STAGE SEND-OFF FOR SQUAD

ANNOUNCE DATE OF FALL REVUE GIVEN BY KLUB

Book Stuart Theater: Show consists of Ten Skits; Use Student Talent.

PLAN TICKET CAMPAIGN

Gepson Calls Meeting of the Organization for This Afternoon.

The annual Kosmet Klub fall revue will be held in the Stuart theater at 13th and P. Sts. on the morning of Saturday, November 25, according to information released yesterday from the office of the Klub.

Frank Musgrave, president of the Klub, announced the fact that the Klub had booked the Stuart theater for the show last year, because of the size, accommodations, and facilities for the production this year, which he believes will be one of the most elaborate ever staged by the Klub.

Ten Acts on Program.

The entire stage facilities of the theater will be used in presenting this year's revue, which will consist of ten skits sponsored and produced by all-student talent. Fourteen campus organizations will take part in presenting the acts.

John Gepson, business manager of the Kosmet Klub, announced that there will be a meeting of all Kosmet Klub members and workers in the office of the organization in the basement of U Hall this afternoon at 4:30 o'clock to make plans for the ticket sales campaign.

Will Check Out Tickets.

Tickets will be checked out to all workers and members at the time and assignments and organization of teams for the sale will be completed. He urged all concerned to be present on time in order to get the drive under way immediately.

BARBS ORGANIZE ON LARGE SCALE AT MASS MEETING

Form Clubs; Have Members On Inter-Club Council; Filley Presides.

With over 200 men present at the Tuesday evening mass meeting, Barb men proceeded to organize on a larger scale than ever before. The gathering was held in Social Science auditorium, and was addressed by Prof. E. W. Lantz and Harold Petz, intramural director.

Forty of the men present indicated their desire to form clubs of men each, of which they will be representatives on the Interclub council, the governing body of the unaffiliated men's organization. Last year about 25 men had clubs, which co-operated in Barb undertakings throughout the year, but this is the first year in which such a concentrated effort has been made to bring about a permanent organization, which has as its aim the development of Barb activities and the aiding of unaffiliated men other campus activities.

Filley Presides.

Vernon Filley presided at the Tuesday mass meeting, leading the discussion of organization for a short time, and then introducing the two speakers of the evening. Prof. Lantz stated in his talk that he was backing the organization of Barb men because of the value of such a system to the individual since it affords the student opportunity of meeting other people and since there are such sympathetic established and running on other campus, there might as well be one here at Nebraska, carrying out its function.

Athletic Program Outlined.

Harold Petz, the second speaker of the evening, who is director of intramural athletics, outlined an intramural athletic program in which the club may participate this winter. Sports which are listed on the program are basketball, volleyball, baseball and swimming. The basketball round robin tourney is to begin the second week in December.

The inter-club council will meet next Tuesday night at 7:15 in DeLoach Union hall on the third floor of the Temple building. New representatives will be present with the lots of men in their clubs.

SORORITY INITIATES THREE

Virginia Selleck Presides at Meeting; Brief Informal Talks Presented.

Three women students were initiated into Gamma Alpha Chi, honorary advertising organization for women, in Ellen Smith hall Tuesday night at 7:30. Virginia Selleck, president of the active chapter, presided at the ceremonies, which were the first to be held this year.

Those who were initiated into the sorority are Pearl Cosgrave, graduate student from Lincoln; Dorothy Passmore, senior in the arts and science college from Lincoln; and Allene Mumau, junior in Teacher's college from Tobias.

Brief informal talks were presented after the ceremonies by Charlotte Treat, treasurer of the organization, and Eleanor Pleak, secretary. Plans for future meetings were discussed, and the work of the organization for the year was outlined.

COLLINS DIES AT LINCOLN HOSPITAL TUESDAY MORNING

Assistant Museum Curator Contracts Pneumonia After Operation.

FUNERAL ON THURSDAY

Associated With Dr. Barbour Since 1921; Authority On Geology.

Frederick G. Collins, assistant curator for twelve years at the University of Nebraska museum, died unexpectedly Tuesday morning at 6 o'clock in a Lincoln hospital. Death was attributed to pneumonia contracted after an eye operation early this month. Collins was 65 years of age.

As a lecturer on the museum, Collins was known to hundreds of people, having conducted his series of talks for a number of years to visitors in Morrill hall.

Came from England.

Coming to Lincoln from Exeter, England, Collins has been associated with Dr. E. H. Barbour and the University of Nebraska since 1921.

Mr. Collins was educated at Oak House school at Axminster and University college of the southwest. He was also affiliated with Oxford and Cambridge universities.

Was Geological Authority.

In Exeter, England, his birthplace, he was governor and lecturer of the Albert memorial museum and a fellow of the Royal Geographic society. An authority on the geology of Devonshire much of his research on the subject has been published.

Leaves Family of Three.

Mr. Collins is survived by his wife, one daughter and one son. His home was at 2127 Worthington street.

Funeral services are to be held Thursday afternoon at 2:30 o'clock at the Holy Trinity church, Twelfth and J streets.

SELLERS LECTURES ON RUSSIAN RECOGNITION

Address Was Given at Noon Meeting of History Department.

Dealing with a question of current interest, Prof. J. L. Sellers gave a talk on "Russia's Chance of Recognition by the United States" Tuesday noon at the meeting of the history department. Mrs. W. E. Cunningham, the leader, presided.

Mr. Sellers also delivered the regular lecture to the group discussing "Separation from England, a Natural Consequence," as a phase of the subject under discussion. "Early American History."

Gives Dialect Reading.

Mrs. L. D. Spence also appeared on the program, presenting a number of dialect readings. Miss Ruth Pyrtle was scheduled to give a talk, but was unable to be present, and will appear at some future meeting.

The guest speaker at the next convention will be Prof. Dwight Kirch, who will give a talk on "Nebraska, the Beautiful," illustrated by pictures.

DELEGATION FOR ARMORY ARRIVES AT DESTINATION

Plans Called for Conference With Deputy Public Works Administrator.

CHANCELLOR DETAINED

Proposed Memorial Structure Will Be Built from Federal Funds.

Officials of the university arrived at the nation's capital yesterday to present plans for the proposed \$400,000 Pershing memorial armory which they will ask the war department to build on the university campus with public works money.

The delegation planned to confer yesterday with General Douglas MacArthur, chief of staff of the war department. Later, it was decided, the delegation will call on Colonel Henry M. Waite, deputy public works administrator.

The university delegator, which left Lincoln Sunday, includes M. A. Shaw, president of the board of regents; L. E. Gunderson, finance secretary, and Col. W. H. Oury, commandant of the local unit of the R. O. T. C. Chancellor E. A. Burnett had planned to accompany the delegation to Washington, but was detained at Chicago for a meeting of the land grant colleges and state universities.

Use Federal Funds.

The delegation, while in Washington, explained that the proposed memorial armory would be built entirely from federal funds which they hope will be allotted to them thru the war department by the PWA.

"We believe the project is especially desirable," Gunderson said yesterday. "So far our public works projects have been chiefly highways, and there has been little employment opportunity for carpenters, bricklayers and other builders."

Announcement of the change in policy with respect to class cuts was made by Professor Joel H. Hildebrand, chairman of the committee on educational policy of the academic senate, who said it would affect both the University of California at Berkeley and at Los Angeles.

He declared that the sole proof of learning under the new plan would be results as reflected by examinations.

The order, however, will not affect classes in military training, physical education and technical subjects involving laboratory work and field trips. Such students will be required to attend classes as usual.

Policy in Effect Soon.

Professor Hildebrand said that final details of the new policy are now being worked out and that it probably would be placed in effect at the beginning of the next semester.

Questionnaires, which were recently submitted to each fraternity's representative on the alumni council concerning his fraternity's financial status, are to be filled out and turned in to Dean Thompson's office today.

The entire group of sealed questionnaires will be referred to the executive committee of the council, which will make preliminary plans for the general fraternity betterment after studying the answers to this questionnaire. The executive council plans to make a definite report on the situation in about two weeks.

Take Definite Steps.

Agitation was started last year concerning a change in organization of the Interfraternity Council. This year definite steps were taken for re-organization. One of the main innovations was the founding of the alumni council of which Claude Wilson, Alpha Tau Omega, was elected president and B. L. Nohle, Alpha Sigma Phi, secretary.

The Interfraternity Council and alumni council are planning consideration of suggestions made by Professor Schramm after returning from an Interfraternity meeting held in Chicago.

THETA SIGMA PHI INITIATES

Journalistic Sorority Will Induct Seven Pledges Wednesday.

Seven girls will be pledged to Theta Sigma Phi, national journalistic honorary for women, at a meeting in Ellen Smith hall this afternoon at 5 o'clock.

The new members of the organization are to be Frances Brune, Janet Killian, Helen Kropf, Jane Cleary, Dora Hanford, Betty Segal and Harriet Rosendell.

DR. EICHE ADDRESSES YMCA

DeMolay Advisor Will Deal With Men and Women Relationships

"Men and Women Relationships" is the subject of the address to be given at the YMCA meeting at 7:15 this evening by Dr. Fred Eiche, chairman of the Advisory Council of DeMolay.

The guest speaker at the next convention will be Prof. Dwight Kirch, who will give a talk on "Nebraska, the Beautiful," illustrated by pictures.

Professor Barbour Loses Personal and Intimate Associates

Fale's ironic finger pointed to Prof. E. H. Barbour, curator of the university museum, this week when two of his intimate personal and professional associates died.

Dr. Olaf August Peterson, internationally noted paleontologist and curator of the Carnegie museum in Pittsburgh, died Monday. Known especially for his finding of the skeleton of a prehistoric giant hog, Peterson incurred interest in his field from a Nebraska boyhood hobby of fossil collecting and did much of his research work in this state, near Valentine.

Frederick G. Collins, assistant curator of the university museum and assistant of Barbour since 1921, died Tuesday morning. He was familiar to thousands of museum visitors through his series of lectures at the institution.

Objection Since 1927

Quakers and Mennonites Are Already Excused From Military Science.

CALIFORNIA WILL ALTER ITS POLICY CONCERNING CUTS

Voluntary Class Attendance Will Soon Be Rule at Western School.

BEGINS 2ND SEMESTER

Freedom From Compulsory Attendance Favored by Professors Here.

BERKELEY, Nov. 14.—(UPI)—"More learning and less teaching" will be the policy of the University of California under a new plan adopted this week whereby compulsory class attendance is eliminated.

Announcement of the change in policy with respect to class cuts was made by Professor Joel H. Hildebrand, chairman of the committee on educational policy of the academic senate, who said it would affect both the University of California at Berkeley and at Los Angeles.

Inclusion of Methodist students along with those of the Quaker and Mennonite denominations among those who may be excused from drill on grounds of religious scruples was effected because of a strong resolution denouncing war which was passed by the general conference of the Methodist church in 1932, according to Rev. J. D. M. Buckner, retired Methodist minister and peace advocate.

Started Move in 1927.

The movement on the Nebraska campus to have Methodist students excused from military science was begun in 1927, Rev. Buckner stated. At that time, members of the Lincoln Ministerial association engaged in a debate over the question with Colonel Jewett, then

STAGE BONFIRE RALLY TONIGHT

Pep Organizations Complete Plans for Huge Gathering This Morning in Social Science at 10:30; Arrange Send-Off for Thursday.

NEBRASKA SWEET-HEART ENTRANTS RUN CLOSE RACE

Record Total of 700 Votes Cast; Keep Identity of Winner Secret.

With a huge bonfire rally scheduled for this evening, in addition to a short rally to be held in Social Science Hall this morning at 10:30 a.m., plans for the largest rally of the year were completed yesterday by Tassels and Corn Cobs, pep organization on the campus in charge of the affair.

Determined not to repeat the miserable showing made two years ago when a great Husker team went back to Pittsburgh, extensive preparations were completed to give the victorious Nebraska team a rousing sendoff.

Stage Bonfire Rally. In addition to this morning rally and the huge bonfire rally to be held this evening, a sendoff rally has been set for 6:45 Thursday morning, just before the teams entrain for the east.

The evening rally, which will be held on the drill field back of the coliseum, will start at 7:30 with the university R. O. T. C. band, the Corn Cobs, members of the team, coaches, faculty members and a large number of students are expected to be present.

Bring Wooden Boxes. An urgent request for all students to bring wooden boxes and strips of wood to the field back of the coliseum during the day by Anne Bunting, president of Tassels.

Members of the council election committee as well as officers counted the ballots last night after the polls in the Temple building closed at 5 o'clock. Members of the Student Council were at the polls all day to supervise the election.

Cast 700 Votes. A total of more than seven hundred votes, the largest number of ballots cast at a Nebraska Sweetheart election for some time, was recorded in the count. The seven candidates for the position were Roma De Brown, Kappa Kappa Gamma; Bertha Hammer, Kappa Alpha Theta; Bash Perkins, Alpha Xi Delta; Elfreida Staats, Alpha Omicron Pi; Leonie Pollard, Chi Omega; Helen Sheddell, Delta Delta Delta; and Frances Jane McEvoy, Alpha Phi.

Members of the council election committee as well as officers counted the ballots last night after the polls in the Temple building closed at 5 o'clock. Members of the Student Council were at the polls all day to supervise the election.

The identity of the winning candidate will be known to only a few persons and will be kept secret until she is presented at the annual Kosmet Klub fall issue on Friday morning, November 25, at the Stuart theater.

STOCK JUDGING TEAM MADE UP OF SIX MEN

Coach Thalman Picks Squad Which Will Enter Meet At Kansas City.

Students selected for the 1933 stock judging team, according to Coach H. B. Thalman, are Ray Murray, Clinton Reinhard, George Hindhoff, Howard White, Leonard Wenzl, and Willard Walde.

The Nebraska team will leave Friday for Kansas City to enter the Inter-Collegiate judging contest at the American Royal Livestock Show. Teams from fifteen colleges will be entered at the Royal, according to Thalman.
