Coach Bible and the Cornhuskers know just what they are up against as they go into each game this season. Not only are they facing perhaps the hardest schedule in Nebraska history, but they have an even heavier burden in the realization that each opponent is desperately trying to knock them from their championship perch. However, the Scarlet outfit must take each game in its turn, because the schedule lists teams practically on a par with each other.

Nebraska should beat Iowa State Saturday afternoon. We have the ball carriers, a light but pugnacious line and a team that has demonstrated it knows the value of speed and blocking. Then, too, the squad started in this fall just where it dropped its pigskin studies at the close of spring practice.

Joe "Truck" Truskowski, assistant Iowa State coach who saw the varsity whitewash the freshmen last Saturday, carried back this report to Coach George Veenker. "They have a good bunch of backs and a good running attack but I don't think their line is as good as usual. However, they will be a hard team to stop."

I think the Husker lineemen will have a surprise in waiting for Mr. Truskowski and the Cyclone team.

Included in the Ames squad this year are three Nebraska boys. One of the trio, Don Theophilus, former Randolph, Neb., prep athlete is slated to start a fullback. He weighs 185 pounds and is supposed to know his stuff. Then there is Robert Beatty of Fremont, a tackle, and Andrew Farrell, an end. Both Farrell and Beatty are almost certain to see action.

SWIMMING CLUB HAS MEETING FOR GIRLS
First of Series of "Get Acquainted" Sessions Held in Coliseum.

The first "get acquainted" meeting of the swimming club was held Thursday afternoon at the coliseum. Four meetings are to be held for girls who are interested in becoming members of the club. The girls will be judged on their swimming ability and interest, and at the end of the time will be notified if they are selected.

About thirteen new girls attended the meeting Thursday. They were divided into teams,

which participated in a candle race, towel race, and general swimming and diving. Dorothy Charleson was in charge of the meeting.

The next "get acquainted" hour which will be held Saturday, Oct. 15, from 1 to 2 o'clock, will be in charge of Charlotte Goodale.

Baylor university will put its football team on the field this year in green knitted pants. Whether they will have a staff of chroniclers on the sidelines for emergency occasions is not known.
