

# GREEK HOOPSTERS BEGIN ACTION IN CLASS A LEAGUE

### Tournament Will Continue; Teams Alternate in Use Of Coliseum.

Class A and Class B teams got away to a flying start in intramural basketball, with all teams of both classes swinging into action. The Class A tournament held the spotlight Monday night, but the Class B took preference Tuesday night.

In Class A basketball all four

leagues went into action, the results being: League I—Alpha Gamma Rho defeated Farm House by a close score, 15 to 12. Sigma Phi Epsilon nosed out Kappa Sigma by a score of 7 to 5. In League II Chi Phi played superb defensive ball in a 21 to 0 triumph over Delta Sigma Lambda. Sigma Alpha Epsilon and Phi Psi played to a 22-14 victory for Sigma Alpha Epsilon. League III also turned in a scoreless win, Delta Tau Delta blanking Sigma Chi 9 to 0. Theta Xi won from Alpha Sigma Phi 14 to 9, and Delta Upsilon won from Phi Sigma Kappa by a forfeit. League IV found Tau Kappa Epsilon winning from Acacia 30 to 20, Sigma Nu outscoring Sigma Alpha Mu 38 to 20, and Beta Theta Pi defeating Alpha Tau Omega 18 to 10.

### Tournament Continues.

Approximately 500 persons witnessed this first basketball exhibition of the season. The tournament will continue now until the finals are played, with Class A and Class B teams alternating use of the coliseum.

In the Class B games played Tuesday night the following results have been tabulated:

League I—Delta Sigma Phi 25, Kappa Sigma 7; Alpha Gamma Rho 30, Sigma Phi Epsilon 7.

In League II Sigma Alpha Epsilon defeated Chi Phi 14 to 3; Phi Kappa Psi won over Farm House 10 to 5; Pi Kappa Alpha trounced Phi Delta Theta 47 to 1.

League III—Theta Xi forfeited to Delta Upsilon; Delta Tau Delta beat Sigma Chi 14 to 5.

League IV—Beta Sigma Psi edged out Alpha Tau Omega 6 to 4; Sigma Nu conquered Beta Theta Pi by a score of 12 to 5; and Tau Kappa Epsilon forfeited to Acacia.

Games tonight are devoted entirely to Class A basketball. Complete schedules are in the hands of fraternity athletic managers. All games should be played on time. Class A and Class B teams will alternate use of the coliseum until the finals are played.

With their money safely tucked in stockings and with stove poker handy, twenty coeds in co-operative cottages at the University of Minnesota stayed up all night last week, waiting for the prowlers who have burglarized the other four co-operative cottages within the past month.

# CAMPUSOCIETY

### IF IT WERE POSSIBLE TO CHART

campus social affairs on a graph, a sharp decline would be indicated about the middle of every week. Everybody is either recuperating from the past weekend or preparing for the coming one, if any conclusions can be drawn from this. Of course it must also be taken into consideration that there are a few "students" who spend week nights studying, thereby detracting from the popularity of mid-week events. This week is no different from any other, but it is merely the lull before the storm, for Friday and Saturday nights promise plenty in the way of entertainment.

### AMONG THE MANY dinners,

which are being planned to precede the Mortar Board party Friday night, is a nohostess affair at the Cornhusker at 7:30. The eight couples will include Carnerne Felter, Lucile Halsted, Margaret Chase, Allaire Barkis, Polly Poljard, Alice Neil, Eola Fischer, Jane Catterlin, Glenn Coleman, Bob Chase, Mervin Worrell, Bob Douglas, Dick Kosman, Red Connor and Alden Martin.

### AND OTHERS

who will give dinners that night, so we have heard, are the Kappas, the Alpha Chi Os, the Alpha Phis, and the Mortar Boards, as well as several small groups.

### THE CHRISTMAS

holidays are to be crowded with festivities for brides to be and the holiday spirit will furnish a gay setting for weddings which will take place during the Christmas season. Harriette Love has set Dec. 27 as the date of her wedding which will take place at Trinity Cathedral in Omaha. Tyler O'Connor will be maid of honor, and bridesmaids will be Charlotte and Jean Huse, Ruth Mallory, Mary Lauer, Martha Wood, and Mary Updike. About six hundred invitations have been issued for the wedding.

### THE NEW officers

of PiKa were elected last Monday night at the regular meeting. They are: Dick Decker, president; Laurence Humphrey, treasurer; Robert Galloway,

historian; and Woodrow Birge, secretary.

Recent pledges of PiKa are Howard Baker and Bill Rupp of Grand Island, and Francis Hanna of Valentine.

### BECAUSE THE party

is to be a kitchen shower, Miss Ilene Baker and Mrs. Carl J. Olson have planned to carry out a vegetable idea in the decorations, when they entertain tonight in honor of Miss Ruth Holmes, who will be married on Christmas morning to William Tempel. Eight guests have been invited to the waffle supper, which will be at 6:30 o'clock at the home of Miss Baker. The evening will be spent sewing. Miss Holmes has selected Miss Ilene Baker as her only attendant, and Bill Holmes, brother of the bride, will be the best man. The wedding will be at the University Episcopal church.

### THE LAST word

in decorations at this time of the year is something in the Christmas spirit... red and green candles... decorated Christmas trees... and poinsettias. The Newman Mothers club will use these at their covered dish luncheon Thursday afternoon at the house, when twenty-four guests will be present. Mrs. Harry Spalding and Mrs. Frank Kidwell are to be the hostesses.

### AND COLORS

of the yuletide were used on the tables at the 1 o'clock luncheon of the D. S. L. auxiliary at the house yesterday. Mrs. A. G. Williams, Mrs. G. V. Keller, Mrs. E. E. Harlan, Mrs. G. F. Hamilton, and Mrs. A. M. Carlson were the hostesses. The next meeting of the auxiliary will be at the Harmony Tea Room on the second Tuesday in January with Mrs. C. M. Burgess as chairman.

### TWELVE

attended the annual Christmas luncheon of the Alpha O Mothers club on Tuesday at the house. Decorations carried out the holiday motif and long green tapers were used on the tables.

### A WHITE elephant party

and business meeting will be attended by twenty-five Delta Zeta alums at the home of Mrs. Lawrence Pike on Thursday evening at 8. Poinsettias will be used as decorations and a small Christmas tree will be on the table. Members of the committee are: Mrs. Pike, chairman, Josephine James, Mrs. Florence Williams, and Regina Messinger.

### TONIGHT

at the home of Miss Ruth Hill the actives and pledges of Sigma Alpha Iota will give their monthly musical program. Following the program, which is to be at 7 o'clock, there will be a Christmas party. Musical selections will be given by Miss Katherine Fitzsimmons, vocalist, Miss Grace Wekesser, cellist, Miss Mildred Walker, pianist, and Miss Katharine Simpson, vocalist.

# BROWNE DRILLING CAGERS FOR TRIP DURING VACATION

### Fast Breaking Offensive Is Feature of Nebraska Floor Game.

### MARQUETTE COMES FIRST

### First Team Is Composed of Four Veterans, One First Year Man.

With only five more days of practice left before entraining to play Marquette university at Milwaukee, Coach Browne's squad of cagers are working hard every night in preparation for the encounter. Most of the plays have been mastered that have been given so far and to a certain extent the serimmages are the main part of the night's workout.

A fast breaking offensive practice has been stressed for the past week, and the forwards are beginning to drop the ball through the hoop with a little more consistency, working the ball very cleverly under the basket before risking a shot.

### Four Veterans on Team.

With a first string composed of Parsons and Mason, guards; Boswell and Lunney, forwards, and Zentz at center, the Browne squad has been soundly trouncing the frosh. All the above men were with the Husker quintet last season with the exception of Max Zentz who is only a sophomore.

Zentz, a capable ball player and very adroit and clever at handling the ball, is being groomed by Coach Browne to fill the center position. While not tall enough to get the tip, Zentz is a six footer and a good defensive player. He played high school basketball at Omaha North and was high scorer of Nebraska. He is considered one of the best high school players to ever play in Nebraska's metropolis.

### One Veteran on Second Five.

A second string lineup has Belka and Yelkin at guards; Loder and Widman, forwards; and Sorenson at the pivot post.

Coach Browne expects to cut the basketball squad to twelve or even ten today and give most of his attention to them in order to better prepare for the holiday jaunt.

George Sauer and Harold Petz are in charge of the freshmen maple aspirants and are daily preparing their offensive and defensive tactics to be used against the varsity. Each night the Frosh scrimmages some against the Varsity but usually to no avail after the first few minutes.

### Frosh Get Fundamentals.

For the most part fundamentals are taking up most of the coaches' time and it is in the yearling ranks that the Husker basketballers acquire the foundation for the games that are played later. In a good many cases it is necessary to break some of the habits that have been formed over a period of years, and besides being difficult it takes a lot of time.

However on the defensive, they furnish good hindrance to the varsity and give them some opposition until they are able to organize enough to make it really work for the varsity to even score.
