

VARSITY MEETS B TEAM WEDNESDAY IN FINAL WORKOUT

Nubbins Will Use Iowa State Plays During Intensive Scrimmage Today.

OFFENSE NEEDS WORK

Reserve Players See Action As Penny and DeBus Slightly Injured.

With three regulars out of the lineup the Husker squad will take its last intensive workout before meeting the Cyclones Saturday, Oct. 14, at Ames, this afternoon at 4:30 o'clock in Memorial stadium against a "B" squad versed in Iowa State plays.

the tune of 33 to 0. The week before the Cyclones defeated the University of Denver 20 to 13, their play being unmarred by a single fumble, while their forward wall cut through to nab every fumble made by Denver.

The Husker squad is leaving for their battle with the Ames outfit this Friday, October 13. Not being naturally of a superstitious nature I would nevertheless hate to have such a date as mentioned above turn out with a decidedly bitter result. No game is won until after it has been played and there can still be upsets unless the Ames battle is taken seriously.

A Pullman and diner will be provided for the team, which will leave at 7 o'clock from the Burlington station. The Pullman will be set apart from the rest of the train upon its arrival at Ames and the squad will stay in the car until time for a warmup and a look at the Cyclone field. About thirty men will make the trip and after the game they will leave immediately for home.

HUSKER CO-CAPTAINS FOR IOWA STATE GAME

DeBus and Hubka Will Head Squad in Saturday's Conflict.

Warren DeBus of Belleville, Kas., and Elmer Hubka of Virginia, Neb., have been appointed co-captains of the Husker football team for their coming conflict with Iowa State this Saturday, Oct. 14. The game will be played at Ames.

WARREN DEBUS

ELMER HUBKA

This is Warren DeBus' third year on the varsity team. DeBus weighs only 171 pounds and plays the right guard position well, ranking as one of the best guards in the Big Six in spite of his diminutive size. Of late DeBus has been nursing an injury of his right leg and has been unable to participate much in scrimmages. However he is expected to be in condition for the Cyclone game.

Elmer Hubka, first string reserve last season who has been shifted to a center position last week because of his showing in the Texas game, will most likely see action at center in the game with the Iowa State Cyclones this week end. Hubka plays an excellent defensive game.

Elmer is one of a long line of Huskers who have performed on the Nebraska gridiron. He is the younger brother of Ernie, who played with the Scarlet and Cream backfield in 1917, 1919 and 1920. Another brother, Laddie, played on the Husker line in 1923 and 1924.

Meir Takes Ely's Place

Franklin Meier is Nebraska's 1933 pivot man. He is the man picked by Bible to fill the position vacated by Lawrence Ely. He has been suggested for All American this year by sports writers choosing probable football stars. Meier is a product of Lincoln high.

CALIFORNIANS OBJECT TO MILITARY SCIENCE

Students of U. C. L. A. May Take Their Cases to Supreme Court.

LOS ANGELES, Oct. 10. (CNS). Controversy over compulsory military training courses at the University of California at Los Angeles this week broke forth again as the Board of Regents was scheduled to weigh the cases of two entering freshmen who refused to enroll in R. O. T. C. classes.

Should the board decide that the students, Alonzo Reynolds, Jr., 18, and Albert W. Hamilton, 19, should be expelled, the latter have indicated that they will start legal action designed to bring about a decision of the state supreme court to settle their right to attend the university as "conscientious objectors" to military training.

They are to be represented by John Beardsley, attorney, who will prepare their case in this event. The students declared that Beardsley has been retained on their behalf by the Southern California Methodist conference, which, they stated, has decided to make of theirs a test case which perhaps may settle once and for all the question of compulsory military training in publicly owned institutions of higher learning.

Hamilton is the son of the Rev. W. A. Hamilton, retired Methodist minister and former chaplain at Joliet penitentiary, while Reynolds' father is the Rev. Alonzo Reynolds, sr., of the Wishire Community church in Los Angeles.

Methodists Intervene. It was understood that representatives of the Methodist clergy would file petitions with the Board of Regents, protesting any move to dismiss the students, at the same time their case was to be considered this week.

Meanwhile, reports from the University of Oregon revealed another outbreak of the controversy there, several freshmen having distributed handbills urging their classmates not to enroll for R. O. T. C. As a result, the Daily Emerald at Oregon in an editorial, while taking no stand for or against militarism, protested the "spreading of propagandistic material which might discourage any student from taking courses instituted in the university's curriculum."

Daily Trojan Discusses Issue. Wendell Sether, editor of the Daily Trojan at the University of Southern California, however, took issue with this opinion, and in a counter editorial, written both at U. C. L. A. and Oregon, declared: "We . . . agree with the Daily Emerald in its statement that distribution of pamphlets to discourage students from enrolling in the R. O. T. C. is incompatible to the spirit of a university, but we will go further and add that compulsory military training is also inconsistent with the ideals on which our higher institutions of learning are founded."

The editor concluded with the statement that it is incongruous to expel students because their pacifist ideals make it impossible for them to take military training as it would be to expel a Christian because he refused to take a course in Mohammedan religion.

President's Son Wants to Stand on His Own as Other Harvard Students

CAMBRIDGE, Mass. (CNS). Franklin D. Roosevelt, jr., son of the president of the United States, this week had taken his place as one of approximately 1,000 freshmen at Harvard.

But despite this plea, Harvard police acted as his bodyguards while he registered in Memorial Hall along with other entrants and even in his quarters in Weld Hall, where he will room with his cousin, Cornelius Van Schaak Roosevelt, interviews or photographs were not permitted.

Erma Bauer, Harriet Duer, Chosen by Activities Organization. A. W. S. freshmen activities group elected Erma Bauer president, and Harriet Duer secretary at a meeting in Ellen Smith hall on Friday.

Marian Smith, leader of the group, discussed the A. W. S. board's rules, emphasizing the necessity for their strict observance. She added that the rules could be made more strict but never more lax by organizing houses.

In explaining the business of the group, Miss Smith stated that it was an organization for the purpose of discussing the various activities on the campus, their membership requirements, and purpose.

NEW YORK, Oct. 10. (C. N. S.) Late registrations were expected by enrollment officers this week to bring the total number of students up to or beyond the 36,987 mark of last year at Columbia university.

NEW YORK, Oct. 10. (C. N. S.) Students of New York university this week were invited to join a LaGuardia for Mayor club composed entirely of undergraduates, graduates and administrative officers. A McKee for Mayor organization also was expected to be formed.

BERKELEY, Calif., Oct. 11. (C. N. S.) Acceptance of 2,600 acres of forest land in El Dorado county, to be operated as a research tract for the general benefit of the lumber industry, this week was announced by the University of California. The tract is the gift of a lumber company.

NE WORLEANS, Oct. 11. (C. N. S.) An Einstein is registered at Tulane university. He is Robert Einstein, age 20, cousin of Professor Albert Einstein, and he has enrolled at Tulane to complete his medical education which he started in Germany but discontinued because of Nazi practices.

HUSKERS ARE RATED AS IMPRESSIVE TEAM

Grantland Rice and George Kirksey Place Huskers Among Highest.

IOWA, KANSAS LISTED

Press association writers were consistent in choosing Nebraska among football teams having made impressive showings in early season games.

Heading the list was Grantland Rice who listed Nebraska among fourteen outstanding teams. Included are Southern California, Michigan, Purdue, Ohio State, Carnegie Tech, Fordham, Stanford, Army, Pittsburgh, Tennessee, Princeton and Columbia.

United Press writers made the qualification even smaller. George Kirksey of the Chicago U.P. stated that football in the combs hit a new height with Nebraska, Iowa and Kansas among the nation's gridiron leaders.

C. W. "Doc" Spears, who conducts a column for the North American Newspaper Alliance also praised Nebraska, although claiming that he knew Texas would be beaten all the time. Said Spears, "Nebraska, as was expected, gave Texas a sound beating by virtue of a great day by Sauer, a great back, Nebraska looked good."

COLLEGES AID IN NRA

Survey by News Service Shows Whole-Hearted Cooperation.

(CNS).—College students throughout the country are co-operating wholeheartedly in President Franklin D. Roosevelt's national recovery program, a survey made by College News Service showed this week.

In numerous campus student-sponsored campaigns were under way to secure signatures to consumers' pledge cards under the NRA, and at the University of Michigan, booths have been established at various locations on the campus under the auspices of the Undergraduate Council to facilitate the work of distributing pledge cards and consumers' NRA stickers.

Similar campaigns were under way on many other campuses throughout the land, another notable example being Los Angeles

Junior College, where the Junior Collegian, student newspaper, sponsored the movement which resulted in practically all of the institution's 4,500 students signing the pledge cards.

IT SEEMS TO ME

by Irwin Ryan

Although Ames is somewhat disturbed about the reports of the Nebraska victory over the Texas Longhorns Saturday they are nevertheless of the opinion that the Huskers can be beaten and are confident of their ability to perform such an upset. Ames and Iowa have been somewhat underestimated in the past and these teams are determined that they will have to be reckoned with from now on.

This Wednesday the Veenker squad will scrimmage their freshman team which has been spending the first few days of the week in learning the plays which were executed by the scarlet and cream Saturday against the Steers. During the time when the Huskers and Longhorns were having their battle for supremacy the Cyclones trimmed their yearlings squad to now on.
