Because he threatened to suspend any student found dancing, A. V. Proudfoot, president of the Simpson college board of trustees, last week was pelted with eggs and fruit during a chapel meeting. His speech, punctuated by continuous booing and hissing, followed the temporary suspension of seven students who attended a private dance.

AG COLLEGE PLANS FOR EASTER SERVICE

Young People's Groups Are Sponsoring Service.

A special early morning Easter service for College of Agriculture students will be held Sunday in the student activities building on the Ag campus, according to an announcement made Thursday evening. The Young people's groups of Warren and Epworth churches are sponsoring the service.

A conflict of dates between Easter Sunday and spring vacation caused the committee in charge to move the services up one week. Spring vacation this year includes Easter Sunday.

Rev. Calhoun of the First Presbyterian church is to speak to the students. Breakfast will be served

at 7:30 in the morning for a nominal cost to the students. Those in charge are urging all young people especially students, to attend the event.

Milan Austin is in general charge of the program. Marjorie Filley is head of the breakfast committee and Louise Bernhart is directing the decorating committee.

DANCING AT THE PARK . . .

Is ideal in weather like this. Come out to the PARK tonight and tomorrow night and dance to Leo Beck and his greater orchestra. A completely re-organized dance band and a beautifully redecorated pavilion make dancing at the PARK this year all the more enjoyable.
