

# MASTERTON AND SAUER NAMED ON COACHING STAFF

### Former Grid Stars Will Continue Studies at University.

George Sauer and Bernie Masterson, Nebraska football stars who have been teammates in high school and college football for seven years, will be members of the Cornhusker coaching staff next year. Dana X. Bible, athletic director and head football coach, has announced Sauer and Masterson will continue their studies in pursuit of higher degrees.

Sauer, All America back, will assist Ed Weir, former All America tackle, in coaching the freshman football team in the 1934 season; he will also assist Coach W. H. Browne during the basketball

## Volley Ball Entries Must Be Made Today

Intramural Volley Ball and Hand Ball entries must be in by today, Wednesday, noon. All fraternities wishing to compete may do so by registering at the Intramural Office before this time.

months and H. F. Schulte, head track coach, during the spring.

Head Swimming Coach. Masterson, a Big Six swimming champion and record holder in sprint events, will serve as head swimming coach replacing Kenneth Sutherland who is finishing college work this year. He will also teach a number of swimming classes, serving as an assistant in the department of physical education. Next fall his duties will carry him over to the football field where he will assist Lawrence Ely, former All America center with the University of Nebraska "B" squad.

Robert "Red" Young, who has directed the "B" gridders for several seasons, is finishing his law course this spring and expects to start work in the profession next year.

Harold Petz will remain in charge of intramurals, including freshman football and basketball leagues. Petz also will assist Coach Schulte in track.

# NEBRASKA MEETS WILDCAT CAGERS SATURDAY NIGHT

### Contest Gives Cornhuskers An Opportunity to Cop Fourth Honors.

Nebraska's chance of grabbing fourth place in the Big Six conference basketball race looms ahead of the Brownmen this coming Saturday when they meet Kansas Aggies here on the home maples in an effort to even the score because of the defeat suffered at the Wildcats hands earlier in the season.

If the Scarlet quintet comes through this scrap with flying colors they are virtually a cinch to capture the fourth place honors, advancing a step from the position occupied last year, when the home cagers barely eked out with fifth place.

This coming contest marks the half-way mark for the team, as they have played all the Big Six schools at least once and Saturday they will start the second and final round of play.

The last time the aforesaid teams met, the Wildcats barely nosed out a victory by the hair-breadth margin of one point, the final tally being 25 to 24 with the Aggies on the long end of the score. It was an extra period thriller which was led by the Huskers throughout the major portion of the contest but they were

downed by an extra burst of strength led by the versatile Ralph Graham. However, the contest this Saturday night proves to be just as much of a thriller as both teams have improved and both are determined to capture no lower than fourth.

Kenneth Lunney, Nebraska's ace, is in third place in individual scoring in conference circles with 41 points to his credit. Waldo Wegner, Iowa State center, is first with 47 and Ralph Graham is second with 42.

### BILL TILDEN, VINES WILL MEET IN TILT IN COLISEUM FEB. 5

### Vincent Richards, Bruce Barnes Also Included In Court Troupe.

Big Bill Tilden and his troupe of all star professional tennis players, including Ellsworth Vines, Vincent Richards, and Bruce Barnes, will visit Lincoln Monday, Feb. 5, in the University coliseum where the Nebraska tennis fans will have their first opportunity of seeing both Vines and Tilden in action against each other.

This will be Vines' first appearance in Lincoln, Tilden having played here twice before. In addition to the Tilden-Vines feature the spectators will be able to see Vincent Richards in action against Bruce Barnes.

After the two singles matches are completed they will pair off and play a doubles match. Tilden and his troupe are now engaged in the longest barnstorming tour in the history of tennis. When they have completed their tour they will have traveled some 60,000 miles thru the United States, Europe and the Orient according to reports.

# HUSKER MERMEN DOWN GUSTAVUS ADOLPHUS TEAM

### Kuklin Captures Honors in Diving as Nebraska Opens Season.

### LYNDE PERFORMS WELL

### Masterson and Easterday Take Specialties to Chalk Up Win.

Captained by Bernie Masterson, the Cornhusker splashers left a strong Gustavus Adolphus team in their wake at the coliseum pool Tuesday with a final score of 43 to 41 in the first tank meet of the year for Nebraska.

Harry Kuklin eclipsed the grace and seasoned ability of Minnesota's best diver, Hervig, who spent his summer vacation in exhibition at the World's fair, to capture diving honors. Hervig was defeated by the narrow margin of 3.2 points and despite the fact that he emerged vanquished, his dives brought forth a series of approving exclamations from the crowd of about five hundred.

Bernie Masterson, Scarlet and Cream captain, fought a hard battle to narrowly defeat Milt Gabrielsen, Minnesota's 50 yard free champ, in the time of 25.9. Bernie's efforts inspired the Nebraska tanksters and spurred them on to the season's initial victory.

Gabrielsen Family Stars. With the exception of the 440

yard free style which was captured by Easterday in the time 6:23.6, the Gabrielsen family was represented in every event of the day and added to their scalp belt four first places, one second, and a pair of third positions. The brother tanksters also worked in the relays in which the honors were split between the two schools; Nebraska captured the 200 yard relay and the Gustavus boys walked off with the laurels in the 300 yard medley event.

### Lynde Places Twice.

Glyndon Lynde, who was initiated to inter-collegiate competition in the meet, splashed to two second places and helped gain the hotly contested victory in the 200 yard relay. Lynde held back his 100 and 200 yard free styles but showed the crowd that he possessed a strong finish. Coach Sutherland said that he was well satisfied with Lynde's first showing, but would expect him to take some first places after he is schooled in the field of competition.

### Following are results of the meet:

200 yd. Relay. Won by Nebraska (Masterson, Easterday, Lynde and Hinerman). Gustavus (Goff, Johnson, Nordstrom and Gabrielsen). Time 1:47.2.  
100 yd. Backstroke. Time 2:08.8. 1st, B. Gabrielsen (G. A.) 2nd, Gibbons (U. N.) 3rd, Galtrick (U. N.)  
100 yd. Breaststroke. Time 1:58. New record. 1st, S. Gabrielsen (G. A.) 2nd, C. Vines (U. N.) 3rd, Kuklin (U. N.)  
50 yd. Free style. Time 23. 1st, Masterson (U. N.) 2nd, M. Gabrielsen (G. A.) 3rd, Hinerman (U. N.)  
Time 6:23.6. 1st, Easterday (U. N.) 2nd, Johnson (G. A.) 3rd, Schroeder (U. N.)  
100 yd. Free style. Time 1:50.4. 1st, S. Gabrielsen (G. A.) 2nd, G. Lynde (U. N.) 3rd, B. Gabrielsen (G. A.)  
Diving. 1st, Kuklin (U. N.) 2nd, Hervig (G. A.) 3rd, Gabrielsen (G. A.)  
100 yd. Free style. Time 2:30. 1st, M. Gabrielsen (G. A.) 2nd, Lynde (U. N.) 3rd, Easterday (U. N.)  
300 yd. Medley. Won by Gustavus, stroker, and B. Gabrielsen, free style; Nebraska, (Church, backstroke; Cadmus, breast stroke, and Masterson, free style.)

# SAUER NAMED ON ALL PLAYER ALL AMERICAN TEAM

### Players Are Selected on Basis of Opponents Opinion.

George Sauer, All-American fullback, is a giant among fullbacks. Such is the opinion of the opponents who have experienced Sauer's heavy hitting qualities.

The Liberty Magazine has selected an All-Player All-American team exclusively from players' opinions of their opponents. Over 1,500 players from 91 colleges cooperated in the selection of the teams.

Those chosen were selected because of their ability to fill the position they occupied, and also because of their excellence in the fundamentals of the game. The selection did not depend upon the amount of publicity a player received but upon his worth to a team in a game. Dempsey of Bucknell college was unknown to newspapers and reporters in the larger cities, but, from the opinion of his opponents, he deserves a berth on the All-American.

Sauer was rated 11 points higher than his nearest opponent, Nikulask of Oregon. Two Big Six teams and Texas rated him 100, while other colleges rated him high in 90's. O'Brien of Nebraska was chosen tackle on the third team.

Other players chosen for the first team were Skladany of Pitt, Geisler of Centenary, Schammel of Iowa State, Rosenberg of Southern California, Bernard of Michigan, Warburton of Southern California, Lund of Minnesota, and Feathers of Tennessee.

## WELL DRILLERS WILL CONVENE MARCH 21

On March 21 and 22 the State Well Drillers association will hold its short course and convention on the university campus in connection with the state geological survey, according to an announcement made by Dr. G. E. Condra, director of the conservation and survey division at the university.

Dean K. P. R. Veville of the University of Western Ontario recently made this statement, "I'm heretic enough to say that a man has no business in education after 40."

## Undergraduate Ends Old Water Problem; Returns to College

AMES, Iowa, Jan. 30.—Wide awake application of a partially completed college engineering course provided Rollin Bohning of Clear Lake a job last spring and summer and solved a drinking water problem for the city of Clear Lake.

Bohning, now a senior in chemical engineering at Iowa State college, majoring in water purification, recently revealed how his efforts during a year's vacation from college had eliminated the "fishy" taste from the Clear Lake water supply. He knew from laboratory experiments performed here what activated carbons can do in ridding water of disagreeable tastes and odors that are especially noticeable in the summer. So he asked the city council for permission to work on the problem that had been puzzling them for some time.

After Bohning had finished tinkering in a homemade laboratory the city added activated carbon to its water according to his directions. The objectionable odors and tastes disappeared. The treatment was pronounced affective last summer and fall and will be resumed again this spring.

## FAVOR HALF MILE RELAY

### Big Six Directors Disfavor Two-Mile Even for Missouri Meet.

Big Six athletic directors in a recent mail vote decided to add a half mile relay to the Big Six outdoor meet to be held in Lincoln, May 18-19. According to announcements of Chester L. Brewer, director at the University of Missouri, a decision against the addition of the two mile relay to the indoor meet, scheduled for March 3, at Columbia, Mo., was also made.
