IT has been lots of fun editing the sports page of the Daily Nebraskan this semester. Writing this column, however, has given me the greatest pleasure. If, in reading "The Pressbox," you have received a fraction of the satisfaction that I have obtained in writing it, then I am happy.

I have tried to uncover some of the more personal bits of news about Nebraska athletes, because it has always seemed to me that people are far more interested in other individuals than mere objects or things.

Since starting on this job in February, I have met practically all of the boys who perform for Nebraska in an athletic way. And I am not trying to hand out any bouquets when I say that they are a fine bunch of fellows. I can't conceive of a better group of athletes as far as the boys themselves are concerned.

The Scarlet athletic horizon rarely has appeared brighter than at present. Coach Dana Bible, while naturally not predicting an undefeated Husker team next fall says that "Nebraska will be represented by a very good team. It will take a real team to beat them." A good sized crew of veterans return for another basketball season that certainly should be more productive of victories than the past season. Schulte's track prospects look exceedingly bright at the moment. And so with this optimistic but somewhat hazy picture of what is in store for next year, let's say goodbye.

NEBRASKA FROSH WIN BIG SIX TELEGRAPHIC

Funk and Skewes Cop Two Mile and Discus Event For Yearlings.

Husker yearling trackmen swept both the individual and relay championships of the 1932 Big Six freshman telegraphic competition, according to an announcement released Monday.

In winning the individual championships, the Nebraska frosh tallied 46 points with Kansas close behind with 43. Missouri gave the Huskers the strongest argument in the relay championships, scoring 31, 1-2 to 24 for the Scarlet. The relay championships refer to the team strength in each event, the best four marks in each event by Husker freshmen being compared with the best performance of yearlings in other Big Six schools.

Showing the way for Jimmy Lewis' freshmen was Glenn Funk, Central City boy, who won the two mile in 10 minutes, 12.2 seconds and placed second in both the 850 and mile events. His time for the half was 2:00.8 while his best mile effort was 4:34.2.

Skewes Wins Discus. Glenn Skewes, Imperial, won first in the discus throw with a mark of 134 feet, 4 inches. Bill Green got a second in this event. Lloyd Long, Newman Grove husky, tossed the javelin 175 feet for a second while Green and Reifschneider placed third and fourth respectively in the shot put. Werner of Nebraska took a second in the broad jump with a leap of 21 feet, 6 1-2 inches. Eisenhart got a tie for second in the high jump, while Toman placed fourth.

Elwyn Dees, Kansas freshman and holder of the world's inter-scholastic record in the shot put, won an easy first in the lead ball

Alpha Gamma Rho Wins Jack Best Sports Prize

For the second straight year, Alpha Gamma Rho fraternity has won the Jack Best intramural all-sports award. At one time but twenty points ahead of Beta Theta Pi, the A. G. R. athletes iced the competition by defeating the Betas in volleyball and then won the horseshoe championship from Phi Kappa by a 3 to 0 score.

With the baseball and golf tournament points not counted in, Alpha Gamma Rho has 870 points, Beta Theta Pi in second place with 585. In the finals of the intramural baseball championship this afternoon, Delta Upsilon plays Phi Kappa Alpha. The latter fraternity ranks third in the standings with a total of 470 points, but the 150 points going to the winner of the baseball meet is not enough to overcome the A. G. R. lead. Sigma Nu plays Sigma Chi in the finals of the golf tourney Tuesday afternoon.

"Kindergarten" sports are the rage among co-eds at the University of Missouri this spring, with wading and leap frog leading the list in popularity.

WHEN hunger begins to stalk you — drift down to a nearby restaurant and enjoy a bowl of Kellogg's Rice Krispies. These crunchy rice bubbles, that actually crackle in cream, are delicious. And just the treat for a "nightcap." So easy to digest, they invite restful sleep. How much better than hot, heavy foods!
