# Kansas Relays Scheduled Saturday

## 600 TO COMPETE IN ANNUAL MEET

Ten Universities Will Enter Contestants.

Saturday afternoon at Lawrence, Kansas, the eleventh annual Kansas relays are scheduled to be held. A field of six hundred athletes, representing schools all over the middlewest wi'l compete for the honors in the carnival. All of the Big Six institutions, and four of the Big Ten universities are among those schools sending entries.

Besides the university events, there will be competition held for colleges, junior colleges and the Kansas state high school meet will be held in conjunction with th first half of the decathlon meet on Friday afternoon. On the program for the university meet are nine special events, and six relays, and

the college and junior college All Big Six and Four Big events are mostly relays with a few special events.

Schulte Selects Men.

Men from Nebraska who have been selected by Coach Schulte to make thejaunt to Lawrence are Heye Lambertus, 100 yard dash, 120 yard high hurdles, and the 440 and 480 yard relays; Jerry Lee, 440 yard and 880 yard relays; John Roby, pole vault and same relays; Don Gray, broad jump and high jump; Frank Booth, both the 440 and 880 relays; Adolph Dohrmann, 120 yard high hurdles; Everett Mead, shot put and discus; and possibly Elmer Hubka, shot put and discus. Other men from the Husker squad are considering journeying to the relays on their own hook in order to take part.

Among the Husker contenders given the best chance to carry off honors are Heye Lambertus and Don Gray, both Big Six champions in their events, and among the in intercollegiate circles. Lambertus is a favorite in both his events, the 100 and 120 yard high hurdles, looking better in the dash event. He is Big Six champ in the 220 yard lows, winning that race last year in the conference outdoor meet here. He has gained some repute as a dash man, and is favored to dethrone Hal Thompson of Minnesota as the 100 yard dash man, having trimmed the Gopher ace in an indoor meet at Minneapolis last February, running the 60 yard

#### Gray Favorite in Jump.

Don Gray appears as one of the favorites to finish first in the broad jump, having consistently cleared 24 feet during the indoor The veteran leaper also should be good for some points in the high jump, having cleared the bar at over six feet several times. He holds the Big Six record in the broad jump at 24 feet 2 3-8 inches, and has bettered this mark on several occasions this spring.

Nebraska is not entering the relays as extensively as usual, because of the fact that a large group of men can't be taken on the trip. Of the six relay races on the program, only two, the 440 and 880, are being run by the Nebraska team made up of Jerry Lee, John Roby, Frank Booth and Heye

### Aim at Records.

Collegian cindermen who try their mettle will be aiming at a number of outstanding records and in reviewing the material on hand it seems that in the special events not many records will fall as far as pre-meet dope is concerned. However, since the Kansas carnival is one of the early meets of the year, previous unknowns always pop up with fine marks.

The 100 yard dash field includes some fine performers who have already built up reputations. Outstanding entries in this event are Ivan Fuqua of Indiana; Heye Lambertus, Nebraska; Peyton Glass of Oklahoma A. & M.; and Whitley Cox of Oklahoma. They are shooting at a real record in the form of Cy Leland's 9.4 per-

formances of 1930.

One of the special event records which might fall by the wayside is 3-4 inches which was set up by Warne of Northwestern in 1930, a great year for records. Captain Estil Lennington of Illinois won the Big Ten indoor title with a leap of 13 feet 10 inches this winter, and two other strong Big Ten contenders are Irving Seely of Illinois and Steve Divich of Indiana. the pole vault mark of 13 feet 9 Kansas Relays Records-University Class Special events: 100 yard dash—Leland, Texas Christian university, 1930, 9.4 sec-

BURT MARVIN.

"Doc" McLean has been sick, and as a result a number of other fellows are "sick" longer than usual. Every day a dozen or more men, young and old, come into the sanctum of the good doctor, and have various muscle and joint ills remedied, but Tuesday and Wednesday have been bad days for the ailing. Nebraska's 'wonder man' is a very useful personage in Husker athletic circles.

This world-famous doctor is one of a triumvirate which has made for Nebraska track a place of fame. Coach Henry F. Schulte and Father O'Connor are the two other members. The Scarlet coach has taught the men to run, and O'Connor has timed them in their attempts, and in his day he has seen some world records set up. He is considered one of the best clockers in the world, and has always held the watch at the major meets hereabouts. And of course, concerning Schulte, we don't need to laud his record it is self-lauding. Fans wil remember that back in 1928 he was one of the five coaches of the Aemircan Olympic team which competed over at Amsterdam, Holland.

All the schools of the Big Six conference except Nebraska and Kansas have baseball teams, and are carrying on conference competition this spring. Financial exigencies have been the cause of the cessation of the sport along with other competition here at Nebraska. Those institutions which do have diamond outfits are having a mighty tought time of it in finding competition, for so cany of the schools which formerly sup-ported baseball teams have dropped the pastime from the sports

here at Nebraska when the depres. sion hit, but it evidently is one of these things which never says die. After one year of no baseball, Coach Wilbur Knight out at Ag college, has issued a call for play-ers of the diamond sport, and has received a good answer. Several veterans of the palmy days have returned, and a number of promising recruits have appeared. As things stand now the fellows must pay their own expenses, and fur-nish somewhat of the equipment, altho there is quite a bit on hand.

The schedule will not include any games with Big Six teams, because of the fact that it was stated earlier in the season that Nebraska would have no nine. However, there are several games set up with college teams within the state. Two tilts have been arranged with Concordia college of Seward, the one here to be played at the Farmers fair May 6 and the other at Seward a week later,
