## CREEK GROUPS HONOR MOTHERS AT DINNER

Theta and Alpha Sigs Will Entertain at Chapter Houses.

### To Entertain Mothers.

Lavender and pink will be used in the table appointments at the mother's dinner to be given Sunday noon by Kappa Alpha Theta at the chapter house. About seventy will be present, and a short program will follow the dinner.

### Observe Founder's Day.

About one hundred attended the banquet given Saturday night by Alpha Omicron Pi at the chapter house. Spring flowers and pastel papers were used on the tables. The affair was held in observance of the thirtieth anniversary of the founding of the sorority. Marjorie Ley acted as toastmistress and speakers were: Irene Barry, Margaret McDonough, Myra Grimes and Miss Elsie Ford Piper. Several guests from out of town were present.

### Give Banquet and Party.

A banquet and a house party are being planned for next Saturday evening by members of Delta Sigma Lambda. About fifty, including several out of town alumni, will attend the banquet. Ed Noel and his orchestra will play for the party. Russell Batie is in charge of arrangements.

### Pass Candy and Cigars.

Willa McHenry, Kappa Alpha Theta, and Bill Irons, Beta Theta Pi, announced their engagement Ivy day when they passed the candy and cigars at their respective houses. Miss McHenry is a senior in teacher's college and was Nebraska Sweetheart last year. Mr. Irons is a senior in the college of business administration.

### Plan House Party.

Phi Kappa Psi is planning a house party to be held Saturday evening. Definite arrangements have not yet been announced.

### Chi O's Hold Banquet.

Mary Gilmore presided as toastmistress at the Chi Omega banquet at the Cornhusker Saturday night. Other speakers were Erna Motl, for the active chapter; Mary Lou Franz for the pledges; Mrs. E. C. Geddes for the advisory board; Christine Mauch for the Lincoln alumnae and Lois Balduff for the out of town alumnae.

### Delian-Union Pledges.

The Delian-Union literary society announces the recent pledging of Leora Westbrook, Lincoln; Melba Doyle, Hartwell and Leland Marshall, Lincoln.

Chaperons for the Pi Kappa Phi barn dance Saturday evening were Dr. and Mrs. O. H. Werner, Mrs. J. E. Owens, the housemother and Mr. Owens.

### To Give Breakfast.

Members of the Newman club will be entertained at a breakfast at the club house by the Mothers club Sunday morning. The tables will be decorated with spring flowers.

### Alpha Sigs Are Hosts.

A short program will follow the dinner which members of Alpha Sigma Phi are giving Sunday noon for their mothers. About fifteen mothers, including several from out of town, will be present. The committee in charge of arrangements is composed of Edgar Sturve, Lynn Leonard, Nell McFarland and Norman Finke.

C. affairs at the corps area headquarters, will inspect the administration, while Lieut. Col. Dailey will inspect the training activities of the unit.

According to an order by Col. W. H. Oury, the inspection will start at 8 o'clock Wednesday when there will be a conference with the P. M. S. and T. Explanation of the method of the inspection will be made at this time. All officers will be present.

From 9 to 10 o'clock there will be an inspection of the theoretical studies of the second year advanced students under Captain Crissy. The work inspected will include: Military law and O. R. C. regulations; military history and policy; field engineering; administration; drill and command; and combat principles.

Practical work of the second year advanced courses under Captain Spoerry will be taken up from 10 to 11 o'clock Wednesday morning. This will include field engineering, a map problem which will be furnished by the inspector, and tactical exercise.

From 11 to 12 an inspector will call upon Chancellor E. A. Burnett and an inspection of the facilities for practical instruction of offices and class rooms will be made. The training inspection will continue for theoretical first year advanced students under Major Bishop.

First year advanced students under Major Bishop will be inspected on theoretical work from 1 to 2 p. m. This will include: Drill and command, map reading and military sketching, machine gun under Major Speer; 37-mm and 3 inch mortar, and combat principles.

From two to three first year basic students under Captain Scott will be tested on theoretical work. This will include: Military hygiene and first aid, drill and command, the rifle and rifle marksmanship, and scouting and patrolling.

The second year basic students under Captain Connor will be inspected from 3 to 4 p. m. on theoretical work including drill, musketry, rifle marksmanship, automatic rifle, scouting and patrolling and combat principles. At 4 o'clock and lasting until 5, the same work will be taken up.

On Thursday morning at 8 o'clock the inspectors will make out and check the report of the inspection.

From 9 to 10 o'clock an inspection of the practical work of first year basic students under Captain Crissy will be made. This will include: First aid; have approximately one squad of the first year basic students selected at random at some chosen point outdoors, if possible; PMS and T will have first aid material, splints, bandages, etc., on hand; rifle marksmanship, approximately ten students will be selected at random from first year basic course students; PMS will provide service rifle with slings, pad and pencils; scouting and patrolling, approximately ten students will be selected at random from first year class.

An inspection of the practical work of the first year advanced course students under Major Bishop will be made from 10 to 11. This will include: Military sketching; ten men selected by inspector from first year advanced class, to be provided with complete sketching outfits, and all with pencils; one with prismatic compass; machine guns; (Major Speer) one machine gun squad to be selected by inspector from first year advanced class to be completely equipped with machine gun equipment as issued to the institution; 37-mm gun and 3

inch mortar; complete squads for each weapon to be selected from first year advanced class. P. M. S. & T. will have proper material available.

From 11 to 12 Thursday morning there will be an inspection of the practical work of the second year basic students including: Musketry; section exercise, armed with rifles; will be given by the inspector; automatic rifle; ten students will be selected at random from second year basic class armed with five automatic rifles; scouting and patrolling; approximately ten students armed and equipped for patrol duty, selected at random for second year basic course. If no terrain is available or in event of inclement weather, place a map so that the problem can be conducted on the map. Use map of largest scale available.

The regimental parade and formal inspection in which all military students will participate will be held Thursday afternoon starting at 1:30. Following the formal inspection there will be demonstrations in: Close order drill, squad, platoon and company; extended order drill; platoon; calisthenics and mass commands, one platoon; and tactical exercise, one war strength to be formed, the cadet officers to be selected by the inspector. The inspectory will furnish the situation and requirements on the ground. In case of rain, a map problem will be substituted by the inspector.

# KIRKPATRICK ARRANGES SUMMER MUSIC STUDY

Plan Includes Instruction for Nebraska High School Students.

An innovation in high school music instruction is being planned for this summer by Prof. Howard Kirkpatrick, director of the School of Music at Nebraska. The plan calls for a special four weeks course, June 12 to July 9, during which time students from Nebraska high schools are to be enrolled in an all-state session on the campus of the University of Nebraska.

The plan, as announced to the high schools of the state, will include instruction in orchestra, band, and chorus work, for high school credit. While it is a new idea in Nebraska, it is not an untried experiment. It has been effectively carried out in Michigan, Iowa and Missouri, according to Professor Kirkpatrick.

### \$30 Fee Planned.

A fee of \$30 will be charged for the four weeks session. This will include expenses such as board and room, medical attention, recreation, registration, two vocal or instrumental lessons a week, and daily orchestral and choral rehearsals, and will also include the supervision of all social activities. Such students who do not live in the dormitories provided for the course will be able to attend by paying a \$12 fee.

William W. Norton, president of the North Central Music Supervisors conference, and a staff member of Columbia Teachers college, will be one of the instructors for the course. George Howerton, Chicago, will be another visiting conductor. William Quick, Don Berry, August Molzer, Carl Steckelberg, Lowell S. Devoe and Miss Francis Stowell will complete the faculty list.

### Dr. Charles Fordyce Appears Before Group

Dr. Charles Fordyce, chairman of the department of educational psychology and measurements, appeared before the Nebraska section of the National Vocational Guidance association on Saturday, May 6, where he reviewed the work done during the past two years by the Minnesota Employment Stabilization institute.

# MEMBERS OF FACULTY WILL GIVE ADDRESSES

# University Graduate Returns to Nebraska

Wilbur Mead, 29, who has just completed three years of work with an American corporation in China, has returned to Nebraska to go into business in Ashland, according to information given by him to the college of business administration at the University of Nebraska. Mead received his degree from this college.

# YW RECEIVES SKETCH OF MEMORIAL PLAQUE

Elizabeth Halsman Chosen As Artist to Honor Grace Coppock.

The university Y. W. C. A. has recently received a sketch of the plaque which is a memorial to Grace Coppock who represented Nebraska in China from 1906 to 1921. Miss Elizabeth Tuttle Halsman, the artist who made the bronze plaque of Doctor Bessey which hangs in Bessey hall, has been selected to make the Coppock memorial.

The sketch consists of a picture of the head of Grace Coppock which was printed in a Shanghai paper at the time of her death. It reads "From such lives as this peace may yet be built." This same inscription will be printed on the border in Chinese characters. Miss Lelia Hinkley, representative of Nebraska-in-China at the present time, has made this possible.

### Y. W. Contributes Money.

The Y. W. C. A. on this campus has contributed the money for this plaque. About ten years ago, it was the custom for members of the Y. W. to prepare staff suppers. The benefits from these were placed in a reserve fund. By 1931, \$70 had accumulated. Members of the cabinet voted to contribute this money to a memorial for Grace Coppock for her work in China.

Three copies of the plaque will be made in bronze. One of them will go to the Y. W. C. A. of Shanghai where it will be hung in a Coppock memorial chapel. The second plaque is being purchased by the national Y to be hung in the New York headquarters.
