the present, at least, stocks on hand represent a buying opportunity that may never be repeated.

Look at the hat you've been wearing. Haven't you had it a little too long? Isn't it more shabby and shapeless than you realized? Think what a handsome new hat can do for your appearance, your morale. It says "heads up" the minute you put it on!

Go shopping now for a hat-for shoes, shirts, shorts, neckwear, socks-for anything you need or are likely to need. It isn't a question of flagwaving patriotism, but of economic common sense. You'll save by spending! Now is the ' time to buy!
