## Campus Social Calender Features Various Honor Teas This Week End

Teas are attracting a great deal of interest on this campus as exchange papers reveal they are on others. The Annual All Activities tea Thursday afternoon is perhaps the major affair this week. Two church sororities announce their plans for teas one to be given Friday afternoon, the other being scheduled for Sunday. Sigma Delta Epsilon has completed plans for a tea to be given at Ellen Smith hall Sunday afternoon in honor of the graduate women students in the science department.

### Scientific Women Preside at Tea.

Sigma Delta Epsilon, made up of graduate scientific women, will entertain forty guests at a tea Sunday afternoon at Ellen Smith hall, from 3 to 5 o'clock. Honor guests will be graduate students in the science department. During

the afternoon the following officers will be installed: Dr. Esther Anderson, president; Mrs. I. M. Blake, vice president; Dr. Rebecca Gibbons, secretary; and Miss Madeline Peterson, treasurer. Dr. Mary Morse will preside, late in the afternoon, at the tea table which will be decorated with garden flowers in rainbow colors.

### Club Gives Tea at Kappa Delta House.

Thursday afternoon at the Kappa Delta chapter house the Mother's club of that sorority entertained at tea. The officers of the club presided at the tea table which was decorated with lavender and pink flowers. Those who poured were: Mrs. George Pillers, Mrs. Harry Willis, Mrs. Anna Marsh. The music was furnished by Marie Hansen and Francis Kimball.

### Kappa Phi Honor University Girls.

Kappa Phi, Methodist girls sorority, is planning a tea Friday afternoon from 3:00 to 5:00. This event which is in honor of all freshmen and new girls on the campus will be given at the Wesley foundation, 1417 R street. Marian Higbee social chairman of the sorority is in charge and the patronesses will pour.

### Church Group Sponsors Tea.

For all the Lutheran girls on the campus Lambda Gamma, Lutheran girls sorority, is giving a tea Sunday afternoon, October 2, from 3:30 to 5:00. This affair will be held at 1610 R street. Final arrangements for the tea have been made as yet, but will be announced at a later date.

### All University Party Planned for Saturday.

The second all university party of the year will be held Saturday, October 1, in the coliseum, at 8:30 p. m. Music will be furnished by Deb Lyon's twelve piece orchestra, and Wally Morrison will present an unusual floor show.

### Mothers Club Has Luncheon Thursday.

Mrs. R. H. McReynolds and Mrs. Marguerite Davidson entertained the Pi Kappa Phi Mothers club at a covered dish luncheon at the former's home Thursday. Eighteen were present, and the afternoon was spent making plans for the year's work.

The auxiliary of the Sigma Phi Epsilon fraternity had a 1 o'clock luncheon at the home of Mrs. Czar Johnson, 2900 Jackson drive, Thursday afternoon. Burr Ross of Rosalie has been elected president of the Farm House fraternity freshman for the year. Donald Joy of Franklin is vice president and George Hackleman of Shelton is secretary. The officers were elected this week.

**PFELER WILL SPEAK TO LITERARY SOCIETY**  
Dr. W. K. Pfeiler of the German department will speak before the members of the Palladian Literary Society at 8:30 Friday evening. A number of musical presentations will follow his speech. The meeting is open to the public.

## EXTRA-CURRICULAR ACTIVITIES AT THE UNIVERSITY OF NEBRASKA

Published through the co-operation of the Innocents society in the interests of students, new and old, who are not fully acquainted with activities, their organization, purposes and benefits, as they operate at the University of Nebraska, with the hope that a greater number will avail themselves of the opportunities offered, thereby putting into the whole activities organization a revitalized interest among the entire student body.

### The Athletic Board of Control.

This body, composed of the dean of student affairs, finance secretary, operating superintendent, faculty representative to the Missouri Valley Intercollegiate Athletic association, director of athletics, faculty manager of student activities, one alumni member, one member at large and—beginning this year—two student members, has general supervision of the division of athletics which has jurisdiction over intercollegiate and intramural athletics.

Addition of two students members—one a member of the "N" club and one a representative of the Student Council—was adopted by the university board of regents last summer following approval by the athletic board of control of a petition for such student representation from the Student Council.

This board directs especially the business side of intercollegiate athletics, hiring coaches and instructors and directing athletic relations with other schools.

### Intercollegiate Athletics.

Nebraska competes with other schools of the Big Six conference and occasionally with outside schools in football, basketball, track and field sports, wrestling, swimming, two mile racing, rifle marksmanship, tennis and boxing. Baseball was dropped from this repertoire last year as an economy move. Of these football is the most important. Around it has developed a wide variety of other activities which constitute much of the student life of the university. And football is the money maker which makes possible the remainder of the athletic program, both intercollegiate and intramural.

Varsity team membership eligibility requirements are described on page XX with certain qualifications. Since these exclude freshmen from regular intercollegiate competition, a program of freshman athletics, supplemented by intramural competition, gives freshmen as well as upperclassmen opportunity for participation.

In football intercollegiate freshmen games are provided by the Big Six conference. There is also a freshman basketball team.

Coaches and trainers are paid employees of the athletic division, but equipment is handled by student managers. "N" awards, major and minor, are made to those having fulfilled a minimum time requirement in competition. "N" men are organized into an "N" club which sponsors the interest of athletics on the campus. One of the student representatives on the athletic board of control will be a member of the "N" club, chosen by that organization.

### RALLIES, CHEERING AND STUDENT MIGRATIONS.

Before each major home football game, pep rallies are held on the campus and at the downtown hotel where the visiting team is staying. Such demonstrations are also organized as send-offs for the team as it leaves for important away-from-home games. Conduct of these in such a way as to promote and provide an outlet for the student spirit and yet keep this enthusiasm in sane control is a major campus problem.

All rallies are under the charge of the Innocents Society to which authority to plan and direct them

is delegated by the Student Council. These rallies consist of parades, cheering, speaking and are supplemented by the R. O. T. C. band of the university military regiment.

Two pep organizations—Pi Epsilon Pi or Corn Cobs for men and Tassels for women—have for their purpose the stimulation of spirit for Nebraska athletic contests. Wearing characteristic red and white uniforms, they form the nucleus for pep rallies which precede major athletic contests and lead the organized cheering section in the stadium during games. Membership is given each fraternity and sorority and to unaffiliated students.

An organized cheering section directed by the Innocents Society occupies the central front section in the east stadium at football games. Cheer leaders, chosen and trained by the Innocents Society and Rudy Vogeler, director of intramural athletics, direct the organized cheering from in front of the stadium. Carefully worked out designs in colored cards are executed by this section during the game, adding to the brilliance of the spectacle that is modern football. The 140 piece R. O. T. C. band occupies the section in front of the cheering section during the game and drills on the field between halves. The Tassels are seated in the cheering section, while the Corn Cobs occupy a section to the left and sell programs during the game.

One or two student migrations to attend games played at other schools take place each year. Usually a special train from which all non-students are excluded is chartered and a reduced round-trip fare offered. Four to six hundred students make these trips which are under the supervision of the Student Council. Special effort is made to cultivate friendly relations with other schools in the conduct of these excursions.

### INTRAMURAL ATHLETICS.

The men's intramural sports program of the University of Nebraska aims to furnish that vast majority of students who do not take part in varsity competition, through lack of time, ability or inclination, with healthful recreative activity, exercise, social contacts and a development of good sportsmanship. About 2,000 students took part last year. The program includes seventeen sports.

Three types of competitors are included in the system; interfraternity, intercollege and all-university. All competition takes the form of either a "round robin" or an elimination tournament. The Greek letter organization vie with each other in the interfraternity sports. The intercollegiate sports program not only serves as an outlet for the non-fraternity man to serve an organized group, but also makes for college spirit and loyalty. The all-university competition provides an opportunity for both

### Saturday Is Deadline For Intramural Fees

Rudolph Vogeler announces that Saturday noon is the deadline for the payment of intramural entrance fees. The game dues apply also for physical examinations.

fraternity and non-fraternity men to enter individual competition in such events as track, swimming and boxing.

In each field of competition appropriate awards are made. Student managers have charge of the intramural sports much the same as they do for varsity athletics.

"Rudy" Vogeler, instructor in boxing, swimming and gymnastics in the department of physical education, is director of intramural athletics and largely responsible for the wide success the program is gaining.

In addition to this, the R. O. T. C. regiment takes part in an intramural track and field meet at the end of the first semester.

All this is in addition to the regular classes in physical education for which any student may register and receive university credit.

### ATHLETICS FOR WOMEN.

The Women's Athletic Association offers competitive athletics to all women of the University thru an intramural program. As member of the Athletic Conference of American College Women, it takes a definite stand against intercollegiate athletics for women. Its slogan is "every Nebraska woman in some sport and a sport for every Nebraska woman." To carry out this purpose the Department of Physical Education for women sponsors the Women's Athletic Association in offering eighteen sports at various times throughout the year.

Plaques and awards to winners of each intramural sport are given by the W. A. A. The Association also sponsors mass meetings of the women, a spring banquet, freshman tea, the annual W. A. A. tea, all dance recitals, a Christmas party for children, and occasionally brings speakers to the campus.

Heading the association are four officers chosen each year by a joint vote of the W. A. A. Executive Sports Board and W. A. A. Intramural Representatives Board after nomination by a committee appointed by the outgoing president of W. A. A. Officers for this year are LaVerie Herman, secretary; Margaret Buol, president; Louise Hossack, vice president; Jean Alden, Kimball, treasurer.

The W. A. A. Sports Board is composed of the heads of six of the more popular intramural sports. Each member sponsors that sport which she is chosen.

The W. A. A. Intramural Representatives Board is composed of representatives from each organized women's house or group, such as sorority or rooming house. This Board is responsible for all W. A. A. announcements concerning sports programs. Members select that teams from their respective groups are entered in contests and report for play at the required time.

A. W. A. A. concessions group has charge of the candy and apple sales at football games and directs this function of the association. Proceeds are used as a source for two W. A. A. scholarships, to purchase equipment, to finance the dance drama and to maintain the organization.

### W. A. A. COUNCIL MEETS

Discuss Appointment of Representatives for Intramurals.  
The W. A. A. Executive council met yesterday noon in the W. A. A. council room to discuss the appointment of intramural representatives. Final plans were made for the mass meeting held Thursday night. The organization, which is headed by La Verie Herman, president, and Louise Hossack, secretary, will also be in charge of concessions at the football game between the varsity and freshmen Friday.

## Nebraskan Reporter Boards Roosevelt Special Gets Interview With Governor

By Howard Von Holtzendorff. (Nebraska Special Roosevelt Story.)

Aboard Roosevelt Special en route Sioux City.—I am glad to hear that you are doing such fine work in "Nebraska," were the words of praise issued to the young people democratic clubs of Nebraska by Franklin D. Roosevelt in an exclusive interview aboard the Roosevelt special en route to Sioux City Thursday evening.

James R. Roosevelt, son of the democratic candidate for president, stated that he had been deeply impressed by the receptions of enthusiastic democrats in Nebraska, and being secretary of the young peoples democratic club of America, continuing said that he was very much pleased with spirit and co-operation that have been received during the tour.

Greeted by a clamoring throng of thousands admirers, Franklin D. Roosevelt arrived in Sioux City, Ia., speaking from Stockyards park where he addressed a multitude of Iowans, and in so doing proceeded to explain his farm policy and pleaded with the listeners to "assign me the task of reducing the annual operating expenses of the national government."

Mr. Roosevelt, continuing said "The farmer—and when I speak of the farmer I mean not only who live in the cornbelt but also those in the northeast who are in the dairy business and those in the south who are raising cotton and those on the plains who are raising cattle and sheep and those in the many sections of the country who are raising fruits of all kinds—the farmer in the broad sense has been attacked simultaneously from two sides.

One the one side his expenses chiefly in the form of increased taxes, have been going up steadily during the past generation, on the other side he has been attacked by a constantly depreciating farm dollar during the past twelve years therefore it seems to me to be nothing less than old fashion horse sense to seek means to circumvent both of these attacks at the same time.

That means first to seek relief from the burden of his expense account and second to try to restore the purchasing power of his dollar by getting for him higher prices for the products of the soil. These two great purposes are the basis of my farm policy.

The presidential candidates closing remarks were, "I believe in taking care of the very sick patient and that if the doctor does nothing I recommend getting a new doctor and I hope you agree

with that too." Upon board a train where even the celebrities are not of nominal importance in comparison with the prospective chief executive, United States senators and representatives along with various committeemen and committee women are all anxiously awaiting a chance to meet Mr. Roosevelt at every station, and by road peering faces anxiously planned to catch a glimpse of the noted passenger. A great man, a great crowd and the result was one of the great open meetings.

University of Wisconsin reports a nine percent drop in enrollment.

## DEPRESSION RATES

New cut in Rent-a-Car prices brings down our rates to almost one half of 1930 rates.

\$1.95 Flat Rate is made available for every day in the week (good for 10 miles, insurance, and time (afternoon and night) to 1:00 a. m.)

## 145 Store Buying Power + Make These Values Possible at

# Magee's

CELEBRATING THIRTY YEARS OF PROGRESS

## Earl-Glo lined Hand Tailored Worsted Suits

\$18.75

And . . . They Are Good  
Read what an executive of Magee's wrote to a valued customer concerning the worth of these suits—we thought it told the story so well that we've reproduced Mr. Smith's letter. If you are skeptical, come in and see for yourself. Be as critical as you like. Ask questions. The history of this merchandise is an open book. These suits can hold their own in the most careful examination.

145 Store Buying Power  
This combination purchase was made through the offices of the "Consolidated Clothiers" with one hundred and forty-five other quality stores throughout the country. Such buying power was certain to produce exceptional values.

This fall presents great advantages to merchants who are wide awake enough to grasp them . . . great savings to men who know where to look for them. Magee's has taken advantage of the times to obtain for you the most astonishing values . . . now, are you going to grasp this opportunity? Do you want a suit that has all of the style, all of the stamina of most higher priced suits at a price that represents a mere fraction of its actual value? These are the suits . . . worsteds . . . Earl-Glo lined . . . carefully styled . . . skillfully tailored . . . and guaranteed by a store that has been serving Nebraska men for 30 years.
