Approximately five hundred persons watched the game.

For two quarters the teams battled on even terms, a soggy field and numerous fumbles nullifying ball-carrying attempts. The first quarter was all for the Yellows. Taking the ball on their own 21yard line, after an exchange of punts, they drove past the midfield marker before a stubbornly resist-ing Blue forward wall checked their march, forcing Francis to kick DeJarnett, Blue backfield ace, kicked outside, on the next play, on the Yellow 2-yard line, and, a few plays later, duplicated his performance by kicking out of bounds on the 7-yard line. Most of the plays used were end runs both lines being hard to open. These end runs lost more ground than they gained, the ends of both teams cracking the interference and throwing the ball carrier for

After an exchange of punts, the Yellows Otopalik coached the Cyclone took the ball on their own 35, and a long boot by Francis that the Blue safety missed went to the 7yard line before it was downed.

DeJarnett went back of his own goal line to punt, but instead of kicking, ran wide around the end, fore he was hauled down from the rear. On another fake kick formation DeJarnett passed to Hopp for seventeen yards, but a fumble gave the Yellows the ball on the Blue 34, from where they drove to the 7-yard line before the whistle, ending the half, halted their progress.

The third quarter opened with a Blue running attack that forced the Yellows back step by step until an intercepted pass by Howell checked the touchdown march. A fifteen yard penalty, plus several long runs by DeJarnett gave the Blues the ball on the 50-yard line, after they had advanced it from their own 20. It was then that their own 20. It was then that Howell leaped high in the air to intercept one of Francis's passes and ran to the Blue 43-yard line before being tackled. Cardwell, on two successive plunges, made a first down, and a completed pass from Cardwell to Francis gave the Yellows the ball on the Blue 11-

yard line as the period ended. Pass Intercepted. The Blues retaliated by inter-

The Blue line stiffened, and took the ball, but another attempted kick was blocked and recovered by the Yellows on the nine yard line. Two plunges by Weir's crew netted nothing, but on the third try, after a five yard penalty for offside, Francis traversed the remaining distance to the goal by a line plunge. His pass to McDonald for

the extra point was good.

A few minutes later Howell figured in the scoring column by intercepting a pass on the 25-yard line, and then running the end for the remaining yards to the goal. Francis' kick for the extra point

DeJarnett Outstanding.

DeJarnett was outstanding in the work of the Blue backfield, his punting pulling his team out of some very bad holes, and placing the Yellows at a disadvantage. In the Yellow backfield Howell, Francis, and Cardwell played a consistent, winning brand of football. Kasal and McDonald shone in the latter line, McDonald, at end,

## FLOWERS for Formal Affairs

Corsages are back again! This year flowers are in vogue for all formal occasions. University men will present ladies of their choice with corsages for the Military Ball and all other formal affairs.

And what more completely finishes a co-ed's formal attire than a beautiful corsage of fresh flowers.

Emily Post, the great authority on Etiquette, rules that it is correct to send corsages. So send your date a corsage. It's being done this year!

\_why Luckies taste better, smoother

On certain mountains in the Near East is a limited collar of earth-called in Turkish, "Yacca." Tobaccos grown there cost as high as \$1.00 a pound. Carefully they are examined, leaf by leaf. Often it takes a man a whole day to select two pounds of certain of these fine tobaccos. Lucky Strike is the world's biggest user of fine Turkish tobaccos. For these tender, delicate Turkish leaves are blended with choice tobaccos from our own Southland-to make your Lucky Strike a cigarette that is fully packed -round and firm-free from loose ends.
