BURNETT TO GET PETITIONS FROM BASEBALL FANS

Organized Houses Asked to Help in Restoring of National Sport.

GATHER PAPERS FRIDAY

Freshmen Ag Students Aid in Getting Support of Fraternities.

Petitions bearing the names of students favoring the reinstatement of baseball into the varsity athletic program will be presented to Chancellor E. A. Burnett sometime next week, according to P. W. Meredith, instigator of the plan for getting the sport back.

Work of gathering all of the petitions from all organized houses will be accomplished Friday and Saturday, Meredith says. Over forty houses have the petitions and have been asked to support the movement to get the national pastime back into the athletic program. Freshmen students in the college of agriculture distributed the petitions to the houses sometime ago.

Students Favor Return. "Despite the fact that there has been a lull in the activity of getting the petitions gathered from all houses, the enthusiasm for the return of the sport is not decreasing," Meredith declared Thursday night. "We are absolutely certain that the majority of the uptown students are in favor of the plan, and men and women on both campuses are working together harmoniously in the project."

If the petitions contain as many signatures as expected, they should have considerable influence with the administration, backers of the plan point out. The goal, when the plan was first instigated, was for 2,000 names on the petitions. Meredith said Thursday that he expected the quota of signatures to be secured by this week end.

SENIOR LAW CLASS HOLDS STRAW VOTE

Republican Candidates for President and State Offices Win.

The senior law class of the University of Nebraska registered their opinions on the present political situation at a meeting yesterday afternoon in the law college which resulted in a republican landslide. The effect of this poll is especially noteworthy due to the fact that these members actively engaged in political pursuits and their enunciations denote the trend of a considerable portion of our future public officials.

Bryan Falls to Score. The official results as computed by the president of the senior law class, Arthur Griswold, and the secretary, Dick Ricketts were as follows: Hoover 22 votes, Roosevelt 14. In the gubernatorial poll the republican candidate, Dwight Griswold received 24 votes while the present incumbent, Governor Bryan failed to receive a single vote. The poll in regard to a single vote of attorney general netted Paul Good 18 votes while his opponent Sorenson 13.

As a climax, the meeting declared itself in favor of the eighteenth amendment by a close vote of 18 to 14.

COLLEGE PAPER IS SUSPENDED BY DEAN

NEW YORK.—Because it failed to comply with a faculty censorship order, The Ticker, student newspaper at the New York City college school of business, last week was suspended by Dean Justin H. Moore. He had demanded that all copy for the paper be submitted to members of the faculty before publication. Editors refused to accept the order on the ground that it was not "consistent with the ideals of student freedom and editorial liberty."

Cribbing During Exams Is Symptom of Common Disease, Says Dr. Patterson.

"Cribbing on the part of college students is a symptom of a disease which afflicts people in all walks of life," said Dr. C. H. Patterson of the philosophy department in a talk at a joint meeting of two Y. M. C. A. groups, the Freshman Council and the Engineer's Huddle, which was held in the Temple building, Wednesday evening. "The disease is none other than that of a self-centered life, in other words, an attempt to get something for nothing or to get out of life more than is put into it."

"The business man who tries to accumulate a fortune by putting something over on the public, the lawyer who charges as much as he thinks he can get by with, the doctor who thinks more of himself than he does the welfare of his patients, the politician who seeks office to advance his own personal

Services of Lincoln Churches to Be Held Sunday Particularly for University of Nebraska Students

Lincoln churches will co-operate with the University of Nebraska next Sunday, Nov. 6 in holding the annual All University Church day. Special sermons and music appropriate for the occasion will dominate the programs in most of the Lincoln churches, which have extended special invitations to all university people to attend.

At the Methodist churches in the city special services will be held in both the church and young people's meetings. An added feature is known as Affiliation day when all who wish may affiliate with the Methodist churches during the school year, retaining their membership in their home churches.

Special speakers have been secured for the University day program at the United Brethren church. In the morning, Professor Doty of York college will speak at 11 o'clock. In the evening Prof. W. B. Johns of the Teachers college high school will talk, speaking from the standpoint of the faculty members. He will be followed by Miss Wilhelmina Feenster, who will speak from the standpoint of the students. The evening service will begin at 7:30 o'clock. There will also be special music for the occasion.

Feature Cathedral Choir. "Changing Human Nature" will be the title of a special sermon for university students at Westminster Presbyterian church Sunday morning, to be given by Rev. Paul Johnson, Dr. Dean R. Leland will assist in the service, and the Great Cathedral Choir will be heard in special music for the occasion.

BURNETT MINIMIZES DANGER OF WARRANT

Auditor's Statement Not of Immediate Concern to School, He Says.

DEFICIT OVER MILLION

Declaring that warrants may have to be registered by the state for payments from the general fund, Deputy State Auditor Harry Parsons issued a warning Wednesday that expenditures from the fund must be cut down. Such warrants which are issued in lieu of cash payments bear interest and are payable by the state as soon as the general fund is re-established.

University professors as state employees would be subject to payment in such manner in all probable ability, according to Chancellor Burnett. The possibility of such a state of affairs was minimized, however, by the chancellor, who declared that since the legislature is to meet in such a short time, measures would likely be taken for meeting the emergency.

Even if such warrants were issued in payment, before the legislature meets, the chancellor said, in all probability they would be paid up in a short time after the legislature had met.

Have Been Issued in Past. Warrants have been issued in times past to pay state employees, at one time such warrants only being received by banks at a discount.

Parsons declared that the present "term deficit" in the general fund amounts to \$1,610,077.17, based on the difference between receipts of the general fund, mostly tax collections, and expenditures for the period July 1931 to Nov. 1 of this year.

Explaining details of the auditor's report, Parsons pointed out that the balance at the beginning of the biennium was \$2,103,665.22. Deducting \$1,610,077.17 leaves a balance of \$493,588.05.

ELECTION RETURN PARTY IS PLANNED

Young Democratic Club Sponsors Dance for Tuesday Night.

The Young People's Democratic club of the University of Nebraska announced late today that they would sponsor an election return party at the Hotel Lincoln ballroom, next Tuesday evening, Nov. 8, beginning at 8:30 o'clock. Eddie Jungbluth has been secured to play for the occasion, and from time to time the election results as they come in by Western Union will be posted on a large blackboard.

POLITICIAN PUTS COLLEGE MAN ON LABORER'S LEVEL

The average graduate comes out of the college prepared to do approximately the work of an unskilled laborer, except that his muscles are usually too soft to do any strenuous work—so said Joseph Scott, republican party leader, in a recent interview. Scott, white haired, square-jawed, and with an iron countenance approximating the American ideal of a statesman, felt himself to be an authority on college men. He has put four sons through.

"The taxpayers," he went on to say, "shovel out money by the barrelful in this country for education. We ought to be able to develop some intelligence and public-spiritedness among the undergraduates of our colleges."

services for the students Sunday morning with special music and sermon.

Included in the All University day program at Second Presbyterian will be a free lunch and special young people's program at 6 o'clock in the evening. Special church services will also be held.

Election Sermon Planned. The annual election sermon will be presented at First Plymouth Congregational church Sunday morning. Wilbur Chenoweth will be heard at the organ and a carillon choir of fifty will present special music. At 6:30 o'clock in the evening the forum election will be held.

NEW POLITICS BRANDS STIR AT JOINT MEET

Lively Audience Expresses Views Not Previously Emphasized.

The open forum and discussion held jointly by the three organized political groups on the campus, was a lively meeting in which not only the three representative speakers explained the stand of their parties on present problems but into which the audience entered, bringing out views and ideas that have gone unvoiced heretofore.

Charles Gray, socialist, was the first speaker recognized by John Gepson, who presided as chairman. He gave a very pointed talk in which he did not stick to any set procedure, delving immediately into the heart of the issues being debated at the present time.

The second representative, who presented the democratic side of the discussion, was Howard Holtzendorf. After calling attention to the fact that prohibition was not an issue in the present campaign, he proceeded to criticize the general farm board.

"Farm Board Success." Ignoring the socialist party and stating it has no place in the present campaign, Charles Steadman confined his address principally to the protective tariff, pointing out that a high protective tariff is indispensable for the good of the country. His final statement was that the farm board has been a success which assertion immediately started a lively discussion.

DRAMA CLUB SELECTS PLEDGES AT MEETING

Organization Takes in Six After Tryouts Before Entire Group.

Six pledges were selected by the dramatic club at its regular meeting Thursday night in the club rooms of the Temple. They were selected after dramatic tryouts before the entire club.

Those who were selected are Katie Fern Clark, Delta Gamma; Howard Wheeler, Alpha Sigma Phi; Marion Brown, Delta Delta Delta; Gwendolyn Meyerson, Sigma Delta Tau; Francis Sturdevant, Alpha Sigma Phi, and Ray Squires.

The club committee which selected the pledges was composed of Reginald Porter, Jane Robertson, Lee Young, Neil McFarland, Fred Nicklas and Gay Miller.

Second Tryout. This is the second pledge tryout which the club has held this year, the first being two weeks ago when nine were selected. This makes a total of fifteen pledges, which, according to Lee Young, club president, will probably make up the group for the semester.

These six students were selected after they had presented some sort of dramatic effort to the committee, including poems, character sketches and humorous skits. They were judged on their poise, stage appearance, voice, reading ability and general characterization. Each presentation lasted from three to five minutes.

In addition to being scholastically eligible, the pledges must produce skits before the members of the club which meet with their approval before they will be initiated in the spring.

POLITICIAN PUTS COLLEGE MAN ON LABORER'S LEVEL

The average graduate comes out of the college prepared to do approximately the work of an unskilled laborer, except that his muscles are usually too soft to do any strenuous work—so said Joseph Scott, republican party leader, in a recent interview. Scott, white haired, square-jawed, and with an iron countenance approximating the American ideal of a statesman, felt himself to be an authority on college men. He has put four sons through.

"The taxpayers," he went on to say, "shovel out money by the barrelful in this country for education. We ought to be able to develop some intelligence and public-spiritedness among the undergraduates of our colleges."

OTHER ANNUALS SELL FOR MORE THAN NEBRASKA'S

Correspondence Reveals That Cornhusker Is Priced At Low Figure.

STAFF CONDUCTS DRIVE

Cheap Price Is Result of Cooperation of All Student Body.

Correspondence with business managers of annual publications in twenty-five other schools has revealed that the 1933 Cornhusker is the lowest priced book, not only in the Big Six, but in any of these schools, Charles Ekade said yesterday. The Hawkeye, published at the University of Iowa, is priced at \$4.50, and the others are being sold for between five and six dollars.

"From these figures it is evident that the students of Nebraska university are getting a real bargain that cannot and will not be duplicated after the opening sale, which is quickly drawing to a close, has ended. Everyone is urged to order a Cornhusker from a Tassel, a Corncob or a staff member during the next two days," he declared.

One of these salesmen may be found at all hours of the day at the booths in Social Science, Anderson Hall or at the Cornhusker office in the basement of University Hall.

Books for Orders Only. "Get your book now—don't be left behind. Absolutely no extra charge." (Continued on Page 2.)

GIRLS HOBBY CLUBS HAVE BEEN ORGANIZED

Big Sister Board Completes Plans for Avocations To Be Pursued.

The Hobby Clubs sponsored by the Big Sister Board were definitely organized Wednesday evening when a mass meeting was held of all those girls interested in Hobby Clubs. About 50 girls were present. Miss Elsie Ford Piper, assistant dean of women, who is very greatly interested in the work, addressed the girls after being introduced by Deloris Deadman, president of the board.

Miss Ford in speaking to the girls, stressed the individuality of having a hobby since it is something that one chooses for oneself. After talking of the clubs in general she stressed the Charm School in particular. Here is afforded an opportunity for girls to develop their poise, manners, attractiveness, and charm in general that is so necessary to a woman.

Following Miss Piper's talk, Alice Geddes, a member of the

NIGHT CLASSES HAVE LARGE ENROLLMENT

Registration 325 Reported By A. A. Reed, Director Of Extension.

The extension department reports that there are 325 enrolled in the forty night classes of the university.

"I am very well pleased with the results of the classes," said A. A. Reed, director of the extension division. There are fifteen towns in Lincoln represented in the classes. Roy E. Cochran's class in "History of the American Revolution" has the largest enrollment.

Many Large Classes. Other large classes are those offered in accounting, business English, history, economics, photography, dramatics, short story writing, advanced educational psychology, home furnishing selection and education.

EDITOR ASKED TO JUDGE

Wimberly One of Three Who Will Consider Stories In New Contest.

L. C. Wimberly, as editor of the "Prairie Schooner," has been asked by Professor R. S. Howes of Washington university to act as one of three judges in the short story contest, sponsored by the St. Louis Writers' Guild. Mr. Howes said that they are attempting to get a larger representation from the middlewest. The other judges are George Milburn, well-known American writer, and John T. Frederick, editor of the "Midland," published at Chicago, Ill.

Dad's Day Edition Free to Students. Free copies of the Dad's Day edition of the Daily Nebraskan will be given any student at the Daily Nebraskan office any time this week. Lincoln students are urged to give these copies to their fathers.

Game Captain.

Chris Mathis, Tecumseh backfield star who has been turning out a fine performance all during the season this year will act as game captain at the Iowa game Saturday. One senior football player is acting in this capacity for every game this season.

NOVEMBER ISSUE OF AWGWAN WILL LIST BLIND DATES

Publication Will Appear on Stand November 21, Kotouc States.

A "Blind Date" chart will feature the November issue of the Awgwan which will be placed on sale Nov. 21. A list of the names of girls who accept "blind dates," their telephone numbers and addresses will appear in the issue to satisfy the desires of the men students of the university, according to Otto Kotouc, business manager of the magazine.

The cover of the magazine, which has been drawn by Marvin Robinson, former editor of the magazine, portrays the military ball. A special section inside of the magazine will be devoted to the military ball.

Sororities Select Pledges. Several sororities have each selected a pledge as the prettiest girl in their group and their pictures will appear on one of the front pages. As usual, a girl will be chosen as the "Girl of the Month." The identity of the girls who will be honored will not be disclosed until the issue is put on sale.

"Many organized houses have sent in their orders since the block sales campaign has closed. This brings the block total very close to the number sold in former years," stated Kotouc.

FORDYCE COMPLETES TEST OF CANDIDATES

Young Citizen Aspirants Are Examined for State Wide Contest.

Dr. Charles Fordyce of the teachers college completed final tests for candidates in the "Young Citizens' Contest," Tuesday, being held in connection with the annual Ak-Sar-Ben livestock show this week in Omaha. Several student assistants aided in the giving of the examination.

Candidates for the final examination were selected by A. A. Reed from various state districts. All of these results were tabulated in the university extension division. According to Dr. Fordyce, performances of six candidates indicated a "norm" equal to that of the college student. The contest was limited to high school students.

Dr. R. G. Clapp and Miss Mabel Lee of the department of physical education, had charge of the physical examinations of the candidates. The competition was based on physical fitness, intellect and civic achievements of the youngsters.

UNIVERSITY AIDS IN SURVEY

Members U. S. Geographical Department Come Here To Check Work.

Two members of the United States geological survey department have been in Lincoln the past week checking the work being done in co-operation with the University of Nebraska.

Dr. W. G. Alden, who is in charge of the study of placostene deposits spent the week in the field with Dr. G. E. Condra, director of conservation and survey, and Dr. A. L. Lugin, assistant professor of geology, checking the geological survey work which has been done in the past three years by the University of Nebraska. He returned to Washington Saturday.

Dr. O. E. Minszer, head of the water survey department of the United States, spent the week checking the progress of the survey of the Platte valley, being made with the co-operation of the University of Nebraska survey department. The work will be completed this year and the reports published in book form.

HUSKERS PREPARE FOR IOWA BATTLE

Mathis, Game Captain, Suffers Injury and Is Not Expected to Start in Saturday's Game Against Hawkeyes; However He Will Make Iowa Trip.

SECOND INJURED GAME CAPTAIN IN TWO WEEKS

Nebraska Party Will Leave on Rock Island Friday Night With Twenty-Six Players and Staff With Managers, Physicians; Sauer and Ely May Rest.

This appears to be open season on game captains at Nebraska. Last week it was Corwin Hulbert who decorated the bench as the result of an infected arm and now little Chris Mathis, captain for the Iowa game, has been injured to the extent that he is not expected to see service against the Hawkeyes.

Mathis suffered a groin injury in Wednesday's scrimmage and his chances of playing Saturday are slim. He will make the trip to Iowa City, however.

The Husker party which leaves over the Rock Island at 12:35 Friday night will include twenty-six players, three coaches, two physicians, Business Manager Selleck, Ed Sichel, senior manager and one equipment man.

Sauer Fit. George Sauer's hand has been

SENNING THINKS POLL RESULTS INACCURATE

Instructor Believes Straw Vote of University Not Expressive.

AFFECTS OLDER PEOPLE

That the various newspaper straw vote polls, including the Literary Digest poll, show more accurately the trend of the ideas of the citizens than do those staged by universities was expressed by J. P. Senning, chairman of the Political Science department. "This," he said, "is due to the fact that the students voted on an ideal standard. They think abstractly, while the older people vote according to the way their immediate interests are affected by political conditions. That is why they think in the concrete. When the students actually become affected by the immediate results of the election then they will also think in the concrete."

"Also many students vote as their father votes. They are perhaps voting for the first time for a president and many are participating in the poll who do not have the right to vote in the regular election. This is probably the reason why there is a difference in the results of the university and other polls."

As to the chances of people changing their minds immediately before the election, Mr. Senning said, "It is my own belief that the great amount of energy that has been made by political parties in campaigning has had very little effect in changing the minds of the people in their intentions to vote."

"The vote next Tuesday for many people is more in the nature of a protest vote rather than a vote for a candidate. They have made up their minds long ago—any argument would be hard to explain the results of the straw votes."

"I believe that the largest vote that has ever been cast will be cast this year. This is due to the fact that the 'economic pinch' is so acute that people find their only hope through ballot."

According to Mr. Senning, the results of the universities' polls will not affect the opinions of people out of school in any way due to the difference in opinion.

Dr. Fordyce Addresses Boy Leadership Group

Dr. Charles Fordyce, instructor of psychology and education, spoke on "The Nature of a Boy" before the class in principles of boy leadership which met at the Lincoln high school Tuesday evening. This was the first meeting of the school training school in boy leadership, for which more than 100 men have registered.

Campus Y. W. C. A. Outlines Activities That It Sponsors for University Girls

The Y. W. C. A. on this campus sponsors a complete program of necessary activities each year. So necessary activities, weekly vesical dancing classes, weekly persons, freshmen commission groups and social welfare are supported by this organized group of women.

Dancing classes are held each Friday from 7 to 8:30 in Grant Memorial Hall with members of the "Y" giving instructions. All students of the university who wish to learn dancing may attend the only devotion period on the campus which girls may attend of the weekly vesper service at Ellen Smith Hall. Special programs are arranged for these meetings. The vesper choir, composed of all university girls, furnishes the music at each service. Freshmen commission meetings are held to enable the new girls on the campus to become acquainted and discuss

taken out of splints and pronounced fit but Coach Bible indicated that he would not use the husky backfield ace as "we are taking no chances." The Husker mentor wants to be sure his hard hitting back is in shape for the Pitt battle.

Bible plans to give Lawrence Ely, center, a rest if at all possible and use Franklin Meier, who has been playing a great game at the same position, in his place.

Kilbourne Injured. Bruce Kilbourne, end, is another veteran who will probably be kept on the sidelines. He has been bothered with a knee injury.

Thursday's workout was devoted to light warming up exercises after which the varsity was content to watch the Nubbins and Freshmen run thru Iowa plays for its benefit.

Gridders to Make Trip. The following gridders were nominated for the Iowa City jaunt: Hulbert, Ely, Boswell, Campbell, Copple, DeBus, Fahrbruch, Hokuf, C. Hulbert, Hubka, Joy, Kilbourne, Masterson, Miller, Meier, Murray, Mathis, Mehring, O'Brien, Overstreet, Pfum, Penney, Schluter, Staab, Sauer and Scott.

Nebraska's starting eleven will probably find Hokuf and Penney, ends; O'Brien and Schluter, tackles; DeBus and Bishop, guards; Ely, center; Masterson, Jack Miller, Fahrbruch and Boswell, backs.

The squad will arrive home Sunday morning at 10:30.

Y.W. LEADERS GATHER TO DISCUSS FESTIVAL

Captains Extend Deadline Of Campaign to First Of November.

Captains and leaders for the Y. W. Fall Fund Festival met for lunch at Ellen Smith hall to turn in results of the campaigns so far. The time for the drive has been extended to Monday, Nov. 7.

The speaker for the occasion was Mrs. Green, a former Y. W. secretary in this university and at present a member of the board of directors. Mrs. Green stressed that she was talking to girls who were sincere in their work and who believe in the work of the organization. She said that in talking with girls, the solicitors should urge them to sacrifice something of their worldly desires for an intangible thing in order to keep a character building institution alive. She continued by saying: "The Y. W. has had a long and glorious life here, and it cannot die." Her speech was concluded with the statement that the city Y could do its duty much more easily if the university Y did its part.

Sophomores High. After a report had been made by each class leader, the sophomores were found to be the high class and Beth Schmid the high girl in the campaign.

The girls are all working industriously on the drive and their work will not be without reward for the highest girl in the highest class will receive \$20 toward a trip to the Y. W. convention at Estes park.

The time limit for the drive has been extended to Monday. There are still three days in which every Nebraska girl can have an opportunity to give to the Y. W. C. A. Every one can give if she is only willing to sacrifice some little material pleasure in her life. One girl who was sincerely interested in Y. W. work had exactly \$50 over and above her tuition, on which to live one semester and she managed to give \$10 to the Y. W. C. A. If everyone would only develop this spirit, the drive could be unusually successful.

Organized Girls. The Y. W. C. A., as a highly organized group of girls, is able to sponsor all these activities by money received from the common chest, membership fees, gifts and contributions from sustaining members. The salary of the Y. W. secretary must be paid, the entire program financed, magazines, books and equipment purchased and the relief program supported by this budget.

Each university girls is urged by members of the Y. W. C. A. to take part in some of all these activities. All university girls should support the Y. W. C. A. in all activities.
