Director.

Tuesday, Wednesday and Thursday at 3.
Intermediate swimming: Monday, Wednesday and Friday at 8, 9, 10 and 11. Tuesday, Wednesday and Thursday at 2.
Advanced swimming: Tuesday, Wednesday and Thursday at 2 and at 3.

CYCLONE PROSPECTS FOR BASEBALL GOOD

Practice Begins at Ames; Twenty Candidates Reporting.

AMES, Iowa—More than twenty candidates for the Iowa State baseball team are reporting daily to Coach Louie Manze in the first week of indoor practice which began Monday.

Until weather conditions permit his taking the squad outdoors, bunting and sliding practices will constitute the main part of the program, along with warming up drills.

With three lettermen in Captain Heitman, Loufek and Coons and two squad men from last year, Thrift and Harder, Menze appears to be well fortified with pitchers. Three catchers, Delaney, a squad man last year, and Ossian and Schadle, numeral winners, are the leading candidates for the catching assignment.

1931 Infield Intact.

Menze's 1931 infield remains intact with the exception of Huntbach, captain and second baseman last year. Jack Shea is back with a strong claim to the first base assignment, Roger Bowen has the inside track at short stop, and Ray Johnson is making a bid for his old station at third base.

Other infielders reporting include Blohm, minor letterman two years ago, Van Meter, a reserve last year, and Werring and Laue, numeral winners. Dick Hawk, a letter man two years ago, has not reported, although he is expected out next quarter.

Max Rieke, veteran outfielder and member of the basketball squad, has not put in his appearance, and Kenneth Wells, a two year letterman in the outfield is out for track at present.

Pohlman and Steiert are other candidates for outfield posts. Roland Illie, numeral winner last year and a member of the wrestling team, will probably try for an outfield position next quarter.

The Iowa State schedule will be arranged at the meeting of Big Six athletic directors March 12 at Columbia, Mo.

Salaries of the staff of the University of Toronto will be reduced, effective March 1, and the students' tuition fees will be increased \$25. At the University of Western Ontario, the tuition fees have been increased from \$75 to \$100 per year.

Sound motion pictures may be taken of dress rehearsals of the operetta "Robin Hood" to be presented by the University of Minnesota Singers.

CLASSIFIED WANT ADS

REPORTERS—The editorial staff of the Daily Nebraskan would like efficient reporters to work on Saturday, Monday, Tuesday, Wednesday and Thursday afternoons. Report to the managing editors.

—and that's what the statistician does for industry

Definite knowledge of "where we are" and "what lies ahead" is as vital in business as in flying. For this expert navigating, the Bell System has long relied upon statisticians.

These men study present and prospective industrial, economic and social conditions in all parts of the country. They gather facts—analyze them, correlate them, discover their significance to the telephone business, draw guidance from them. They study and forecast the changing requirements of the public for telephone service. They estimate the probable future demand for new services, such as radio telephony to foreign lands and ships at sea. They keep the executives advised as to current progress towards the objectives thus carefully determined.

Only by plotting a course scientifically can the Bell System continue to develop along sound lines.

BELL SYSTEM

A NATION-WIDE SYSTEM OF INTER-CONNECTING TELEPHONES
