

Quarter-Miler Has 8 Minutes Racing, 80 Hours Training

AMES, Iowa, Feb. 3.—A quarter-miler, dashing his distance in less than 8 minutes, probably "works" less than 8 minutes in actual competition during the season.

But before he enters his first race he spends more than thirty hours in training. At least Ken Wessling, Deerfield, Ill. and Tom Scott, Youngstown, O., Iowa State's best 440 men, will have put in that many hours before they compete against Missouri runners at Columbia, Feb. 10. And they'll add 80 hours more of training by the end of the season and the last of their 8 minutes of competition.

Charm hobby group will meet Tuesday evening at 7 o'clock in the Ellen Smith hall. Miss Marjorie Shanafelt, curator of visual education, will give an illustrated talk on the evolution of styles.

TILDEN'S TENNIS TROOP WILL DRAW LARGE AUDIENCE

All Arrangements Complete; Selleck Predicts Crowd Of 2000 or More.

400 SEATS RESERVED

Professional Titleholder Is Well Known Here in Lincoln.

With arrangements having been completed for the Vines-Tilden tennis match in the Coliseum Monday evening, people in and about Lincoln will be able to witness what will probably be the greatest tennis match ever to be played on a local court.

Reservations have been made for approximately 400 reserved seats. These reservations have come from all parts of Nebraska as well as Iowa and Kansas. Omaha, Hastings, Fairbury and Grand Island have reserved the greatest number of seats while York, Aurora, Holdrege, Norfolk, Central City and many other cities will be well represented. About 2,000 or more are to witness the matches, according to Business Manager John Selleck.

Tilden Well Known Here. Big Bill Tilden is well known in Lincoln, having staged two matches here in the past, on the Coliseum floor, two years ago and one three years ago. At that time he paid Mr. Selleck a compliment on the unique arrangement of the crowd and the floor.

"One of the most important reasons for Tilden's return engagement is the fact that he was so well pleased with the spirit of the audience and the arrangement," stated Mr. Selleck.

Tilden, who has been many times amateur champion and is at present the world's professional titleholder, will be paired against Ellisworth Vines, former national amateur champion. Another match between Bruce Barnes and Vincent Richards should prove interesting. Barnes and Tilden are the present world's professional doubles champions while Richards is a former United States professional champion and a Davis Cup player.

The program, scheduled to get under way at 8:15 p. m., includes: Singles—Vincent Richards vs. Bruce Barnes. Championship singles—William T. Tilden II vs. Ellisworth Vines. Doubles—Richards and Vines vs. Tilden and Barnes.

DR. BELL WRITES FOR SCIENTIFIC MONTHLY

Dr. Earl H. Bell, assistant professor of anthropology at the University, has written an article, "Social Stratification in a Small Community," which has been published in the February issue of Scientific Monthly. The fourth of a series of such articles on the small town, it is an ethnographic study of a small community of white people. With this unusual approach to his subject, Dr. Bell has examined the citizens as if they were a strange African tribe, and has written his observations.

HOT OFF THE GRIDDLE!

By JACK GRUBE

Jerry Adam, grappling mentor, has been giving his musclemen a series of tough workouts and has succeeded in moulding a well balanced team of strong boys who will pit their physical ability and mat generalship against the iron-men of the Big Six. Jerry entered the squared circle with a few of his groan and grunt men and boasted that they were plenty tough.

If the Nebraska Board of Athletics will place its O. K. on intercollegiate boxing, the Cornhuskers will issue a call for all leather soldiers who desire to test their metal in the field of Big Six competition. Coach Harold Ostran, anxiously awaiting a decision, is putting his squad in the pink of condition so that the affirmative reply will ring the bell for the opening of the first round of college pugilism. If you pack a punch, see Harold at the Coliseum, any afternoon.

Sutherland's spashers who left a strong Gustavus Adolphus team in their wake are taking out the kinks after their first taste of stiff competition. Glyndon Lynde, sophomore sprinter, is not saying his speed any more as according to Coach Sutherland who predicted that when Lynde cuts loose with his nonpareil sprint at the next meet, he'll be able to look back over his shoulder for his nearest opponent. This boy is green to college competition but he is getting ripe and the pool judges will have to pick him. Benny Rimmerman will perform on the board with Harry Kuklin and finish the rounding out of a well composed team.

Sergeant McGimsey's marksmen have been finding the bullseye with remarkable consistency and are expected to carry off a few of the laurels of intercollegiate competition. It is reported that in the girls' division of the club a young lady fired a perfect prone score and withdrew from the club. McGimsey said that he will keep all available material if he is forced to lock the door and no more possibilities will slip through his fingers.

With the California weather invading our campus the lure of the diamond is running through the veins of our baseball men who will soon begin tossing the pill about and knocking the dust off the stick. Think of that memorable phrase, "Batter Up!"

PALLADIAN SOCIETY GIVES PRESENTATION

New Members Take Part in Program; Original Skits Introduced.

The new members of the Palladian Literary Society presented a program at an open meeting of the society, Friday, February 2, at the hall in the Temple building. The program was opened by a humorous reading by Miss Marjorie Brew.

"What No Quorum?" an original skit was next presented by Mary Bannister, Henry Baur, Anne Bohlen, Marjorie Brew, Evelyn Diamond, Clifford DeMingo, Christine Ferguson, Max Halderman, Margaret Huftagle, Marion Jackson, Princess Lundy, Charles Nelson, Evelyn Osborn, June Steffen, John Stover, Edward Sucky, Althea Swift and George Wiebusch.

This was followed by a satirical poem concerning old members of the society, which was given by June Steffen and Evelyn Diamond, reading alternately. The evening's entertainment was concluded by an original play "Roman Scandals." The play was the actors' idea of the tragedy of Caesar. It was given by Henry Baur, Clifford Domingo, Max Halderman, Charles Nielsen, John Stover, Edward Sucky and George Wiebusch.

Fraternity and sororities at the University of California are now classed as apartments instead of hotels. This change of classification will decrease the real estate taxes 10 percent.

Dangerous Corners An ultra-sophisticated mystery play that ran for nine months on Broadway. And tomorrow it opens here with the following cast: Veronica Vilnave, Armand Hunter, Jane McLaughlin, Harold Sumption, Melvin Fielder, Sylvia Schepster, Virgene McBride UNIVERSITY PLAYERS

TRACKMEN SHOW POWER IN TRIAL HELD SATURDAY

Lambertus Has Best Record Of Day With Two Firsts And One Second.

ENGLAND WINS 440 DASH

Huskers Will Devote Time To Preparing for Jayhawks.

That the 1934 Husker track team will not be lacking in power was proved at the stadium Saturday afternoon as Coach Schulte put his track pupils thru the first trial workout of the season. The Huskers turned in some surprisingly good performances for an early season trial.

Heye Lambertus, star track man, made the best record of the day, turning in two first places and one second. He won the 50-yard dash and 50-yard low hurdles by a comfortable margin, and finished second to Dorfman in the high hurdles. The time of the 30-yard dash was 5.5 seconds and that of the low hurdles 6.5 seconds. Beyond Expectations.

Both times were beyond all expectations in this, the first run of the year. Dorfman finished second to Lambertus in the low hurdles, and Jacobson second in the 50-yard dash. In the high hurdles, however, Dorfman upset Lambertus to take a win in 6.7 second time.

In the 440-yard dash England led the field the entire distance to win by a wide margin in the time of 53.7 seconds. Two half mile races were run, both between varsity men. In the first Funk beat Ayres in 2 minutes 5 seconds time, and in the second Ralls outran White in 2 minutes 6.2 seconds time.

Story Wins Mile. The mile grind was won by Story in 4 minutes 42.5 seconds. Blaser finished second, Hoffman third, and Beaver fourth.

In the field events the Huskers showed plenty of power, but the greater part of it was centered in freshman contenders. The shotput was won by Sam Francis, freshman star, who heaved the iron ball 46 feet 2 inches, to win by a foot over Carol Rist, varsity man, who threw the shot 44 feet 11 inches. Neprud tossed it 40 feet 1 inch for third place honors.

In the high jump Paul Rupp, Grand Island freshman, tied with Ray Toman, varsity, for first place at 5 feet 9 inches. Better height is expected in this event as more experience is acquired. Martin placed third with a jump of 5 feet 7 1/2 inches.

Freshman Wins Jump. Another freshman candidate won the broad jump with a leap of 22 feet. The jumper, Cardwell, won by half an inch over Humpie, varsity, who jumped 21 feet 11 1/2 inches. Cockburn was third with 21 feet 2 1/2 inches, and Casement fourth with 20 feet 3 1/4 inch.

Nichols, varsity man, made the best height in the pole vault with 12 feet 4 inches. Dean missed his record by 1/2 inch, finishing second with 12 feet. Schwenk made 11 feet 5 inches before missing.

The freshman ran two races limited to them only, the high and low hurdles. Chapman starred for the freshmen in these races, winning the high hurdles in the time of 6.8 seconds, the fastest freshmen time ever made in early season work. Chapman took second place in the low hurdles, finishing second to Cardwell, who won this event in the time of 6.3 seconds, another fast time. Housel finished second in the high hurdles, and third in the low hurdles.

The theme for the next week will be the Kansas-Nebraska dual meet to be held in Memorial stadium Feb. 17. Coach Schulte expects to have a team in shape that will more than qualify to meet their opponent.

WHITE REPRESENTS NEBRASKA IN 1934

To represent the state of Nebraska, Dr. H. A. White, professor of English at the university, has been appointed to serve in 1934 as a member of the advisory committee which gives opinions to the American Academy of Arts and Letters as to the one most worthy to receive the academy medal for good speaking by radio.

The region around Nebraska, Neb. is considered by the curator of the University of California as the most outstanding collection ground ever discovered.

MUSIC For Your Next Party Select One of the Following Union Bands

GYM INSTRUCTOR LEAVES

Miss Claire Rausch Enters New York University Second Term.

Miss Claire Rausch, head of individual gymnastics at the university, left Thursday, January 25, for New York City where she will enter New York university for the second semester to complete her work for the master's degree. Her place will be filled by Miss Lenore Alway, a graduate of the University of Minnesota, who has taught several years at the University of Ohio, from which school she received her master's degree.

TWO BARB QUINTETS REMAIN UNDEFEATED

Panthers and Polar Bears Only Teams Having Clear Records.

Barb league basketball teams continued play at a fast clip to put another evening of successful play behind them in their race for the championship Thursday night. Two forfeits were made, but the remainder of the schedule of the various leagues was played without any difficulty of any kind.

The two forfeits were Stratford to Panthers and "H" Street to the Polar Bears. Both the Panthers and Polar Bears are undefeated. The Vikings nosed out Newman Club in the last quarter 17 to 14. The game was severely contested throughout but the Vikings had the stamina to win. The Y. M. C. A. unit held the Pirates to three lone free throws in swamping that outfit 36 to 3, while the Tigers also prevented their opponents from scoring from the field in trimming them 11 to 2.

The Dents and Cafeteria fought to a 6 to 6 tie, and due to a misunderstanding did not play an extra period. The game will be played off as soon as possible.

PROFESSORS TALK TO MANY STATE GROUPS

Seven Instructors Address Organizations After Final Exams.

University of Nebraska professors, finished with the mid-year task of semester examinations, have been busy planning or making addresses in Lincoln and over the state during the last week. Forrest C. Blood, professor of advertising and sales management, spoke Thursday evening at Edison before the chamber of commerce of that city. His subject was "Development of Retail Trading Centers." From the department of American history, Prof. Roy E. Cochran addressed the young people of Vine Congregational church Sunday, Jan. 28, on "Germany and the World War."

Next Friday afternoon, Feb. 9, H. C. Filley, chairman of the department of rural economics, will discuss the subject of "Taxation" at a meeting of the Dawson County School Board association to be held in Lexington. Dr. J. O. Hertzler, chairman of the sociology department, addressed the annual meeting of the Lincoln Social Welfare society, Jan. 29 at the Y. W. C. A. His talk was named "Depression Shock and the Future of Private Social Work."

Evelyn Metzger, assistant professor of design at the University, will speak in Beatrice Monday, Feb. 5 to the Woman's club. "Bringing Our Homes up to Date" is her topic for discussion. Dr. W. M. S. Morton, director of teacher training, talked to the young people of the Fourth Presbyterian church last Friday night, with the subject, "Religion—A Personal Matter." Dr. J. P. Senning, chairman of the department of political science, goes to Wayne Monday where he will address a meeting of the Business and Professional Women's club and the International Relations club. His subject is, "A Great Social Experiment in Government."

STUDENT CLUB HOLDS MEETING ON FRIDAY

Coming Semester Plans Are Discussed by Lutheran Organization.

The Lutheran student club held its monthly meeting Friday, Feb. 2, at 8:15 p. m. in the Temple, room 203. Dr. Walters, superintendent of Tabitha Home, was the principal speaker of the evening. Special music and dramatic features and games provided the entertainment for the evening.

Plans for activities during the coming semester were discussed, including the annual banquet of

Lutheran young people's organization throughout the city.

The regional conference of the Lutheran Students' Association of America to be held during February at Lawrence, Kas., was discussed. Rev. Mr. and Mrs. F. Rabe chaperoned the meeting Friday.

FINISHED SWIMMING SCHEDULE ANNOUNCED

Coach Sutherland Optimistic Over Prospects of Tank Team.

Coach Kenneth Sutherland, aquatic mentor, announced the completed swimming schedule for the 1934 season Friday at the Coliseum pool, and expressed his enthusiasm towards a seemingly victorious series of splashes after the recent defeat suffered by Gustavus Adolphus at the initial meet with the Cornhusker men. Since the Gustavus boys had blazed a streak of victories across the state of Minnesota, their defeat would mark the efforts of a strong well-balanced team according to Coach Sutherland.

The schedule for 1934 is as follows: Feb. 10: Kansas Aggies at Lincoln, Coliseum pool. Feb. 16: Iowa State at Lincoln. Feb. 19: Kansas Aggies at Kansas. Feb. 23: Iowa State at Ames. March 2: Grinnell at Lincoln. March 10: Big Six meet at Lincoln.

HUSKER QUINTET TRIMS WILDCATS BY A 38-31 SCORE

(Continued from Page 1.)

10, with the Wildcat quint on the short end of the count.

Two field goals and a gift toss by Stoner. Graham and Hutchinson ran the invaders' count up to five points but the Brownemen immediately put on the pressure and slipped thru 10 points before the Rootmen could collect themselves.

Finally the visiting squad managed to ring up two points but were again put aside while the home team added two more baskets. The half ended after the visitors added three points to their credit making the count 22 to 10 for the Brownemen.

In the second canto the baskets were about equally divided, neither team running up many consecutive points. Widman opened for Nebraska with a field goal from back of the foul line and Freeland came back with a pair of them to raise the invaders' count to 14.

Parsons, after scrambling madly for the ball, managed to lose his guard long enough to dribble down the entire length of the floor to place in a setup for another two points.

After contributions by Freeland and Morgan for Kansas State, Lunney took over the helm for the Scarlet and from then on, with the exception of baskets by Boswell and Widman, the Husker game was all Lunney.

First a field goal, then a pair of gift baskets, and again a couple more field goals were rung up by him before the game ended. Widman contributed the last three markers.

Kenneth Lunney's deadly accuracy from the court and from the free throw line dominated the play, his grand total of 13 points enabling him to walk off with high scoring laurels. Bud Parsons and Hub Boswell tied with second honors for Nebraska with nine points each to their credit. Each contributed three field goals and three gift tosses. Freeland, of Kansas Aggies, edged them both out for second place scoring honors with 10 points.

College World

Ralph Peck, assistant instructor of chemistry at the University of Minnesota, worked a whole week for a thimbleful of gas. It's not as foolish as it seems, because this was radon gas and is worth \$175.

A professor of the State University of Montana who has members of his classes write term papers, recently told another professor that he had received the same manuscript nine times and that he was commenting to see how

many times persons belonging to that particular fraternity would hand in the manuscript.

In another instance, the son of an instructor wrote themes and term papers on any subject for twenty-five cents each. He obtained for his literary endeavors three dollars for an A, two for a B, and one for a C. At the same time he put an abject through receiving English courses by donating to him a box of his old high school themes.

From "hell diving" guard of the University of California's '27 grid varsity to "hell diving" aviator of the U. S. navy air corps, Frank "Red" Gill, thrilled thousands of his old football fans at the Oakland celebration of President Roosevelt's birthday.

In the planning of the junior ball at the University of Minnesota, the university officials and undergraduates report that a new clause was inserted in part of every hotel-university agreement to the effect that no intoxicating liquors will be sold by the hotel in that part of the building reserved by the junior commission.

Fraternity members at Marquette university are registered with police—names, characteristics, peculiarities and all.

HIGH SCHOOL SENIORS WILL ENTER CONTEST

Students in 556 Schools Eligible for 250 Scholarships.

EXAMINATIONS IN APRIL

Seniors in 556 Nebraska high schools are eligible to compete in the third annual University of Nebraska Regent's Scholarship contest that will be held April 19 to 21 according to announcement made Saturday. A total of 250 such scholarships with an estimated value of \$70 each will be distributed among the 553 accredited and non-accredited high schools in Nebraska.

Any students who are planning to attend the University of Nebraska and who are in the upper fourth of their graduating class may be entered in this contest by the school superintendent or principal. It was explained. Examinations will be held in the local high school on April 19, 20 and 21. The awards are made on the basis of at least five examinations—the English and algebra classification tests for all contestants and at least three other examinations based upon the student's high school work and the field he intends to follow at the state university. Scholarships are available for all undergraduate colleges.

Because of increasing interest in this contest and in order to give minor accredited high schools the opportunity of entering the contest, the University regents recently increased the number of scholarships from 150 to 250. In addition a number of alternates will be named who may be granted scholarships if the winners do not claim all the 250 scholarships. The scholarships are first given for the first semester of the school year and renewed if the student's work justifies it.
