

CAMPUSOCIETY

THIS IS PRACTICALLY OUR LAST chance this semester to warn you of the coming events which should be of interest to prom-trotters and party-goers. This Friday and Saturday nights there will be two formal and an Ag Mixer. The following week end will see the Mid-Year Frolic, which makes its bow on the campus this year. The date for the party is Friday, the 26th. And the following night the big attraction will be George Gershwin's orchestra which will present a concert at Tech high in Omaha. The inter-fraternity Ball is scheduled for Saturday, Feb. 10, in the coliseum and is in charge of a committee composed of Norm Prucka, chairman; Harry Salter, Lloyd Anfin, Les Rood, Bill Patterson and Dick Moran. If we have overlooked anything of importance we will tell you about it in Friday's tabloid.

WHEN THE smoke of the battle had cleared away last Monday night two fraternities had completed their elections for the coming semester. The new officers at the Kappa Sig house will be Lawrence Ely, grand master; Neil Mehrens, grand proctor; John Hahlett, grand master of ceremonies; and Harry Letton, jr., scribe. The Chi Phi chose Ray Strawn, president; Bill Johnston, vice president; John Brewer, secretary; Charles Husbands, steward; James Shafer, custodian; and Frank Crabill, corresponding secretary.

AT THE chapter house Friday, members of the Phi Mu mother's club will meet for a 1 o'clock luncheon. Mrs. E. A. Schmid, Mrs. Fred Tyler and Mrs. H. K. Moffitt are to be the hostesses.

BRIDES-TO-BE are kept busy most of the time these days going to teas, luncheons and dinners given in their honor. Several affairs will be given this week for Miss Florence Miller, whose marriage to Amsden Gooch will take place Saturday. Last night Mr. and Mrs. Emory Hardy and Phil Hardy entertained members of the two families at a dinner at their home. And this noon Mrs. Leon Larimer will be hostess to several of Miss Miller's friends at a luncheon at her home. Mr. and Mrs. J. G. Miller will give a dinner Friday night at the University club in honor of the couple.

AND FOR Miss Jane Rehaender, who will be married to Drew De-Vriendt on the ninth of February, Mrs. Ed Walt, jr., and Mrs. Arthur

DR. ROBB POINTS OUT THE THREE PRINCIPAL WEAKNESSES IN FEDERAL GUARANTY LAW.

(Continued from Page 1.) credit and too many banks. Another thing which lead to state law downfall was weakness of management, he thinks, brought about by the desire of retired farmers and business men of means to enter the banking field. Use by these "green" bankers of the community's deposits to lubricate their private ventures brought endless trouble to everyone concerned, he says. Law enforcement of banking laws, permitting violations in allowing unsecured loans, and inadequate reserves further aided in bringing about the collapse of state guarantees, writes Dr. Robb.

MAT TEAM TRYOUTS SCHEDULED JAN. 25

Adams Announces Workouts Will Continue During Examinations.

Coach Jerry Adam, wrestling mentor, reported that the wrestling squad would remain in training and continue its workout routine throughout the period of examinations, in its available time in the coliseum. Adam stressed the importance of the meets which fall shortly after the opening of the new semester and urged the grapplers to be in condition to do themselves justice in intercollegiate competition.

Tryouts for the Cornhusker grappling team will be held on the coliseum mats, January 25, at 5 o'clock when the examinations scheduled that day will be over. All students are invited to attend this meet and the athletic instructors forecast that several matches will go the limit and furnish a real exhibition of wrestling strategy. Jerry Adam remarked, "With the exception of Beno Funken who is out of training at present with an arm injury, the squad is in good shape and just needs a good match to put them in top form. I have great confidence in the possibilities of this year's prospects."

DELTS CHAMPS IN CLASS A; PI K. A. CAGERS WIN IN B

Defeat Pi Kappa Alpha and Sig Nus Respectively to Take Titles.

Delta Tau Delta pulled the unexpected in Tuesday night's intramural basketball finals by handing the highly touted, undefeated Pi Kappa Alpha quintet its first setback of the year by a score of 17 to 14. The defeat, coming when it did, proved disastrous to the Pi Kappa Alpha hopes of a championship, and raised Delta Tau Delta to the heights of intramural basketball. Pi Kappa Alpha, however, came back to win the Class B final by a 26 to 19 triumph over Sigma Nu. Alpha Gamma Rho conquered Beta Theta Pi 25 to 18 for third place in Class A and Phi Sigma Kappa beat Alpha Gamma Rho 14 to 12 for third place in B competition.

Delts Rally to Win. In the first game of the night Delta Tau Delta came back in the second half with a great rally to check short all Pi Kappa Alpha threats and to pile up a winning margin. Entering the second half with the score 13 to 7 against them, the Delts basketers made ten points and held the Pi K a quintet to a lone free throw to defeat them. Pi Kappa Alpha led up to the last two minutes of play with a 14 to 13 margin.

The Pi K A's could have won their game on free throws, making but two of eight tries in this department of the game. They committed but one foul, forcing the Delts to rely on field goals for the game. Matching Howell's defensive work was the brilliant work of Navious, forward, who scored nine of his team's seventeen points. He scored the last basket and was high point man of both teams. Burke, guard, scored six points for second place honors, and the other basket

was made by Bockel. For Pi Kappa Alpha, Chapman, Rupp and McDonald each scored four points.

P. K. A.'s Win on Rally. Pi Kappa Alpha came through in the last quarter to score eight points and sew up the Class B championship securely with a 26 to 19 victory over Sigma Nu. Sigma Nu took an early lead and kept it up to the last eight minutes of play, but a stubborn rally, led by Watkins, proved too much, and a winning margin was tabulated in those eight minutes. Sigma Nu looked for a time as if they might win, but the superior speed and accuracy of the Pi Kappa Alphas insured victory. Watkins, Pi K A speed king, was high point man of his team with 6 points, and his defensive work went a long way toward helping the victory. Trout and Scott looked best for Sigma Nu with 6 points apiece.

AGR's Take Betas. Alpha Gamma Rho and Beta Theta Pi fought a close battle until the Betas weakened in the last moments and Alpha Gamma Rho pushed through a 25 to 18 victory for third place in Class A competition. They took an early lead, but were threatened by the Betas throughout the entire game. The last few minutes saw the winning of the game. Ralston shone on the offensive for A G R with 12 points. Matching his performance was that of Scholl of the Betas, who also scored 12 points.

Phi Sigma Kappa, after trailing the entire game, edged out Alpha Gamma Rho in the last minutes for third place in the Class B tournament. This victory, as were the others of the evening, was won in the last minutes, by several spectacular shots. Chittendon and Lenser accounted for the victory in a big way, each scoring 5 points. Larson looked best for the Alpha Gamma Rhos with 10 points.

Final standings in the tournament:
Class A.
Delta Tau Delta—champion.
Pi Kappa Alpha—runnerup.

HUSKERS OPEN TANK COMPETITION JAN. 30

Swimmers Engage Gustavus Adolphus College in Coliseum Pool.

With the Husker tankmen getting their first taste of aquatic competition in a meet with the swimmers from Gustavus Adolphus college, St. Peter, Minnesota, here January 30, Coach Kenneth Sutherland is rounding his team

into shape with daily workouts in the coliseum pool. The meet with the Minnesotans will be followed by a series of eight tank contests, ending with the Big Six meet in the coliseum pool. A captain for each meet will be appointed a week before every meet, Sutherland announced.

MILLER & PAINE

It means something

..that Chesterfield has a modern up-to-date Tobacco Factory in far-off historic Smyrna

So important is the handling of Turkish tobacco in making Chesterfield cigarettes that Liggett & Myers Tobacco Co., maintains this specially equipped plant right in the heart of the famous Smyrna tobacco section.

It is the largest and most modern tobacco factory in the Near East.

Turkish tobacco, you know, is the best "seasoning" there is for cigarettes. At all times Chesterfield has in storage—at this plant and in America—about 350,000 bales of the right kinds of Turkish tobacco.
