

THE DAILY NEBRASKAN

Official Student Newspaper of the University of Nebraska

VOL. XXXII—NO. 10.

LINCOLN, NEBRASKA, WEDNESDAY, SEPTEMBER 28, 1932.

PRICE 5 CENTS.

BEGIN CAMPAIGN FOR TICKETS TO SEASON'S PLAYS

Many Seats Reserved Last Spring According to Charles Hoff.

40 PERCENT REDUCTION Student Season Tickets Will Sell for \$2 This Year Hoff Says.

Reserved seats for University Players, campus dramatic organization which is to give six major productions this year, may be secured this week, according to announcements from the dramatic department of the University.

Large numbers of seats have been reserved already. The number of seats reserved to date is greater than the number sold at the same time last year, according to Charles Hoff, business manager of the Players.

Student season tickets will go on sale at \$2.00 this year, and may be reserved any time this week. Faculty members may also purchase tickets at \$2.00. Public tickets for the season will cost \$2.40, a reduction of 40 percent from last year's price, which was \$4.00. Either a student ticket or a public ticket entitles the purchaser to attendance at the six University Players' production during the coming season.

Organized canvassing of students and public will begin next week, and the campaign will be announced in Friday's Daily Nebraskan.

Canvassing alumni for the selling of University Players tickets for the coming season, Charles Hoff, business manager of the Players yesterday mailed out 4,000 letters to Nebraska graduates.

Reduction of rates for the coming season was stressed in the letters, as was the desirability of reserving tickets at once.

"For seventeen years the University Players have presented the spoken drama in Lincoln," the letter reads. "During this time many stock companies have come and gone but these students, graduates, and faculty, year after year, have given Lincoln the greatest in modern plays, many having been presented as soon as released from Broadway."

"The players are this year attempting that many have said to be impossible. You are being offered season tickets—six plays—for \$2.40, a reduction of forty percent over last year's prices. If such an arrangement brings a satisfactory increase in patronage, the plan will probably be continued."

DIRECTOR ANNOUNCES R. O. T. C. SELECTIONS

Men Chosen After Tryouts Held Last Week Before Leader W. T. Quick.

125 MUSICIANS IN BAND

Final selections for the R. O. T. C. band were announced Tuesday by W. T. Quick, director, tryouts having been held the past week. The same number of musicians comprise the band this year as last 125 men having been chosen.

Most of the band members have had past experience in the R. O. T. C. band, a very small number of them being new members. Of the entire band, only twenty-seven are new men, the remainder having played in the band last year.

The new members are: Kenneth E. Anderson, Lincoln; Fred A. Auerburn, Grant; Robert Boyes, Seward; Marshall G. Cook, West Point; Val Curtis, Geneva; Joe Chamberlain, Donald C. Faust, of Hooper; William H. Hammond, of Lincoln; John J. Hewitt, Lexington; Willard J. Humpal, Bridgeport; Eugene F. Hulbert, Lincoln; Ellie Johnson, Hay Springs; Owen F. Johnson, Stromsburg; Herbert L. Kollmergen, West Point; Harland S. Milligan, Scribner; Charles Bell, Minnick, Lincoln; John J. Modlin, Beaver City; Edmund H. Mullooney, Lincoln; Albert Maust, Falls City; J. Wesley Nelson, Aurora; Paul W. Poyen, Hebron; Robert Lowell Pierce, Lincoln; Harold C. Potter, Monroe; Windle Delmar Reel, Lincoln. (Continued on Page 4.)

GROUP CONTESTS FOR MUSIC SCHOLARSHIPS

Winners of Auditions for Presser Foundation to Be Named.

Winners of the Presser foundation auditions will be announced Wednesday, according to officials of the school of music. The audition committee heard twelve applicants Monday and the balance on Tuesday, the closing day of the tryouts. The committee is composed of members of the faculty of the School of Music.

Advance students in violin, piano and voice are eligible for Presser scholarships. These scholarships were made possible by bequests of Theodore Presser, a philanthropic musician, who planned, that through the Presser foundation his best loved interest in life might be furthered and bettered.

SYMPHONY TICKET DRIVE IS CLOSED WEDNESDAY

Student Response Good Says Miss McDermott, Drive Manager.

Wednesday marks the close of the student Lincoln Symphony orchestra season drive, according to Miss Josephine McDermott, drive manager. Tickets may be obtained after the close, however, from the secretary's office in the School of Music building. Season tickets to students are \$2.50. Miss McDermott pointed out:

"The drive's results have exceeded expectation," Miss McDermott asserted. "The students are responding wonderfully. It cannot now be said today's students do not appreciate good music. Tickets after Wednesday may be obtained at the office of the secretary in the School of Music building."

SEVERAL GREEK ORGANIZATIONS CHANGE HOUSES

No New Houses Constructed, But Number of Resident Renovations Made.

Several Greek letter groups are beginning the school year with a change of residence or in houses remodeled during the summer months. Although there were no new houses constructed on the campus a number of residence renovations were made during the vacation period.

In keeping with the trend toward living near the campus the Lambda Chi Alpha fraternity moved from their old house located at 1701 K to a newly remodeled structure at 1519 U. This change is the most prominent among the improvements made by Greek letter groups.

The former house of this fraternity was a rented one and since the group owned lots on U street which were formerly occupied by two houses it was deemed a wise move. One of the houses was adequate for the needs of the group and so it was enlarged and remodeled to suit their needs. The house was fully remodeled and renovated into a modified colonial style home.

The interior of the home as well as the exterior has been entirely redone in a color scheme to fit in with the style of the structure. A decorative stucco was applied on the outside of the dwelling along the terracing and landscaping of the grounds.

The house is not as yet complete plans having been laid to erect a sleeping porch on the south side of the building. The whole renovation process was accomplished at the expenditure of a surprising low figure.

Phi Omega Pi sorority also made a number of distinct improvements on their house. The exterior was greatly altered, a porch on the front of the house having been torn away. Inside the house was redecorated and refurnished and a dormitory converted from upstairs rooms.

The Alpha Tau Omega residence was given a new coat of paint along with interior renovations and changes. The house was redecorated inside and entirely refurnished. Another change is that of Phi Alpha Delta, professional law group, which moved from its old dwelling on 1620 R street to a residence at 1528 M. Improvements were also made upon the house, including new decorations and other minor alterations.

The Sigma Phi Sigma fraternity moved from 609 South 17 to 2539 Q street. The house now occupied by this society is the former Tau Kappa Epsilon home of a few years back. Still another group making a change is Sigma Alpha Mu who changed their residence from 1245 J to 1325 R street.

FORESTRY LECTURER TO TALK AT COLLEGE

Wheeler Will Also Appear Over the State With Open Meetings.

H. N. Wheeler, chief lecturer for the United States forestry service, who is to give a number of illustrated lectures over the state in October has been scheduled to appear before an open meeting at the agricultural college on Oct. 4, according to Extension Forester Clayton Watkins.

The Lincoln meeting will be held at 8 o'clock in the evening in the student activities building, Mrs. A. C. Nelson and W. H. Brokaw of Lincoln are making arrangements for the program which is being sponsored by the Lincoln Garden club and the college of agriculture.

Garden clubs, farm bureau organizations and civic clubs are planning to have large crowds out to hear Wheeler when he appears outside. He is a noted lecturer, and his Lincoln talk will probably deal with natural resources and forestry. It is expected that all students in the university will be invited and urged to attend.

BRICK PAVEMENT TO BE COMPLETED WEDNESDAY NITE

Approximately 85,000 Brick Will Have Been Laid And Covered.

WILL LAST FIFTY YEARS Seaton Says Construction Was to Be Completed For First Game.

Approximately 85,000 bricks will have been laid and covered with asphalt, by tonight, when the new block of pavement on the University campus will be finished and ready for use according to H. E. Metcalf, superintendent of the work which is being done by the Cochran Construction company. He stated that the pavement will last at least fifty years.

Construction was started Sept. 12, when the company began grading. The grading had been completed and the curbs and base put in by Sept. 19. According to Operating Superintendent L. F. Seaton of the University of Nebraska, the pavement was to have been completed before the Ames-Nebraska football game on Oct. 8. "This block of pavement," said Mr. Seaton, "is part of a plan to improve the University campus and has been delayed because the original plan of the school was to put in two sidewalks from the Coliseum mall, through to R street, and close 12th street for automobiles as soon as the University is completed."

R. O. T. C. DEPARTMENT ANNOUNCES OFFICERS

Seventy-Nine Juniors Will Have Posts in Local Military Corps.

Seventy-nine men have been selected to fill the Junior officers corps in the University of Nebraska R. O. T. C., the military department announced Tuesday noon. The official list of men admitted to the advanced course in Military Science is as follows:

Asst. E. Altberg, Henry J. Amen, Elmer A. Anderson, Leo H. Anderson, R. M. Anderson, Francis H. Ayres, Russell V. Balle, Allen W. Berkman, Homer E. Brackett, Edwin E. Brodley, Maurion B. Brown, Walter W. Burdick, Harold W. Butler, Leonard W. Camp, Victor Chubb, John Clapper, Cornelius C. Collins, Waldner M. Conner, J. Allen Davis, Adolph C. Dornham, Charles V. Dukerak, Leonard C. Dull, Dan C. Easterday, Donald G. Ebers, Duane C. Erickson, Edgar E. Farris, Kenneth D. Fritschner, James D. Frazer, Samuel E. Glidner, William E. Gordon, Byron W. Goulding, Clarence A. Green, Neil W. Hall, Floyd D. Herman, Leo Hill, Miles H. House, Lawrence E. Humble, James Howard, Henry Keller, David M. Jones, Gustav Kotovic, Clayton K. Lester, A. J. Linton, Maurice L. Loomis, Robert M. Moore, Richard A. Moran, Ray A. Murray, Kenneth Martin, Richard P. Nicholson, A. Fred N. Nuttman, George W. A. Pentecost, Frank E. Prawl, Norman E. Proulx, Peter R. Rausch, Burnett A. Reardon, Richard A. Rice, Leslie Road, Elton R. Ross, Philip J. Rowe, Roger A. Schaefer, Hugh H. Schmidt, Charles F. Schwabert, Mario E. Smith, Carlyle A. Sorenson, James A. Stone, Maurice Stone, Robert Taylor, Tanney, A. Orville Taylor, Dale E. Taylor, Wayne E. Thurman, Gordon A. Van Wagoner, Es. Von Seaton, Carl E. Wendt, Harold M. Winquist, Edward L. Witt, Robert E. Woodcock, Charles H. Ziegler, and Louis G. Zimmerman.

These seventy-nine men are requested to report as soon as possible at the Military department offices, not later than this week. The new officers will be measured for their uniforms the latter part of this week and the first of next in the quartermaster's department in charge of Colonel Kidwell, in the basement of Nebraska hall.

EXTRA-CURRICULAR ACTIVITIES AT THE UNIVERSITY OF NEBRASKA

Published through the co-operation of the Innocents society in the interests of students, new and old, who are not fully acquainted with activities, their organization, purposes and benefits, as they operate at the University of Nebraska, with the hope that a greater number will avail themselves of the opportunities offered, thereby putting into the whole activities organization a revitalized interest among the entire student body.

This is the third of a series of articles describing the various organizations making up the extra-curricular activities program on this campus, which is being published each day in the Daily Nebraskan.

STUDENT GOVERNMENT THE STUDENT COUNCIL

At the apex of the hierarchy of student organizations at Nebraska is the Student Council, supreme legislative, judicial and executive organ of the student body, in which is vested that autonomy in student affairs delegated to the students by the University senate to which the council is alone responsible and to which appeals from the council may be carried. The powers of the Student Council are set forth in a constitution approved in the school year 1920-21 by a general student referendum and accepted by the University senate as follows:

The Student Council shall have the following powers in so far as in the exercise thereof these powers do not conflict with any general university regulation:

1. To regulate and co-ordinate the activities of all student organizations and groups whenever such activities are of general university interest.
2. To recognize and approve the constitutions of any new student organizations, without which recognition and approval no such organizations shall be permitted to function.
3. To have complete control of student pep rallies, similar forms of pep demonstrations, and student migrations.
4. To conduct all general elections which are of student university interest and in which popular voting is used.
5. To review all such ruling of student bodies as may affect the social conduct and well being of the students.
6. To serve as a suitable medium for communication between the student body and university authorities.
7. To legislate in such a manner as shall be necessary and proper for carrying into execution.

(Continued on Page 3.)

FRESH! GET YOUR CAPS!

Some of the freshmen have not yet procured their caps, and it will behoove them to get them within the next few days at Ben Simon & Sons. The spirit of the freshman class depends a great deal on the wearing of these caps, and I should like to have the full cooperation of all fraternity and all non-fraternity men. We have planned a tug of war between chosen freshmen and sophomores between halves of the Pittsburgh game, and in order to develop a keener rivalry between the two classes, the caps should be worn at all times. Wear your cap and be proud of it, it is your identification tag to the rest of the world. CHALMERS GRAHAM, Chairman in Charge of Freshman Cap Enforcement.

PLAY DATES ANNOUNCED

First Production Scheduled For Oct. 24; Plays Being Chosen.

Dates for presentation of coming University Players productions were announced yesterday by a bulletin from Miss H. Alice Howell, director of the University dramatic department.

The first play will be staged the week of Oct. 24 to 29, and the Players are now making selections for the leading roles of the play, which will be announced in Sunday's Daily Nebraskan.

Nov. 14 to 19 will be the date for the second play, and other dates are Jan. 9 to 14, Feb. 6 to 11, March 6 to 11 and April 3 to 8.

YOUNG DEMOCRATS NAME HARMON FOR PRESIDENT OF CLUB

Steck, Conklin Speak at Tuesday Meeting; Plan Reception.

With the election of permanent officers Tuesday afternoon in social science auditorium, the local chapter of the Young Democratic club of America became a reality on the University of Nebraska campus. Robert Harmon of Washington, D. C., was elected chairman of this student organization, which is the first of its kind in the state.

Other officers selected were: Mary Quigley of Valentine, vice chairman; Hubert Arnold of Lincoln, secretary-treasurer, and Francis Cunningham of Lincoln, publicity chairman.

Speakers at the meeting, which was the second formal assembly of the group, were F. A. Steck of Lincoln and Harry P. Conklin of Scottsbluff. Mr. Conklin is a democratic candidate for state land commissioner. He spoke regarding the democratic party and student interest in government.

"Politics is the greatest game in the world," he declared, "because it is civilization's method of regulating its social life and business relations." He also said that there is an awakening of interest in government among the young people.

Salesmen May Obtain Tickets in Coliseum

Salesmen who have already sold their first issuance of student athletic tickets will find it possible to obtain a few more at John K. Selleck's office. Also it is requested that every salesman in the ticket campaign check in his money at Mr. Selleck's office on Monday.

DEGREE SEEKERS LOOK ON WHILE PAVEMENT LAID

A site which competed with even Social Science hall in drawing men students between classes on Monday was the much eulogized block of paving in front of Chemistry hall.

About twenty-five overalled workmen moved back and forth engaged in the methodical arrangement of red bricks on the concrete foundations. Some efficiency expert or perhaps he should be called the brick-layer's boon, invented an iron brace made to hold six bricks at a time. By means of this device the bricks were carried from the brick pile to be laid in even rows awaiting the frosting of tar.

All morning the workers had an audience of admiring and perhaps envious white-collared, book-laden, college men. It is not surprising that some students even cut class to gaze upon the procedure. Perhaps many a degree-seeking bystander secretly hoped to some day advance to the position of a steadily employed laboring man.

DRASTIC CUT IN PICTURE PRICES FOR YEAR BOOK

Twenty Percent Reduction For Photos Announces Manager Skade.

PHOTOGRAPHERS READY Costs in Both Class and Fraternity Sections Are Lowered.

An announcement which should be of vital interest to the students of the University of Nebraska was made Tuesday by Charles Skade, business manager of the 1933 Cornhusker. "Due to prevailing economic stress the management of the book has made it possible to reduce the price of pictures for student sections, in some cases nearly as much as 20 percent," he said.

According to Skade pictures for the junior and senior sections have been cut to three dollars and fifty cents. Last year pictures for this division of the book cost each student four dollars, making a reduction this year of fifty cents.

The pictures that are to appear in both the junior or senior class and the fraternal or sorority sections will cost three dollars and seventy-five cents, which is seventy-five cents less than last year. The business manager pointed out that juniors and seniors who are fraternity or sorority members may use the same picture for both sections by paying an extra twenty-five cents when their pictures are taken.

Picture taking will begin immediately, as in past years, at both Hauk's and Townsend's studios. Skade expressed the belief that in view of this year's lower prices practically every student will be able to take advantage of the opportunity to be included in Nebraska's year book.

"In keeping with present conditions, the close figuring on the part of the photographers in the city gives us the opportunity to pass on this reduction to the student body. We believe that at these reduced prices everyone will see fit to have his picture included in the book," Skade declared, "and the 1933 Cornhusker will be more truly a representative book of Nebraska students."

Group pictures will be taken, as in former years, at the campus studio, which is located in the greenhouse west of the former museum.

YOUNG REPUBLICANS GATHER AT TEMPLE

Van Pelt, Assistant District Attorney, Addresses Group Tuesday.

Twenty-five members of the Executive Committee of the University Republican club and several faculty members attended a luncheon at the Temple Tuesday noon. Mr. Robert Van Pelt, Assistant United States District Attorney and Chairman of the Young Republican club of Nebraska spoke to the group. John Geppson, co-chairman of the club, introduced the speaker. Jane Robertson announced that Mrs. Dolly Gunn, hostess for Vice President Curtis, would speak at a meeting at the City Auditorium on Wednesday evening of this week at 8 o'clock.

The chief text of Mr. Van Pelt's speech was the emphasis of the opportunities offered to young people by the Republican party. Twenty percent of the voting population of the United States at the present time is made up of young people between the ages of twenty-one and thirty-five. This includes the college group. Nine million voters have come of age since the last presidential election. The Republican party, he said, offers more to young people than does the Democratic.

A survey of present state officers, national officers, and all public officials shows definitely that a younger group is prevalent in the Republican party. This is not true he said, in the Democratic party.

GROCERYMAN CHARGES UNIVERSITY DAMAGES

Resident States That Dirt, Dust and Smoke Cover His Property.

A law suit alleging that the University of Nebraska heating plant is causing smoke, fumes, coal dust and dirt to be scattered over the property of the plaintiff was filed in district court Tuesday by Ernest H. Holmes, groceryman at 14th and W streets. Holmes is suing for \$25,000 damages and asks that the university heating plant be enjoined to prevent these occurrences. He claims that soft coal is used at the plant and is taken up in an open elevator and dumped. He alleges that several heating plants cause large clouds of smoke and soot and fumes, and that sediment from the plant takes the paint off of automobiles parked near his place of business, the fumes and dirt endangering the health of himself and family and interfering with the operation of his business.

The suit was filed by Attorneys Fred Foster and Percy Morton.

DEAN INDORSES REDUCTIONS IN STUDENT TICKET

Says Lowered Price Puts Tickets Within Range Of Nearly All.

The endorsement of Dean T. J. Thompson was given the student athletic ticket campaign, Tuesday afternoon, when he declared in an interview that for the first time in his memory student tickets had been reduced to a price which put them within range of nearly every student.

"Students who purchase season tickets this year will be getting value received," Dean Thompson declares. "Of course I realize that there are cases where the financial situation of particular students is such that the purchase of a ticket would not be economically prudent. On the whole, however, I am glad to give my hearty endorsement to the student ticket campaign which is being directed by the Innocents society."

Dean Thompson will be one of the speakers at a special luncheon for student ticket salesmen which will be held at the Grand hotel, Wednesday noon. Other speakers include Dr. G. E. Condra, faculty advisor to the Innocents society, and Dr. R. D. Scott, of the department of English and member of the athletic board. Jack Thompson, president of the Innocents society, will preside at the luncheon.

The total number of tickets sold has risen to slightly over 700, according to Chairman Charles Skade who reports salesmen in the contest are optimistic at the spirited manner in which a representative section of the student body is responding to the appeal for Cornhusker support.

"The trips to Dallas, Minnesota, and K. U. are beginning to look pretty real to salesmen in the contest," Skade said. "Their reports indicate that nearly every student in the university will have purchased a season ticket before the contest closes on October 8, the day of the Iowa State game."

Chairman Skade explained that the ticket entitles one to admission to all Cornhusker sports—football, basketball, track, swimming, tennis, and wrestling at an average cost of less than thirty-three cents per event.

Beginning Wednesday afternoon salesmen will sport a new identification ribbon which will make them easily distinguishable as they appear on the campus. Persons who have purchased tickets are wearing the red and white "N" button.

The petitions which are being circulated state their reasons for attempting to get baseball back into the athletic program. They say that baseball is a national game and as such should be played. It is an outdoor activity and is important in the promotion of good health, it has a carryover value in after school life, it will give an additional group an opportunity to enter into athletic competition, and that baseball is of interest to the entire student body and it should be conducted as an intercollegiate sport by Nebraska to properly uphold a place in the Big Six conference.

The petitions will be placed in the hands of all men students within the next few days. Meredith and his co-workers plan to leave the petitions at all organized fraternity houses on both campuses and will make a complete survey of the situation. They expect at least 2,000 names to appear on the petitions before they will be presented to Chancellor Burnett. The petitions ask the chancellor to request that the sport be reinstated.

Varsity baseball at Nebraska was discontinued two years ago when interest in the sport was low and the sport was not regarded as a paying one.

PROGRAM OF MUSIC TO BE PRESENTED AT TEA

Trio and Solo Selections By Sigma Alpha Iota's Are Planned.

Members of Sigma Alpha Iota, national music fraternity for women, will present the musical program for the all-activities tea which is to be given Thursday afternoon at Ellen Smith hall and which all women students are invited to attend.

Several selections will be given by the school of music trio, whose members are Esther O'Brien, violin, Garnet Mayhew, cello and Marcel Jones, piano.

Soloists who will appear on the musical program are Audrey Reed, who will sing; Mary Ely, who will present piano numbers and Ruth Hill, harp.

Marion Smith, representative of W. A. A. and chairman of decorations for the tea, and Louise Hossack, who as social chairman of the Y. W. C. A. has charge of refreshments, have planned to use pastel shades in the table appointments for the tea.

LINCOLN PLAYS WIN HONOR Given Second Place Among Junior League Players; Chicago First.

The Lincoln Junior League which annually gives several plays for children in the Temple theater was awarded second place in Junior League productions at a national convention held in St. Louis this summer. Chicago Junior League won first place.

Recognizing Nebraska Junior League plays, the Junior League Magazine recently carried an article about Lincoln productions showing scenes from plays, among them Sleeping Beauty, and Ali Baba and the Forty Thieves. The League productions are sponsored by the University Players, campus dramatic organization.

DEAN INDORSES REDUCTIONS IN STUDENT TICKET

Says Lowered Price Puts Tickets Within Range Of Nearly All.

The endorsement of Dean T. J. Thompson was given the student athletic ticket campaign, Tuesday afternoon, when he declared in an interview that for the first time in his memory student tickets had been reduced to a price which put them within range of nearly every student.

"Students who purchase season tickets this year will be getting value received," Dean Thompson declares. "Of course I realize that there are cases where the financial situation of particular students is such that the purchase of a ticket would not be economically prudent. ORANGE, BLACK TO BE PARTY COLOR THEME

Entire Length of Coliseum Will Be Used for All University Dance.

OMAHA BAND WILL PLAY One mile of orange and black crepe paper will be used to decorate the university coliseum for the All-University party to be held Saturday evening. Balloons in the university colors, confetti and serpentine will add to the effect, while new lighting effects will combine to dress the coliseum in one of the best decorative schemes ever tried there. The full length of the coliseum will be used.

Deb Lyons' twelve piece orchestra from Omaha will furnish the music for the occasion. Every member of the orchestra is a regular entertainer and the orchestra has met with popular favor at the many college functions at which they have played over the country. Entertainment will be furnished by Wally Morrow, featuring all new numbers.

The orchestra will play on the coliseum stage for this party, enabling the dancers to both hear and see them to better advantage. The stage is being reconstructed and will be cut down in size, the plans being to make it the same size as the stage at the Stuart theater. New blue and red lighting effects will be carried out on the stage which will bring out the new stage settings, an entirely new set having been constructed for the occasion.

The party is a regular feature of university life and is for the benefit of all university students.

DIRECTOR SELECTS PRINTS Curator Plans Exhibition of Wood Blocks for Fine Arts Students.

A group of wood blocks to be exhibited Oct. 1 has been secured for the benefit of fine arts students by Miss Mable Langdon, curator. These are modern American block prints selected from the fifth annual exhibition of American Block Prints of the Print Club of Philadelphia by Erwin O. Christianson, director of the department of educational work.

"These block prints," says Dwight Kirsch, "despite their limited number, give a comprehensive survey of contemporary American use of the medium." The exhibition is circulated by the American Federation of Arts, a national organization for the cultivation of the arts with headquarters in Washington, D. C.
