## ANNOUNCE NEW ANNUAL PARTY DEVELOPMENTS

Innocents Obtain Permission From Committee for Out of Town Band.

## CLOSE NIGHT TO PARTIES

Graham Will Check Tickets To Inter-Fraternity Council Men.

Three important developments have been effected in connection with the second annual Homecoming party to be held Saturday night, Oct. 29, in the coliseum under sponsorship of the Innocents society. Permission has been obtained from the Faculty committee on Student Organizations and Social Functions to engage an out of town orchestra, the ticket sale has been specified to open Tuesday night, and Oct. 29 has been declared a closed night to all house parties and downtown parties as an economy consideration.

Because of the status which the event holds as a new tradition, following its reception by some 1,000 persons a year ago, negotiations will be carried on in the hopes of obtaining a good out of town orchestra. The faculty committee's permission was given as follows:

### Grants Approval.

"The committee grants approval of the Homecoming party to be held in the Coliseum on Saturday, Oct. 29, 1932, and grants permission for employing the services of an out of town orchestra for this particular affair."

Tickets for the affair will be checked out to members of the Interfraternity council, Tuesday night, and will actively go on sale Wednesday morning, according to Chalmers Graham, member of Innocents society in charge of the ticket campaign for the affair. Members of Corn Cobs society will also vend tickets for the party.

### No Other Parties.

Norman Galleher, chairman of the Innocents Homecoming party committee, announced late Monday afternoon that special permission had been secured from the Interfraternity and Panhellenic councils to declare Saturday, Oct. 29, a closed night to all other university social functions.

"This was effected in order to insure furtherance of the Homecoming party economy program which was begun with the suspension of traditional Homecoming decorations," he said. "We realize that were this not a closed night many organizations would feel a moral obligation to sponsor a house party or a downtown party in honor of their alumni. Such a duplication of functions would only mean added expense—the very thing which we are trying to avoid this year."

Meanwhile negotiations will be carried on for a prominent orchestra and the ticket drive will get underway.

## HARMON ANNOUNCES DEMOCRATIC MEET

Members of the Club Will Gather Tuesday in Social Science.

The members of the Young Democratic will hold a meeting in the Social Science auditorium Tuesday afternoon at 3:30, according to an announcement made yesterday afternoon by Robert Harmon, president of the club. All students, whether they are democrats or not, are invited to attend the meeting.

"Of special interest to all students, Democratic or otherwise, will be a talk by Will Maupin, prominent Omaha newspaperman," said Harmon in making the announcement. "Mr. Maupin, who is a feature writer for the Omaha World-Herald, is well-known throughout Nebraska not only for his popular newspaper stories, but also for his interesting talks. All who possibly can should make it a point to attend the meeting and hear him express his views on the candidates and issues in the coming election."

Interest Greater. With the general election little more than two weeks in the offing, interest in the campaign has become greater at each meeting, Harmon added.

Two factors, he said, have combined to arouse student interest in politics. The straw vote to be conducted by the Daily Nebraskan on Oct. 26, has done much to develop this interest. The other factor is the debate to be held between the Republicans and Democrats on the campus in the near future, with an open forum discussion after the debate.

## LAWRENCE SPEAKS AT NEXT MEETING LITERARY SOCIETY

J. E. Lawrence, editor of the Lincoln Star, will be the principal speaker at the meeting of the Delian-Union Literary society Friday, Oct. 21, at 8:30 p. m. A play and several short readings will be given by various members. Musical numbers will also be on the program. The public is invited.

## AW'S BOARD AGAIN HOLDS STAMP SALE

Jane Boos Chooses Active Girls From Houses as Salesmen.

The A. W. S. board is again sponsoring the sale of "N" stamps to aid in promoting a successful Homecoming. Jane Boos is in charge of the sale. An upperclass girl is chosen from each house to have charge of the stamps in that house. Two underclass girls are chosen from each house to canvass the downtown district.

The proceeds from the sale of these stamps is used to take care of the expenses of the A. W. S. board for the coming year. Their expenses include the printing of date cards, advertising different functions and sending members to the A. W. S. convention held each year.

Every student is asked to help in the sale of these stamps. "Be sure and put one of these stamps on every letter you write," Jane Boos urged.

## VIGILANCE GROUP TO ASK FOR RECOGNITION

To Ask Student Council for Authority to Enforce Wearing of Caps.

## TO ASSIST INNOCENTS

A petition for the official recognition of the sophomore vigilance committee was drawn up Monday to be presented to the Student Council Wednesday by instigators of the movement.

Vigilance committees met for the first time last Thursday night at the Sigma Nu house. At this meeting plans for the organization of a permanent committee were discussed and a resolution was adopted providing for a committee to draw up a formal petition. Charles W. Steadman was chosen temporary chairman and Edgar Apking temporary secretary. Permanent officers are to be elected at a meeting to be held Wednesday evening at the Delta Tau Delta house.

Believing that the Innocents society should have help in the enforcement of the freshman cap tradition, the sophomore committee proposes to co-operate with the senior honorary group in enforcing the tradition. The petition provides for one sophomore member from each fraternity on the campus and ten non-affiliated sophomores to form the committee proper.

### Physical Violence Forbidden.

"Physical violence will not be permitted," states the petition in compliance with the mandate issued by the Student Council president last week. The committee proposes to instruct all incoming male students in the matter of wearing freshman caps, attempting to persuade all freshmen that the wearing of the scarlet and cream caps is an honor and that it will be best for the men to follow the tradition set up by the Innocents society.

"We expect our real strength to be in the fraternities and organized barb clubs," Apking stated in regard to the enforcement of the tradition. "Every fraternity and organized barb club has its own disciplinary system and as nearly every organized group has promised to co-operate with us, we are sure that most of the affiliated freshmen will wear their caps. Our real problem lies in dealing with the barbs who are as yet unorganized, but methods will be devised to cope with them."

She also plans to conduct a morning session of the citizenship school at the city Y. W. C. A.

In addition to Mrs. Ramsey's speech, the committee from the city Panhellenic organization is planning a program of music and other entertainment.

MAUCH CHUNK, Pa. (AP). Two men from New York City were arrested here this month and accused of selling fake scholarships to West Point, the United States military academy.

According to officials who made the arrest the two had posed as agents of the war department and had secured "fees" from wealthy citizens who wished to send their sons to West Point.

One citizen, whose name was not revealed, was said to have given the men \$5,000, and another \$500.

## STUDENT COUNCIL SPONSORS SPECIAL FOR KANSAS GAME

Train Will Leave Lincoln at 6:30 a. m. Saturday for University Town.

## RETURN ABOUT 11:30 P. M.

Innocents, Officials Endorse Railway Transportation Rather Than Cars.

An all-student special train is scheduled to leave for Lawrence, where Nebraska will play Kansas, at 6:30 o'clock Saturday morning, and to arrive at the scene of the contest at noon. It will take off from the opponents' town about 11:30, arriving in Lincoln early Sunday morning. Round trip rates for this student migration will be 54, which is the same price charged two years ago.

No alumni or Lincoln gridiron fans will be on the train since it is for students only. According to an announcement made Monday an effort is being made to encourage students taking advantage of the special rather than drive as many are planning to do.

Definite plans for the sponsoring of the event will be made at the meeting of the student council president of the student council, assures the student body that this organization is making every possible effort to insure a successful trip. Brownell says that since it is entirely a student affair students will find it more enjoyable to go by train than by car.

### Encourages Spirit.

"It is urged that all students use this special rather than drive," stated Bill Eddy, chairman of the student council committee. "As there is going to be plenty of school spirit among the passengers." He believes that more enthusiasm can be worked up on the train than when students go in small parties.

John K. Sellock's statement indicates that the faculty endorses the train special rather than private cars. "We certainly think that it is a lot safer to go by (Continued on Page 3.)"

## KOSMET KLUB TO AGAIN AWARD THE MAGEE SKIT CUP

Special Trophy Won Last Year by Kappas and Delta Upsilon.

The Magee cup, awarded annually to the student organization presenting the skit judged by the audience to be the most entertaining in the Kosmet Klub Thanksgiving morning revue, will be presented again this year. It was announced yesterday by Jack Thompson, president of Kosmet Klub.

The cup, which was donated by Magee's to the Klub, was presented for the first time last fall at the Kosmet Klub fall revue. Winners of the cup, who share in its possession for the year, were Kappa Kappa Gamma and Delta Upsilon, who presented a musical revue.

The cup will be awarded on the same principle this year, Thompson stated. The applause of the audience will decide the winner, but there is also the possibility that a non-student committee will be appointed to select the four best acts from which the audience will pick the best. Plans for the committee are not yet definite, however.

Only one more day remains in which to turn in applications for skits. The deadline is Wednesday, Oct. 19, at 5 p. m. ## CORNHUSKER REPORTS MANY PICTURE ORDERS

Photographs for Year Book Are Coming In Rapidly Says Spenser.

Reports from Hauck's and Townsend's studios, according to the editor of the Cornhusker, show that a large number of student pictures have already been taken for the 1933 year book.

The junior and senior and fraternity and sorority editors have been working with their staffs to see that all students who wish their pictures to appear in the Cornhusker make the necessary appointments at the photographer's.

The editor also announced that all of the staff editors are to report at his office for a personal interview some time this afternoon. The members of the junior and senior and fraternity and sorority staffs, as well as the editors are asked to report.

Spencer requested that fraternities and sororities co-operate with the Cornhusker in having their members photographed, pointing out that only a few minutes are necessary for each person to obtain a sitting now. When the winter rush season starts at the studios it will be much more difficult to get appointments.

A feature of the October issue is a page devoted to the "Girl of the Month" showing a portrait and brief appreciation of one of the outstanding girls on the campus. Two former Nebraskan editors are among the contributors to the October issue, Bill McCleery and Art Wolf. Mr. Wolf's contribution is an ew slant on football romance entitled "All-American Lover."

"It is expected that the sales this year and for the next issue will be greatly increased," said Mr. Koloue. "Students must give their entire support in order that the magazine may succeed. Complete co-operation is essential for the continued success of the magazine.
