# SCHULTE CINDERMEN TO MEET MINNESOTA TRACKSTERS FRIDAY

### Prediction Indicates Hotly Contested Match for Husker Cindermen.

The Schulte squad will engage Minnesota in a dual meet at the Memorial stadium in Lincoln this Friday, May 12 at 2 p. m.

In spite of the fact that the Huskers won first place in a triangular meet with Kansas and Kansas Aggies at Manhattan last week, the match will be a hotly contested affair with a touch of that rivalry experienced in the football contest last year, according to Coach Schulte.

The Nebraska football men participating on the track team are looking forward to the meet with much expectancy in order to even the score with the Gophers for the 7-6 defeat which they experienced at the Gophers' hands on the Minneapolis gridiron last fall. The football men on the Nebraska track team are Sauer, Hokuf and Roby.

Captain Charles Scheffley is going to offer plenty of competition in the high and low hurdles. Scheffley won the 120 yard high hurdles at the Drake relay in 15 flat and was anchor man in the Gophers' 480 yard shuttle hurdles relay team which took first place. La Roque, of Minnesota, will also offer plenty of competition in the hurdle field.

John Currell, distance ace, captured fourth place in the Drake meet. He is very proficient in both the mile and two mile runs. Harold "Tommy" Thomson is a consistent 9.9 man in the century dash and will afford Lambertus and Lee plenty of competition in that field.

The meet officials are as follows:

Earl Johnson will referee, H. D. Gish will serve as starter, W. L. Day, clerk of finish, M. G. Volz, clerk of course, Col. C. J. Frankfurter, inspector of weights.

Timers will include Rev. D. B. O'Connor, R. C. Russell, Roland

Locke, James Lewis and Ted Kolderie.

Judges of finish: Gordon Beck, Walter Black, Herman Jobst, Capt. Walter Scott, Dr. C. C. Weidemann.

Judges of broad jump: Don Bell, W. H. Browne, Coburn Tomson.

Judges of high jump: Slayton Pierce, Bill Fleming, Rudolf Vogeler.

Judges of pole vault: Dr. W. C. Becker, Dr. R. G. Clark.

Judges of field events: W. W. Knight, Cliff Cunningham, E. J. Lowry, Stuart Baller.

Inspectors: W. A. "Gus" Miller, Lewis E. Anderson, Byron Sarvis, J. L. McMaster.

Announcer: Bobb Turner.

Marshals: George Koster, Glenn Presnell.

## SPRING SPORT GAMES TO BE PLAYED TODAY

### Archery, Badminton, Deck Tennis and Baseball Matches Planned.

Archery, badminton, baseball and deck tennis matches have been scheduled for today.

The archery tournament will continue with Alpha Chi Omega playing representatives from Delta Gamma. Theta Phi Alpha contestants will compete with members of Phi Mu.

Jerry Baker and Margaret Olson, Raymond hall, will compete with Jeanne Russell and Agnes Grover, Chi Omega, in the badminton matches. Vivian Cowgill and Mary Mordaunt, Delta Gamma, are to play the winners of the K-B-B and Phi Omega Pi game. These games will all be played today at 5 o'clock.

In the spring baseball matches, Sigma Kappa is matched with the Huskerettes and Alpha Xi Delta with Kappa Delta.

The deck tennis tournament is being played in the women's gymnasium. It will continue today with Helen Jolliffe and Mary Louise Clarke, Alpha Phi, competing with the Kappa Alpha Theta team. Ruth Cain and Rosalie Lamme, Delta Delta Delta, are scheduled to play the second team of K-B-B which is composed of Genevieve Mastake and Ruth Meredith. Mary DuPutron and Marguerite Metzgar, Pi Beta Phi, are the opponents of Frances Jane McEvoy and Harriet Cummins, Alpha Phi. Esther Ladenburg and Thelma Thielen, Theta Phi Alpha, are to contest against Margaret Wilke and Ruth Anderson, TNT. Frances Rymer and Rose Woerdman, Alpha Delta Theta, are to play Dorothy Davis and Irma Wyrens, Delta Delta Delta. Marian McLaren and Clarice Crook, K-B-B, are listed to compete with Dorothy Winger and Florence Bloome, TNT.

## CONFERENCE CATCHES

BY BURT MARVIN.

Much is expected, in the way of record breaking, is expected of the contestants in the high school meet to be held here at the stadium next Saturday, despite the gruelling conditions under which they are to compete. Under the new schedule introduced by the Nebraska High School Athletic association preliminary qualifying meets are required which consequently postpone the classification of teams. And to offset this postponement the board has ordered the finals to be a one day affair, with no day off between the finals and the preliminaries.

This new meet scheme will work much hardship upon athletes and will make their attempts to set new records doubly hard. They will have to start early in the morning and keep up the fast pace all day long. Personally I believe that this is too much to expect of high school youths for that matter college men. The object of the meet is to record the ability of the tracksters in their individual events and not what they could do in a two day "Marathon" grind. A day at least of rest between the preliminaries and the finals should be allowed.

It may be that I have been too hasty in expressing my opinion of the winner of the Big Six Outdoor Cinder Title. I am rather inclined to believe that John Bentley thinks so, not that he has mentioned it, however. But he is of the opinion, and rightly so, that Nebraska's sports points, the 220 yard low hurdles and the broad jump, and anything is liable to happen, such as an injurious hurdle spill or a foul mark on a good broad jump. Mr. Bentley, having much more experience and knowledge, is more cautious and doesn't jump to rash

## BLUESHIRT PLATFORM

Wishing the students to know the aims and purposes for which the Blue Shirt Faction stands, the party has drawn up a statement of ideals which its candidates are pledged to support. The faction believes that the best interests of student government may be served only if those interests are built on a firm purposeful foundation, and it is to formulate and define the component parts of such a foundation that this platform is presented.

The Blue Shirt Faction and its candidates, therefore, pledge themselves to:

1. Complete and whole-hearted support of the proposed "blanket" student activity tax, whose adoption, we believe, would mean economy to the individual student, general rehabilitation of activities, and establishment of definite, much-needed bonds of unity within the student body.
2. Further agitation and active work for the revision and liberalization of student social regulations, the present rules, as set forth in the university catalog, being inadequate and even detrimental because of their antiquity.
3. Further extension of athletic privileges to the general student body, including removal of the ban on mixed swimming in the Coliseum pool.
4. Ceaseless work for all proposals promising to liberalize education at this university; promotion of all valuable extra-curricular activity; continuous endeavor to increase the value of the institution and its work to the state and the people whose institution it is.

conclusions but I, being youthful and optimistic, am very likely to leap and then just hope. However, I believe that the Nebraska track team should capture the Outdoor Title without too much difficulty, but I thought that it would be better to present two views on the subject.

It seems that Chris Mathis and Assistant Coach Ed Weir had a hard time getting a way to Manhattan, if they finally got a way at all, where Mr. Weir was to officiate in the meet. They tried various persons, including sports editors (as if they had any money) and athletic coaches, but with no success. As a last resort it seems that they were going to hook, whether they did or not I cannot say, however.

The college outlook on professional baseball has changed considerably in the last twenty years. Twenty years ago the only college man in major league baseball was Christy Mathewson, the greatest pitcher of all time, but now about fifty percent of major league baseball is made up of college men. This indicates a definite trend, in my estimation, for the carrying out and specialization of sports in after life the same as the continuance of other professions is now carried out.

Next fall freshmen at the University of Wisconsin will be given a faculty advisor and a student councilor to help him get started with college life.

## BASEBALL TOURNEY TO CLOSE THURSDAY

### Alpha Gamma Rho to Meet Phi Kappa Psi for First Place.

The final playoff of the baseball tournament will take place this afternoon. Alpha Gamma Rho plays the Phi Kappa Psi for first and second places in the contest while Delta Sigma Phi plays the Beta Theta Pi for third and fourth place.

Managers of the teams are requested to arrange their own time and to report to Mr. Vogeler, intramural athletic director, the time decided upon. This is to be done immediately. The report has to be in before 3:30 this afternoon so Mr. Vogeler can select the officials. The time arranged for may be either 4 or 5 o'clock.

In the golf standings Sigma Chi is to play the Phi Gamma Delta for first and second honors. Third and fourth places are to be decided in the playoff between Sigma Alpha Epsilon and Sigma Nu.

## Student Council Plans Last Regular Meeting

The last regular meeting of the retiring Student council will be held this afternoon at 5 o'clock. Committee chairmen are expected to have their reports written and ready to turn in.

Student Council President.
