

Trackmen Off For Drake

SCHULTE SENDS TWENTY-ONE TO ANNUAL RELAYS

Cindermen Have Completed Hard Week of Drill For Classic.

RELAY TEAMS IMPROVE

Baton Passing Practiced; Rhea to Be Defending Shot Title.

Sixteen trackmen compose the vanguard of the Nebraska cinder team that leaves Thursday afternoon to compete in Friday's qualifying trials in the twenty-third annual Drake relays at Des Moines, the Midwest's classic track meet of the outdoor season. Five Huskers will pull away Friday morning to join their teammates for Saturday's finals.

Hampered by cold and rain during most of the week, the Huskers nevertheless have been working hard perfecting form and technique. Lamentably weak on their touchoffs at the Kansas relays, the baton passers have been putting in long hours exchanging the stick in early week drills. So rapid has been their improvement that it has even drawn forth a bit of praise from the tactician, Schulte.

Dopsters rate the Scarlet relay quartets as having an excellent chance to place well up in the money at the Drake carnival, although the baton events are attracting the cream of midwestern track talent. Both the Notre Dame and Iowa State two mile teams will run at Drake, but the Nebraska quartet in this event composed of sophomores for the most part, has been digging in hard this week anxious to even up last week's defeat at the Kansas relays.

Lambertus, Petz Entered. Coach Schulte has tentatively entered Heye Lambertus, sprint ace in the 100 yard dash, and Harold Petz in the 120 yard high hurdles, but may decide later to save these men for the relays. Petz, in a varsity cinder trial Wednesday afternoon, flashed over the barriers in 14.8 seconds to equal the varsity record in the event held by Bill Lamson. Petz, with the Carroll twins and Dohrman are down for the shuttle hurdle relay.

Although Hugh Rhea has not displayed his best form since his even 50 foot effort in the Big Six indoor meet in March, he is favored over Clarence Munn of Minnesota, the Big Ten champion. Rhea is defending his Drake mark of 50 feet, 7.2 inches made in the shot put last year.

Because of the expense attached, Drake officials have given up the football relay event. It was announced Wednesday that the special 100 meter dash had also been called off, since such stars as Eddie Tolan and George Simpson will not be able to compete.

Huskers making the trip and their events are:

Individual Events.
100 yard dash: Lambertus.
120 yard high hurdles: Petz.
Pole vault: Dean, Bell.
Javelin throw: Bell, Masterson, Jones.
Shot put: Rhea.
Discus throw: Masterson, Rhea.
High jump: Rhea.
Broad jump: Hege.

Relays.
440: Petz, Lee, Roby and Lambertus.
880: Petz, Lee, Roby and Lambertus.
1 Mile: Stefics, Rodgers, England and Ostergard.
2 Mile: Storey, Ayres, Ostergard and Asher.
4 Mile: Ayres, Storey, Turner and Asher.
480 yard shuttle hurdle: Linnis Carroll, Dohrman, Leon Carroll and Petz.

THREE JUDGES NAMED FOR FRATERNITY SING

(Continued from Page 1.)

In the afternoon before the making of the Mortar Boards and the tapping of the Innocents, senior women and men honoraries.

Eighteen sororities have filed their intention to enter the inter-sorority sing. Entries are: Alpha Chi Omega, Alpha Delta Pi, Alpha Delta Theta, Alpha Omicron Pi, Alpha Phi, Alpha Xi Delta, Chi Omega, Delta Delta Delta, Delta Gamma, Delta Zeta, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, Kappa Kappa Gamma, Phi Omega Pi, Pi Beta Phi, and Sigma Kappa.

The groups will sing in the order in which they are listed, and must be prepared to sing in their turn, otherwise they will forfeit the right to appear. Two songs will be presented by each group. A group may have an accompanist or director if they are members of the active group. No alumnae may participate.

In an interview to a Daily Kansan reporter, Jacques Thibaud, famed violinist, listed as hobbies, reading classical literature and bills and in the summer playing tennis and golf.

HAROLD PETZ, Nelson star, ran the best high hurdle race of his life Wednesday afternoon when he led George Smutny, the Carroll twins and Adolph Dohrman to the tape in 14.8 seconds. Petz, taking the barriers in almost faultless style, came down the stretch like Ray Ramsay running away with the male popularity honors. There was a slight breeze at the time, but it did not aid Petz as he was running in the outside lane close to the stadium concrete. In accomplishing his feat, Petz equalled the varsity record in this event set by Bill Lamson two years ago.

Husker two mile relay runners have figured out that if they give Sisco Asher, their anchor man, a twenty yard lead on Wilson, the Notre Dame wizard, the victory will be a cinch. However, that's the problem, as it will be no easy job to secure such a lead on a quartet of Notre Dame's caliber. Coach Schulte has been working diligently with Ayres, Storey, Asher and Ostergard, and has them in prime fettle to go places in their revenge attempt at the Drake carnival this week end. Here's a prediction that will probably be wrong: that Nebraska places either first or second at Drake. The strong Iowa State team edged out the Huskers for runnerup position at Kansas last week.

Jack Keller, the Ohio State hurdle flash, will compete in the high hurdles at the Penn relays Saturday instead of at Drake as had originally been announced. Wonder if Keller and a couple of other midwestern stars who are joining him in his trip east aren't trying to get a drag with eastern A. A. U. officials, who are admittedly in control of this organization?

BIG CROWD EXPECTED AT LAST FAIR RALLY

J. E. Lawrence, Ray Ramsay Are Headline Speakers; Call Meetings.

Preparations are being made at the College of Agriculture for entertaining the largest crowd of the season at the fair rally being held Thursday evening in Ag Hall. J. E. Lawrence and Ray Ramsay are the headline speakers on the program.

"Since the fair is but a little more than a week away, we feel that the Thursday rally will be one of major importance. No doubt we have two of the best speakers in the state on the program and we are expecting a packed house for the rally," Manager Fred Meredith declared this morning.

Lawrence will speak about the fair in relation to the newspaper while Ramsay will talk about fair policies. It is the first time the former has ever appeared on a fair program and many students are planning on turning out just to hear him speak.

Attend Omaha Pageant.

Committee meetings will be held following the convocation, according to Meredith. Individual chairmen have been instructed to call meetings of their groups when final instructions for work preparatory to the fair will be outlined. Most of the committees have been working for several weeks.

Several members of the senior board along with faculty advisors attended a pageant presented in Omaha Tuesday night at the Ak-Sac-Ben field. They reported a huge crowd at the pageant depicting the growth of the state, much the same as the pageant to be presented during farmer's fair will do.

sity debate coach, who has selected the officials from the varsity debate squad or from former debaters. The date set for the finals is May 3.

Seventeen teams enrolled for the elimination debate program at the beginning of the schedule. Rudolf Vogeler, chairman of intramurals, has been responsible for the execution and putting into operation the plans of Delta Sigma Rho, honorary intercollegiate forensics society that sponsored the initiation of the plan. Walter Huber, Ivy day orator and president of Delta Sigma Rho, was active in launching the program and for obtaining the backing of the students in the project.

The Delta Sigma Lambda team is composed of Norman Malcolm and Larry McDonald. The Alpha Sigma Phi team is Don Carlson and Charles Steadman. The Delta Upsilon team is Beverly Finkle and Jack Vaughn and the Beta Theta Pi's are represented by Edward Brewster and Edward Beagler.

THIRTY TEAMS ENTER FRATERNITY BASEBALL

Teams Divided Into Groups; Tilts Start Monday on Coliseum Field.

Playground baseball will be on deck next week for thirty fraternity teams, Rudolf Vogeler said Wednesday. Games will begin Monday and continue throughout the week, with every club slated for action.

The tilts will consist of seven innings, but in the event that rain or darkness stops a game, the score at the end of the fourth inning shall be the official score. At least four innings must be played to constitute a game. Varsity squad or lettermen in baseball are barred from competing. The fields designated in the schedule are located north of the coliseum. Winning teams must return all score cards to the intramural office immediately. Penalty for failure to do this will mean loss of the game.

HOFFMAN, AXTELL ARE BACK FROM OREGON STATE

(Continued from Page 1.) and encouraging faculty and student relations. The group did not heartily approve of deferred pledging. The organization made it clear that it frowned upon politics among women students. Plans were discussed whereby non-sorority girls could be made to feel an interest in student activities.

An interesting plan of vocational guidance was presented which would aid women students thru their four years in school. Individual conferences would be held with the girls each year by some qualified individual and a card catalog system kept so that it could be referred to each time. In this way it was felt, definite help could be given students in selecting a vocation actually suiting them.

The conference headquarters were in the new memorial building at Oregon State college. This building was recently erected to the memory of the Oregon students who lost their lives in the World war. The theme of the entire conference was "College Campus as a Training School." The

Portraits by Miss Dolan in Founders' Room

Shown above are two of the four 11 by 6 portraits by Miss Elizabeth Dolan which will be displayed when the Founders' Room in Morrill hall is formally opened with the Chancellor's reception this afternoon. The picture of Mrs. Charles H. Morrill and of Dr. E. H. Barbour, curator of the university museum, also appear.

first morning the delegates had a joint meeting with deans of women who were also meeting there. There were also addresses of welcome by the different officials.

Function of Sororities.

That evening there was a round table discussion on the function of sororities on the small campus. It was the consensus of opinion that the sorority goes have a place there but that it should be guarded so that it will not monopolize campus activities. This was followed by a discussion of co-operative houses, a system which is used in many schools. Under this plan girls are assigned to houses in different ways, but generally with the assistance of the A. W. S. board and the dean of women. Each house has a housemother and the work and expense of running the house is divided among the inmates.

One of the most interesting discussions of the entire convention, according to the Nebraska delegates, was the open forum in which faculty and student relations were discussed. It was decided that relations between the two groups should be promoted. In this discussion Mrs. A. M. Fertig, dean of women at Washington State college, represented the faculty group as main speaker while Leona Weber, newly elected A. W. S. president of the University of Oregon, represented the students.

Taken to Eugene.

The delegates were then taken to Eugene, Ore., and made a tour of that campus. They were guests at a luncheon at the dormitory there and Dr. John H. Hueller of the sociology department of the University of Oregon gave a talk on "Women in Soviet Society." Dr. Mueller has just returned from a trip to Russia. The A. W. S. board of that school entertained the delegates at a tea and the national president of Chi Omega, Mrs. Mary Love Collins, who is a lawyer, talked on "Campus Maturity in Infancy."

Returning to the Corvallis campus the delegates were entertained at the Memorial Union Tea room and then went to the women's gymnasium where the W. A. A. presented a dance drama.

The Nebraska delegates feel that

the entire convention was very beneficial and that many plans were discussed which might prove of benefit if initiated on the Nebraska campus.

A campaign against knitting during lectures was recently headed by a Bryn Mawr College News editorial which suggested the hard and fast rule "All knitting must be checked at the door."

"There are three genders," says the Milwaukee Leader, "masculine, feminine, and crooner." "People who live in glass houses should not live next to Walter in-chell" says a Marquette funster.
