> INSTRUCTION IN FIRING OFFERED TO FRESHMEN

Military Science Students Will Hold Annual Competition.

Under the auspices of the University of Nebraska Military Department, the freshmen students in military science will receive instructions in marksmanship at the Andrews Hall Rifle Range beginning Monday, Nov. 13, under the supervision of Sergeant (" F McGimsey

At the termination of the up period, each company structional will fire for competitive rating with the other freshman compan ies and will select their company

champion Following this meet, will be a match conducted within each company for the purpose of se-lecting a company team to compete with the other selected teams in final matches.

Prof. Arndt Discusses Difficulties Involved in Question of Recognizing Russia; Perplexities in Trade Arise

maintain the principles of a true Americanism unless we are self-contained economically. "Nobody has, of course, any objections to our sale of goods to Russia, or to anybody else for that matter. Even the most ardent advocates of economic isolation do not see any reason why other countries should not be dependent on us when we are not dependent on them."

Communism and Capitalism.

"The prospect of a greatly re-vived trade with Russia raises a cheoretical difficulty of interest to philosophers of the scholastic va-riety and to certain economists." he said. The question is: How can trade be carried on between two nations which profess conflicting theories of trade? How can a capitalistic export become a commu-nistic import? Can conflicting economic laws govern the same transaction? The problem is too diffi-
