

INTRAMURAL SPORTS COMPETITION IS KEEN, SAYS RUDY VOGELER

Pi Kappa Alpha's and Phi Sigma Kappa's Finish In Contests.

Competition in the interfraternity intramural sports contest is growing keen as the contests are drawing to a close according to Rudy Vogeler, director of intramural athletics. "The race for the intramural title, this year is probably the closest fight in years."

Two fraternities have finished competition and have reached their final standings. They are Phi Sigma Kappa's who have a grand total of 659 points, and the Pi Kappa Alpha's, who are accredited with 614 points.

However, there are still some fraternities close upon their heels who have not finished baseball, which gives the winner 150 points, 2nd place 130, 3rd place 115 and 4th place 100 points. Any one of these places would enable the Alpha Gamma Rho's, with a total so far of 520, or the Phi Kappa Psi, with a total up to date of 510, or the Delta Sigma Phi, accredited so far with 552 points, to catch up with or beat out the Phi Sigs for first, second or third place.

The Sigma Chi's have 601 points to their credit and are still in the golf tournament. However, first place nets only 50 points and they would still fall short of the Phi Sigma Kappa's score.

In the Baseball Tournament the Alpha Gamma Rho's will play the winner of the Tau Kappa Epsilon-Beta Theta Pi match for the semifinals while Delta Sigma Phi plays the Phi Kappa Phi's Monday. Managers of the respective teams are to call Mr. Vogeler to set the time for their match. This should be done before noon Monday in order to enable the director to set the officials for the games.

In the interfraternity golf tournament the winner of the Sigma Chi-Sigma Nu match is to play the Phi Gamma Delta's for the championship. The loser of the match will play the Sigma Alpha Epsilon for third place.

The Phi Kappa's took first place in the horseshoe tournament while Delta Sigma Phi captured second. Third and fourth places will be played off by the Farm House and the Sigma Phi Epsilon Monday.

CONFERENCE CATCHES

BY
BURT MARVIN.

BY IRWIN RYAN.

It seems to be an old custom for the Sports Editor to take sick towards the end of each semester and to have his subordinates pinch hit for him. Last year Joe Miller was inconveniently handicapped by the flu so that he was unable to write for several days, during which time Burton Marvin supplied the "Sports News." Now, however, it is Burt that is inconveniently disposed, having taken a sudden swelling of jaw which stops him from eating pickles. In other words he has the "Mumps."

Prospects of the Nebraska track squad for the Outdoor Big Six Title seem to be considerably strengthened since the performance of Glenn Skewes in the discus throw at the Drake relays last week. Skewes got the platter out there for a heave of over 133 feet and Coach Schulte is very pleased. Formerly the Husker hopes did not come up to expectation as Nebraska only tied with Oklahoma for the indoor title, 33 to 33, for first place, when the Schulte squad was doped to win. It seems that Nebraska fans have learned to expect first place and consider it beneath their dignity to just tie for first.

Oklahoma athletic officials have cracked down on delinquent high schools in such a manner as to declare thirty-eight high schools ineligible to compete in the 29th annual Oklahoma Interscholastic meet. I should gather from this report that the athletic officials are "coming into their own" and are enforcing those rules which have been heretofore sadly neglected in most states.

The Eleventh Annual Kansas Relays, held at Lawrence last week attracted a crowd of over 5,000 persons, according to official attendance figures given out by Dr. F. C. Allen, manager of the Relays, in spite of the adverse weather conditions prior to the games. This seems to indicate a definite trend for such intercollegiate sports and I believe that we may increase this by supporting Nebraska more wholeheartedly in its coming meets.

Glenn Funk seems to derive much enjoyment in catering to the girls wishes and wants at the swimming pool in the coliseum. He is always a ready and willing servant out it so happened that he was rather hasty in entering once and was severely reprimanded.

MEMBERS OF FACULTY TO ATTEND MEETINGS

Midwestern Psychology Association Plans Convention.

On May 18, 19 and 20 a number of members of the psychology and educational psychology faculties at the university will attend the meetings of the Midwestern Psychology association on the Iowa State college campus at Ames. Several graduate students in psychology are also planning to attend.

Nebraskans included on the program of these meetings are J. P. Guilford associate professor of psychology, who will read a paper on "Pigmentation and Visual Sensitivity;" E. K. Frye, who will discuss "Mechanical Aptitude of Siblings;" Arthur Jenness, assistant professor of psychology, who has the topic, "The Facilitation of Steeping Hypnosis by Previous Motor Response in the Waking State," and Dr. D. A. Worcester, professor of educational psychology, who will read a paper of which he is the joint author with Bernice Silkett, entitled "The Distance From the Eye to Work Among School Children Engaged At Various Tasks."

Charm Hobby Group Plans Last Meeting of Season

The Charm Hobby group will conclude its meetings of this year with the meeting to be held at 7:00 May 9 at Ellen Smith Hall. A talk by Mrs. C. C. Minter on Personality will be a feature of the meeting.

Three Alumni Visit Geology Department

Alumni visitors who called at the offices of the department of geology during the past week were Charles Osborne, Mullen, Leonard Duerfeldt, Gordov, and Earl Wyatt, McGrew

INTRAMURAL PROGRAM TO CONTINUE MONDAY

Baseball, Archery, Deck Tennis and Badminton Spring Sports.

The spring intramurals for women which started May 1 will continue Monday, May 8. Baseball, archery, badminton and deck tennis are the sports featured.

The badminton tournament will resume with Margaret Mordausnt and Vivian Cowgill, Delta Gamma, playing against Margaret Seivers and Jane Kent Richardson, Alpha Delta Theta. Badminton is an English game which has recently been introduced here. It is a combination of volleyball and tennis. The game is played with rackets and shuttle cocks.

The intramural baseball matches for Monday will be Alpha Omicron Pi vs. Delta Delta Delta; K-B-B vs. Alpha Phi and T-N-T vs. Gamma Phi Beta. The games are played on the diamond back of social science.

The archery and deck tennis schedules will be posted on the W. A. A. board in the women's gym. The archery matches are played on the mall south of Andrews hall. Deck tennis games courts are back of social science.

DIRECTOR ANNOUNCES HORSESHOE BRACKETS

Because of Small Amount of Time Postponements Not Granted.

The brackets for the All-University Horseshoe tournament have been issued by Mr. Vogeler, intramural athletic director, and all first round play is to start next Tuesday, May 9.

The rules which apply to the All-University golf tournament also apply to the All-University Horseshoe match. Every contestant is to get in touch with his opponent immediately and decide the time and place of the meet.

There will be no postponements granted because of the small amount of time left before examinations. After the playoff of a match the winner is to report his name and the score as soon as possible to the Intramural Athletic office.

The pairings for the first rounds are as follows:

The contestants first names and their telephone numbers are listed below:

- Lydick vs. Boster, Costin vs. Shamer, Mousel drew a bye, McPherson vs. Sullivan, Nelson vs. Salzman, Thingman vs. Smedley, Mason vs. Allen, Bjorknes vs. Barnes.
- Robert Allen, 1121 Q; B6226.
- Charles Bjorknes, 348 No. 14th; B9556.
- D. Bailar, 1421 H; B7709.
- G. Barnes, 700 So. 30th; B6087.
- Charles Costin, 1602 Q; B6365.
- L. Lydick, 348 No. 14th; B7559.
- F. McPherson, 348 No. 14th; B7566.
- R. Mason, 1237 L; L6649.
- G. Mousel, 1515 R; B7474.
- Joe Nelson, 348 No. 14th; B8556.
- F. Shelby, 1600 So. 21; F2434.
- J. Sullivan, Grand hotel.
- J. Shamer, 1121 Q; B6226.
- J. Salzman, 919 A; F1617.
- L. Thingman, 1237 L; L6649.

Worcester Is Asked to Be Contributing Editor

Dr. D. A. Worcester, professor of educational psychology, has been asked to become a contributing editor to a new educational monograph series under the general editorship of Prof. V. A. C. Henmon, University of Wisconsin educator.

Professor of Geography Speaks to Organization

Prof. E. E. Lackey of the department of geography, spoke to members of Phi Delta Kappa, Tuesday evening, on the subject, "Introductory Geography for Teachers College Students."

Results of Track Meet

With a total of 71 points Nebraska captured the triangular track meet at Manhattan Saturday. Events in which Nebraska placed first were:
Broad jump Lee
Javelin Hokuf
Discus Sauer
220 low Lambertus
High jump (tie) Toman
440 Roberts

FIRST GOLF ROUNDS WILL BEGIN TUESDAY

Vogeler Requests Every Player to Arrange Time And Place.

The first rounds of the All-University Golf Tournament are scheduled to start Tuesday, May 9th. Mr. Rudy Vogeler, Nebraska intramural athletic director, requests every contestant to get in touch with his opponent and to decide the time and place of play. "This should be done immediately," he stated.

Because of the small allotment of time left in the fiscal school
