

**SCHULTE CINDERMEN
PRACTICE OUTDOORS
TUESDAY AFTERNOON**

Weather Permits Huskers to Use Quarter-Mile Track First Time This Year.

With the mild weather Tuesday permitting his candidates to get outdoors on the quarter-mile track for the first time this season, Coach Schulte plans to hold the third Tri-color meet of the year Thursday afternoon at 4 o'clock. Men who are out for track, but do not compete on the varsity team take part in the Tri-color competition.

Last Wednesday afternoon the second of these meets was run off with the Green squad taking honors. This team scored 77 points, the Reds came second with 68, and third was the White crew with 55. Events to be run off are the mile run, 880 yard run, 440 yard dash, 50 yard dash, 50 yard low hurdles, 50 yard high hurdles, high jump, broad jump, shot put and pole vault.

Varsity trackmen are now on the outdoor cinders, and are preparing for the four meets billed for this spring. On April 22 they will journey to Lawrence, Kas., to the Kansas relays, on April 29 to Des Moines for the Drake relays, on May 13 Minnesota comes here for a return dual meet, and on May 27 the Big Six championships are scheduled for the Nebraska track. Although Nebraska is doped to be Big Six champ, Oklahoma and Kansas are hardly rated as push-overs, for the Sooners tied Schulte's men 33 to 33 for the indoor title, and not far behind came Kansas with 29 1-2 counters.

The outdoor cinders are in fine condition and times are expected to improve over those set up inside on the 256 yard stretch. The difficulty with the sheltered track is that the short corners slow up speed considerably, because the runners must cut their speed considerably in order to avoid pulling muscles.

Freshmen at Lynchburg college, in Virginia have chosen as their motto "Green things must grow."

BOXING ENTRIES.

All university boxing entries will be received at the Athletic office until Friday afternoon at 5 o'clock. Drawings are now being made for the Interfraternity Golf and baseball competition.

**SPRING GRIDIRON MEN
TO SCRIMMAGE TODAY**

Coach Plans Full Time Game Between Bulldogs and Tigers Saturday.

Coach Bible plans to send his spring football candidates thru a short scrimmage in Wednesday afternoon's practice, and Saturday afternoon there will be a full time game between two picked teams, the Bulldogs and Tigers. In a scrap between these two elevens two weeks ago the Tigers won out 6 to 0 by virtue of Ralph Eldridge's last quarter touchdown.

Tuesday afternoon fundamentals and plays were dealt with in a two hour session. Coaches Browne and Weir had charge of the linemen and the backs worked out under the tutelage of Head Coach Bible.

Plays which have been run off this spring provide for a diversified attack next fall. With more weight appearing in the lineup, power plays are coming back for more attention, following a year of open field play. Besides additional weight, some new speed is due to show itself next fall if present prospects hold out.

The first team eleven lining up Tuesday was made up of Bruce Kilbourne and Lee Penney, ends; John Thompson and Benno Funken, tackles; Clair Bishop and Warren DeBus, guards; Franklin Meier, center; Jerry LaNoue, quarter back; George Sauer and Bailor, halfbacks; and Jack Miller, full-back.

**PHYS ED INSTRUCTORS
WILL SPEAK AT MEET**

Miss Mabel Lee and Rudolph Vogeler to Attend Annual Convention.

Miss Mabel Lee, head of the women's physical education department at Nebraska, and Mr. Rudolph Vogeler, instructor in mens physical education, are both scheduled to appear on the program of the twentieth annual convention of the Midwest Physical Education Association at Wichita, Kas., this week. The association is meeting this Wednesday, Thursday, Friday and Saturday at the Allis hotel in that city.

Mr. Vogeler is to speak on Friday afternoon, and his topic of discussion will be "The Effect of Intramural Athletics on Scholarship." Miss Lee will talk during the morning session Saturday, and her subject is to be on "Integration of the National Athletic Federation program with Community Activities."

The general theme of the meeting is "The Adjustment of the Program of Health and Physical Education to Meet the Present Situation." Representatives of most of the schools and colleges thruout the middlewest will attend.

Several Alumni Visit At Geology Department

A number of alumni visited the

Geology department during the past week. They were Richard Dunker, and Charles Holsted, of

Lincoln; Fred Schlueter, Grand Island; John Kraemer, Homesville, Nebraska; John Martin, Omaha;

Clarence Nelson, Huepac, Mexico, and Dean Winchester, Denver, Colo.
