

Husker Cagesters Ready for Saturday Night

KAGGIE TILT IS INITIAL BIG SIX GAME AT HOME

Seven Last Fall Football Men on Lineups of Two Teams.

When the Nebraska five lines up against the Kansas State quintet tomorrow night on the Coliseum court, Husker fans will get a chance to see a number of their much-talked-of footballers in close-up action. On the Browne team four of last fall's gridsters will be seen on the starting lineup, Bud Parsons, Hub Boswell, George Sauer, and Steve Hokuf making up the quartet. With Breen or Russell and Graham answering the call in the visiting lineup three of the Aggies erstwhile backfield performers are to offer battle during the evening.

Fans will remember that Dougal Russell is the man from Manhattan who tore things up in good fashion at Memorial field this fall when the Scarlet edged out with

BEAT KANSAS!

Every student who can possibly do so is urged to take part in the big rally to be held Saturday night just before the basketball game between Nebraska and Kansas State.

Student support has been lacking in enthusiasm so far in the basketball season, and since the Kansas-Nebraska game is the first home conference game, a lot of pep is needed in order to assure Nebraska of victory.

A parade will form at 7:15 tomorrow evening in front of the Temple building. The band, Corncocks, and Tassels will lead the parade thru 16th st. and finally to the Coliseum, where a huge rally will be held just before the game.

Let's go, Corncocks! Let's go, student body!

a 6 to 0 win over the Kansans. Last season when the Corsaut men invaded the Nebraska gym the Huskers won their only home victory of the season and tomorrow evening it is probable that things will be close. Last Friday the Huskers fell before Kansas, 32 to 29, in a close scrimmage while the Aggies did likewise Monday night, Bill Johnson burying them under a 22 point barrage as he and his teammates trimmed Kansas State, 36 to 24. Nebraska has also gone down under Missouri's attack, while the Corsaut five fell before Oklahoma.

In tomorrow's game Coach Browne is starting his five high scorers during the present season, and during the past week has been laying the stress in practice sessions on drilling on plays. Besides the starting lineup as stated below Leland Copple, Bob Belka, George Wahluist, and Paul Mason are likely to see plenty of action.

Steve Hokuf's return to the lineup has meant a lot to the Nebraska team this last week, the scrimmages with the freshmen showing that the varsity has developed added scoring punch. Walt Henrion has been pouring them thru the hoop in good fashion, and with good ball handling enabling the Brownemen to break smoothly plenty of scoring has been the fashion.

The shining lights for the Aggies this winter have been Boyd, guard, who sinks his quota of shots each evening; Dalton, a six foot four inch center, and Skradski, veteran forward, who furnishes a fine floor game.

John Wulf, who refereed the Minnesota game here a week ago is to officiate Saturday evening. Preceding the main event there is to be a tilt between the Nebraska "B" team and Luther college of Wahoo, at 6:30 p. m.

The probable starting lineups:

| | | |
|-----------|-------|------------------|
| Nebraska— | pas. | —Kansas State |
| Parsons | | Skradski |
| Boswell | | Graham |
| Henrion | | Dalton |
| Sauer | | Breen or Russell |
| Hokuf | | Boyd |

KANSAS COACH SEEKS CONDITIONED QUINTET

Jayhawkers Prepare to Meet Oklahoma Basketball Team Saturday.

LAWRENCE, Kas.—A drive for better condition of the individual athletes is the problem set for himself this week by Dr. F. C. Allen in preparing his University of Kansas basketball team to meet the Oklahoma Sooners at Norman, Okl., Saturday. The Sooners were picked by Dr. Allen early this season as the most likely contender for championship honors this season in the Big Six, and he says yet that his glimpse of the Oklahoma team in action when it defeated the Kansas State team 28 to 16, at Manhattan last week did nothing to alter his opinion.

"The Sooners are as fast a breaking team, and as clever a ball handling team as I have seen in a long while," the Kansas coach said on his return here from the game. "The Kansas team will have to be better conditioned to stand any chance of staying with the Oklahomans all the way."

The statement of Dr. Allen that Kansas is a great twenty minute team needs but little altering, he said, following the 36 to 24 victory of the Jayhawkers over the Kansas Aggies here this week. "The boys can go at top speed about twenty-five minutes now," Dr. Allen said, "but I have hopes of getting them trained down until they give some team a good game all the way some of these days."

Against the Aggies the Kansas team rolled up a 28 to 10 lead at the half, to see themselves outscored 14 to 8 in the second period.

Great Playing.
It was the great playing of Bill Johnson, all-conference center, both on defense and offense, that put the Jayhawkers over in the Aggie game. Johnson personally accounted for 22 of the Kansas points. He was "hotter than hot" in this game, and had he not been so the game would have been a mighty close affair.

As the dope now stands Oklahoma and Kansas rate a toss up for the game Saturday, each having defeated the Kansas State team by twelve points. But Kansas fans are giving Oklahoma considerable edge because of their veteran and clever basket shooters and ball handlers and the fact that the game is played at Norman where Oklahoma teams in any sport have always proved tough to beat. Kansas never gets full advantage of playing on the Jayhawker home floor as the Jayhawkers must practice in the gymnasium and play in the auditorium, seldom if ever getting to practice in the auditorium except in the holiday season.

Should Oklahoma be able to hold Johnson scoreless or to a few baskets in the coming game it is a question whether Kansas can make many counters. Paul Harrington and Dick Wells have been able to connect for two or three goals in other games this season but have never gone on a scoring spree. Schaake and Gray, the Kansas guards, score but little. Ernest Vanek, regular guard who was out of the Aggie game because of injury in the Nebraska game probably will be in the lineup against Oklahoma. If Vanek's absence from practice the past few days have not slowed him down too much he may be a valuable scoring threat against the Sooners as his basket eye was getting rather good in the late non-conference frays.

Both Johnson and LeCrone, the Oklahoma center, controlled the tip over Dalton, the Kansas State giant, so the matter of getting the

tip in the coming game seems to be in doubt.

The Kansas cage squad will leave here Friday night by train for Oklahoma City and will go from there to Norman sometime late Saturday.

NEBRASKA B TEAM TO PLAY TWO COLLEGES

Second Squad Encounters Dana and Luther This Week.

Playing Dana college in their second game this week the Nebraska "B" team is to leave for Blair this afternoon to do battle with the Vikings. The "B" outfit defeated Cotner Tuesday evening on the Ag court 34 to 27 and Saturday night is to play its third game of the week against Luther

college as a preliminary tilt preceding the Kansas State-Nebraska game, starting at 6:30.

The probable starting lineup includes Irving Walker, Herman Levinson, forwards; Herb Hartley, center; Tom Snipes and Louis Schick, guards. The men making the trip are Irving Walker, Herman Levinson, Merrill Lee, Bill Ralston, forwards; Herb Hartley, Lloyd Long, centers; Tom Snipes, Louis Schick, Glenn LeDoilyt, Bob Chase, guards.

Geological Survey Will Sponsor Driller's Meet

The Geological survey department is assisting in a program for the State Well Drillers association meeting which is going to be held at the University of Nebraska, February 21, 22, 23. The National association is to meet jointly with the State association. Several university faculty men including Dr. G. E. Condra, director of the association; O. R. Martin, A. L. Lugn and C. J. Frankforter, are on the program.

6 o'clock means nothing to telephone service!

Bell System service must go on all the time. Day and night, Sundays and holidays, it must handle with speed and accuracy not only the usual traffic but also the unexpected rush of calls.

To meet this obligation, Bell System men tackle problems of many kinds. At Bell Telephone Laboratories, scientists develop new kinds of apparatus. At Western Electric, engineers find ways to make telephones, switchboards and cable more and more reliable. In the telephone companies, traffic engineers devise improved operating methods that make service faster, more accurate, more dependable.

Result: at noon or in the dead of night, the public reaches confidently for the telephone, knowing that Bell System service never stops.
