HUSKER 'B' SQUAD PLAYS CONCORDIA SCHOOL SATURDAY

Will Be Third Battle of Season for Coach Knight's Team.

PLAY DOANE TUESDAY

Cagsters Suffer No Losses; Merrill Morris Has Score Of Nineteen Points.

Coach Wilbur Knight's "B" basketball squad leaves Saturday at 1:30 o'clock for Seward, Nebraska, where they play Concordia college Saturday night at 8 o'clock in the Knightmen's third battle of the season.

As yet Coach Knight is not sure of the number of men he will take on the trip but tentative plans are to take at least nine men and possibly ten. If the men show up well in practice tonight the larger number will probably make the trip.

Will Play Doane.

Returning home after the tilt, the weather permitting, the "B" squad will again take to the road the following Tuesday when the play Doane college at Crete.

So far this season the strong "B" quintet has suffered no losses and have come thru in excellent shape. This year's squad is considerably stronger than outfits of previous years and as a result Coach Knight expects them to go places.

Excellent Ball Handlers.

Coach Knight has two excellent ball handlers in Bob Palling and Tom Cheney while Merrill Morris not only does a clever job of floor work and leather manipulation, but is a deadly shot. Morris in his two games up to date has a total of 19 points to his credit.

The men making the trip are: Forward—Shank, Bauer, Morris, Cruise; centers—Peden, Hopt; guards—Palling, Cheney, Wolf, Hulac.

CYCLONES TO PLAY TWO BIG SIX TILTS

Contest Kansas Aggies and Oklahoma; Coach Repairs Crumbled Defense.

AMES, Ia., Jan. 11.—Two Big Six games in two nights in the southernmost corner of the conference are in store for the Cyclone basketball team this weekend.

Nine cagers, the coach and trainer will leave Ames Thursday night by train. Friday night they will buck the Kansas Aggies at Manhattan, and then hop a train for Norman, Okla., where they will meet Oklahoma Saturday night.

Repairs Defense.

Coach Louis Menze has spent the week in attempts to repair a defense which crumbled for the

first time this season in the game with Nebraska Friday night. "We were especially poor in taking rebounds from the bangboard," said the Cyclone coach yesterday.

Men to Take Trip.

Besides Coach Menze and Trainer George Nelson, the following men will make the southern trip: Chester Anderson of Burlington, Ed Doty of Dallas City, Ill., John Cowan of Crystal Lake, Ill., Homer Bateman of Ames and Jack Cowen of Packwood, forwards; Waldo Wegner of Evely, center, and Frank Hood of Creston and Torvald Holmes of Gilbert, guards. Waldo Wegner of Evely, Cyclone basketball team center, dropped five field goals and five free throws thru the loop in the Iowa State-Nebraska game to take the lead in a scoring duel being waged between him and his teammate Edward Doty of Dallas City, Ill.

Following the first game with Drake, Wegner was leading 28 to 25, but a scoring spree by Doty in the second Drake game put him ahead 36 to 31. Now the count for the six games is Wegner 46, Doty 40.

IT SEEMS TO ME

by IRWIN RYAN.

In meeting both Missouri and Kansas Aggies this week end, the Huskers will have an additional motive for coming home successful. Heretofore their trips to Columbia and Manhattan have been anticipated with little zeal because of a rather backward or weak standing in Big Six circles. However, preceding this trip the Huskers have gotten off to a better start than they have for a considerable length of time and they are determined to keep this lead if it is humanly possible for them to do so.

Inspired to try to gain the Big Six crown in basketball for the first time in many, many seasons the Scarlet will not let go of their small lead in the standings without a scrap. If they can possibly come thru with victories on this lone trip, their prospects for the Big Six throne will be increased to a very probable ratio.

The above is true because of the fact that only Oklahoma would remain yet to be played and victories over the other four conference teams would give them at least a fifty-fifty rating with them in some of the second tilts with these schools. However, I am jumping far ahead of myself and the team for the Brownmen have in no ways won this series of victories of which I am hopefully speaking.

Coach "Phog" Allen certainly would make an excellent witness for a criminal case. Not only does he make mistakes but he has a very perfect (almost too perfect) an alibi for his confusion. As regards Leland Copple and his 236 pounds.

When this was brought to his attention he managed to state, in spite of deserved embarrassment, that he had been looking over the Nebraska football roster, (for basketball players, of course), and had mistaken Thompson for Copple. The similarity of pronunciation most likely accounted for this slight error, or was it spelling?

Again he gave Nebraska the best credit possible for winning the game. His squad's "inexperiences" and the Brownmen's experience. Of course Harrington, Wells, Gray and Vanek were on the squad last year but then they didn't play basketball here in last Tuesday's game. If the above statement is interpreted literally this might be so, otherwise I think not.

NAME CHAMPIONS IN THREE CLASS A CAGE LEAGUES

AGR, Pika, and Beta Cage Teams Win Way Into Semifinals.

PLAY FINALS NEXT WEEK

Delta Upsilon and Deltas Tie for Third Loop Leadership.

Three league champions were crowned Thursday night as Class A competition completed its schedule. Alpha Gamma Rho, Pi Kappa Alpha, and Beta Theta Pi were declared champions of Leagues I, II, and IV, respectively. Delta Tau Delta and Delta Upsilon find themselves in a tie for the championship of League III, a tie that will be played off Friday night after the Class B games are played.

Alpha Gamma Rho won the league championship in League I for a forfeit from Kappa Sigma. The AGR's have had a comparatively easy time in winning their league, their closest game being a 15 to 12 victory over Farm House, and the others being won by substantial margins. The victory gives Alpha Gamma Rho the right to represent League I in the finals played Monday and Tuesday nights. While the schedule has not been drawn up as yet, it will be mailed to the fraternities competing just as soon as all the results are tabulated. In the other League I game, Farm House forfeited to Delta Sigma Phi.

Pi Kappa Alpha Wins.

Pi Kappa Alpha cashed in on gift shots to win from Sigma Alpha Epsilon and cinch the championship of League II with five victories and no defeats to their credit. The score was 13 to 9, and of 13 points the Pi K. A.'s made 7 on free throws. Sigma Alpha Epsilon cashed in on only one gift shot, outscoring their rivals 8 to 6 on field goals. Both teams missed numerous shots, but the great difference in free throws enabled Pi Kappa Alpha to pile up a winning margin. Pi Kappa Alpha will represent League II in the finals, and will probably play Alpha Gamma Rho, champions of League I. In the other League II game Phi Kappa Psi won from Delta Sigma Lambda by a forfeit and Chi Phi and Phi Delta Theta failed to show up for their game.

League III was thrown into an unexpected tie between Delta Tau Delta and Delta Upsilon. Delta Tau Delta and Alpha Sigma Phi postponed a game last month by mutual agreement, but, since the intramural office and game officials knew nothing of the matter, it went down as a loss for both teams. Consequently Delta Tau Delta and Delta Upsilon, each with four victories and no defeats will have to play for the title. The game will most likely take place Friday night after the Class B games are played. In their previous encounter Delta Tau Delta won 14 to 0, and contemporary results give them a slight margin. The winner will be League III's representative in the finals.

D. U. Beats Theta Xi.

Delta Tau Delta won its Thursday evening game by a forfeit from Phi Sigma Kappa. Delta Upsilon beat Theta Xi 20 to 9 to remain in the running for the title, while Alpha Sigma Phi won from Sigma Chi by a forfeit.

Beta Theta Pi won the laurels in League IV by trouncing Sigma Alpha Mu 43 to 25. The outcome was never in doubt, with the Sarmies never being able to match the

superior speed and accuracy of the Betas. The latter team stepped into an early lead and maintained this lead throughout the entire game. The last quarter showed the greatest rally of the Sarmies, but they could not hope to overcome the great lead piled up on them in the first three quarters.

Tau Kappa Epsilon, in a tie for the lead with the Betas and Sarmies, was upset by Sigma Nu to lose their chance for the championship. Sigma Nu staged a rally in the last minutes to win, after trailing by two points most of the last period. The lead sea-sawed back and forth from the opening whistle, with neither team able to hold a large margin for any length of time.

Class B Games Friday.

With Class A games off the schedule, Friday night will be devoted exclusively to Class B. All league champions, barring ties resulting from unexpected upsets will be decided.

In League I of Class B Alpha Gamma Rho plays Kappa Sigma, the AGR's needing but this one victory to cinch the title. As Kappa Sigma has lost every game to date Alpha Gamma Rho is given more than an even chance to win. Delta Sigma Lambda plays Sigma Phi Epsilon in the other of its victories.

Pi Kappa Alpha and Phi Kappa Psi, both undefeated teams, play for the title of League II. Temporary results give neither team the advantage, both being evenly matched. Chi Phi plays Phi Delta Theta and Farm House meets Sigma Alpha Epsilon in the other games.

Phi Sigs Are Champs.

Phi Sigma Kappa has already assured itself of the championship of League III as a result of its victory over Delta Tau Delta Wednesday night.

Sigma Nu, as the only undefeated team of League IV, plays Acacia Friday night. If they win they are definite champions, but if Acacia upsets them they will be thrown into a tie. Tau Kappa Epsilon and Zeta Beta Tau and Beta Sigma Psi play in the other games.

KANSAS UNDERTAKES TRACK WORK; MILE RUNNER HEADS TEAM

Squad Contains 80 Men; Cunningham Is 1934 Team Captain.

Editors Note: This article on the Kansas track team should be of special interest to Nebraska track fans and competitors, since it was the Kansas squad which came closest to dethroning Nebraska in last year's Big Six track meet here in Lincoln. Glenn Cunningham is favored by many sports writers to upset the existing world's record for the mile run this year, the present mark being by Jack Lovelock of Oxford with the time of 4:57.8.

LAWRENCE, Kas., Jan. 11.—Coach H. W. "Bill" Hargiss has a good representative number of athletes out for track all over the state. A squad of 75 or 80 candidates reported for the early workouts, at the University of Kansas.

Cunningham is Captain.

The list is headed by Glenn Cunningham of Elkhart, captain and Big Six champion in the 880, mile run and two mile run. Other let-terms returning are Edwin Hall of Lawrence, in the sprints; Themo

High Jumper Returns.

Clyde Coffman of Ford and Thomas McGuire of Sharon are lettermen of two years ago who are returning after a year's lay-off. Coffman was a member of the United States decathlon team, while McGuire is a high jumper.

Among the first year men striving to represent Kansas are: Robert Schroeder of Bendena, 440; George Wright, Concordia, 440 and 880; A. J. Hoover, Tonganoxie, 440; John McNow, Lawrence, 880; John Murray, Leavenworth, mile and two mile run; John Morrison, Lawrence, hurdles and high jump; Charles Pitts, Lawrence, hurdles and broad jump; Frank Neal, Hutchinson, high jump and hurdles; Jack DeMott, Independence, enters the same events; Ray Reed, Wichita, hurdles; Frank Lynch, Kansas City, Mo., and Richard Sklar, Lawrence, shotput; Bob White of Ellsworth and Dick Masters of Lawrence in the pole vault.

Schedule Meets.

The meets already scheduled are the Big Six indoor and outdoor meets; Kansas-Missouri dual, outdoors; triangular between Nebraska, Kansas State and Kansas; the Drake and Kansas relays.

There may be a renewal of the indoor dual meet between the University of Kansas and Missouri.

JAYHAWK CAGERS GET STIFF DRILL FOR TIGER FRAY

Sophomore Players Fail To Deliver In Opening Big Six Game.

LAWRENCE, Kas.—After admonishing the Jayhawk basketballers that this year's team is not the one which won the Big Six championship last year, or the year before, or the year before that, Coach F. C. Allen put the squad through a stiff workout in preparation for the second conference game, that against Missouri at Columbia next Tuesday.

Kansas' conference start was not so auspicious. After taking all four of the preconference contests, the Jayhawkers went to Lincoln to battle the Cornhuskers, who had a record of one victory and six defeats in preconference play. The Cornhuskers took the long end of a 24-21 score, in a game that went nearly ten minutes without a score.

Lack Offense.

"Kansas lacked offense, and was little better on the defense," said Dr. Allen. "It was the difference between a boxer and a fighter. The Nebraska boys have played together in basketball and football, and they carried the real fight all the way through the game."

As it was, practically all of Kansas' scoring was done by veteran members of the team. Paul Harrington, senior, accounted for seven of Kansas' points, and Ernest Vanek, also a senior, but playing his second year, for five. The sophomore players who had scored well in preconference play, lacked the punch to get started.

Kansas' first home game will be with Kansas State here Jan. 20.
