

## VOTE ON TAX PLAN WILL BE POSTPONED UNTIL LAST OF MAY

### Later Registration Causes Changes in Dates of Student Poll.

The student poll on the activity tax plan will be postponed until the last week in May in view of the fact that registration for next year has been postponed until that time, according to an announcement of the student council committee in charge of the tax plan. During the interval, further details of the plan will be worked out, according to the committee. The committee expressed satisfaction at the change in plans because of the longer time which will be afforded them in securing more accurate data on the prices of the various items to be included in the plan. Under the previous arrangement, the committee explained, considerable haste was necessary to put the plan in shape for the student vote.

#### Will Work Out Plans.

Several features of the tax plan need to be worked out yet, and a more definitely approved plan can (Continued on Page 2.)

## ASSOCIATION RAISES STATUS OF NORMALS

### Peru, Chadron, Kearney and Wayne Now Have Rank Of College.

Four Nebraska state normal schools were raised from the status of teachers training schools to that of full college status by the North Central Association of Colleges and Secondary Schools, according to an announcement released yesterday by Prof. A. A. Reed, on his return from the association's annual meeting in Chicago.

The schools that were affected by the higher rating are Peru, Chadron, Kearney and Wayne. Professor Reed, who is the retiring president of the organization, declared that all Nebraska high schools had retained their rating, and in addition that there were no complaints against any of them.

During the conference most of the time was taken up with considerations which are being given the economic status of education today. No schools, he stated, are being deprived of membership due to financial difficulties. In Nebraska, four more schools were raised to accredited rating, in the high school group.

## Prairie Schooner Gains National Reputation According to Critic

The Prairie Schooner, now in its seventh year of publication, has gained a national reputation as a literary magazine and is well thought of abroad, according to Edward J. O'Brien, international short story critic who compiles an anthology of short stories annually. In a letter to Dr. L. C. Wimberly, editor of the magazine, Mr. O'Brien lauded the Schooner as being a more vital interpretation of life than The Atlantic Monthly, the Forum or Harper's Magazine.

Dr. Wimberly also has letters in his possession from H. L. Mencken, editor of the American Mercury, K. S. Crichton of Scribner's, Dorothea Brande of The Bookman, John T. Frederick of the Midland and others.

Editor Mencken said, "Thanks very much for the copy of the Prairie Schooner. I have been going through it with great pleasure, and hope to read all of it. I think that you are doing an excellent job with it." This is a decided compliment, coming from the

## DEAN WILL ATTEND MEET

### American Association of Schools of Business Plans Conception.

Dr. J. E. LeRossignol, dean of the college of business administration, will attend the fifteenth annual meeting of the American Association of Collegiate Schools of Business, at Lexington, Ky., April 27, 28 and 29. Dr. LeRossignol is a former national president of this organization.

On Thursday, the tenth tricentennial meeting of Beta Gamma Sigma, honorary business administration fraternity, will also convene in Lexington.

## FERDINAND SCHEVILL TO ADDRESS SEVENTH ALL-SCHOOL MEETING

### Convocation Scheduled for Friday, April 28, in Temple Theater.

Dr. Ferdinand Schevill of the University of Chicago has been secured to speak at the seventh All-University convocation to be held in the Temple Friday April 28, at 11 o'clock, according to an announcement from Dr. Hertzler, chairman of the committee on convocations. The speaker will have as his subject, "Mussolini and Fascism."

Doctor Schevill, who is professor of European history at Chicago, will be introduced to the meeting by Dean Oldfather of the Arts and Science college. The convocation is sponsored jointly by the university committee and the Nebraska History Teachers association which is convening in Lincoln Friday and Saturday.

According to Doctor Hertzler the speaker is an authority on modern European history and is "especially fitted to discuss this subject of increasing interest to Americans as well as Europeans."

Doctor Schevill is the author of several books on European history including "Making of Modern Germany."

## 72 TO 18 BALLOT OF HOUSE KILLS BUDGET ACCEPTED BY SENATE

### Measure Goes Automatically To Conference Committee For Compromise.

Members of the house voted Tuesday afternoon, 72 to 18, to reject the Senate amendments to the state budget bill, H. R. 51, and automatically sent it into conference.

The budget bill, as returned to the House, carried an increase in appropriations of \$100,000 over the recommendations proposed by Governor Bryan, and raised the figures established by the House nearly a million dollars.

Members of the all-important conference committee from the House were selected by Speaker O'Malley yesterday, and include representatives Wells, chairman of the house finance committee, Chase and Lavelle. The latter two members of the committee are also members of the finance committee.

#### Members Not Selected.

Members of the conference committee from the upper wing of the legislature had not been selected late yesterday, although it was thought that Chairman Callan of the Senate finance committee would head that body's delegation at the conference.

While predictions continue that the conference committee would be able to draft a satisfactory bill by the end of this week, general indications seem to point toward sharp controversy over several items included in the huge appropriation measure.

Provided that the conference committee does complete its work, should the House or Senate reject the provisions and compromises worked out, it automatically is called back to a new conference between members of the two houses.

## B. J. Arnold Is Outstanding Man in Engineering Field, Says Ferguson

When Bien J. Arnold, former Nebraskan, addresses the annual Engineers' banquet at the Lincoln hotel, Friday night, May 5, Nebraska engineering students will have the opportunity of listening to one of the most outstanding men in the field of engineering, according to Dean O. J. Ferguson of the engineering college.

The return of Mr. Arnold to the Nebraska campus recalls the banquet of 1914 at which he presided as toastmaster, and which Nebraska engineers still consider one of the best.

Arnold, altho born at Casnevia, Michigan, received his high school education at Ashland, Nebraska, from 1870-79. In 1879 he entered the university and finished his freshman year here.

From Nebraska he transferred to Hillsdale college, Michigan, where he completed his course, receiving the degree of B. S. in 1884, M. S. in 1887, and the honorary degree of M. Ph. in 1889. In 1897 he received the degree of E. E. from the university. He received honorary degree of D. Sc. from

## FOUR HUNDRED VIEW 'BAR-NOTHING RANCH' SPONSORED BY KLUB

### Herbert Yenne, Author and Director of Show, Is Outstanding Man.

Enthusiastically received by a first night crowd of more than four hundred, "The Bar-Nothing Ranch," Kosmet Klub's spring musical comedy, opened a five-night run at the Temple theater last evening.

From the opening chorus by the entire cast of more than fifty to the final curtain, the production presented an extremely colorful and entertaining musical extravaganza of life on a modern dude ranch. Music for the show was especially well-liked by the audience.

Outstanding individual performances were presented by Herb Yenne, author and director of the show in the role of Mrs. Van Fleet. (Continued on Page 3.)

## PLAY DAY PLANS SET FOR EVENT APRIL 29

### College Women From All Over State Will Be Guests Here.

Local members of W. A. A. will "watch the sky" for the arrival of their guests who have been invited to this campus to attend an all-state "play day," Saturday, April 29. After women have registered in the women's gymnasium on this campus, they will "take off" for Ag college where the remainder of the day's activities will be held.

During the morning the groups will have "squadron formation" or team sports. At noon the entire crew will "re-fuel" at the Student Activities building. The afternoon will be devoted to "stunt flying."

According to Hallene Haxthausen, general chairman on arrangements, the social side of Sports Day will be stressed.

When the girls register, they will be divided into teams with which they are to work throughout the day. Small oil-cloth airplanes of different colors will be used to distinguish between the groups.

### Professors to Speak At Nurses' Institute

Dr. H. C. Koch and Dr. D. A. Worcester of the Teachers college will address the nurses attending the annual Nebraska Institute of Nurses in Omaha, April 26, 27 and 28.

the Armour Institute of Technology in 1907 and D. E. from the University of Nebraska in 1911.

He early manifested his ability in engineering, having constructed models of steam engines, steam plants, and a complete steam locomotive, and a full size bicycle before the age of eighteen. On entering college, he combined practical engineering work with technical education, working during the summers for engine manufacturing companies, and also working as instrument man with a civil engineering party. In advanced college work he acted as draftsman and chief designer for engine manufacturers.

In 1893, Arnold set out in business for himself and opened an office in Chicago as an independent consulting engineer. In this capacity he was employed on many important engineering projects from 1893 to 1917. An expert on railroads and traction matters, he was employed by most of the important cities of the country either
