HEALTH DEPARTMENT ANNOUNCES FIGURES

Report Shows That 1416 Men Received Treatment At Bureau.

During March and April a total of 2,752 treatments were administered by the student health department at the University of Nebraska, according to a recent report issued by Dr. R. A. Lyman, dean of the college of pharmacy and director of the student health service.

March exceeded April in total number of treatments, 1,619 to 1,133. Figures show that 1,416 men students made use of the service during the two months period and 951 women visited the health office during the same period.

Hospital Days Drop.
 Hospital days in the infirmary totaled 86 in March and dropped to 36 in April. Doctors made 22 house calls in March and 15 in April. Totals for prescriptions filled were approximately equal during the two months, 195 in March and 180 in April.

The health office at the agricultural college gave service in March to 74 students and in April to 54. Swimming examinations totaled 90 in the first month of the period and 33 in the second. Twenty-eight X-ray pictures were taken in March and 10 less in April. Only 3 C. M. T. C. and R. O. T. C. examinations were given in March but the total in April reached 20.
