HUSKERS SEEK TO EVEN COUNT WITH MISSOURI FRIDAY

Improved Nebraska Cagers May Upset Tiger Flippers.

THIRD PLACE AT STAKE

Scarlet Has Previous 36-26 Loss to Columbia Five on Books.

Coach Browne's hoopsters are intensely preparing for the Bengal invasion here Friday evening at 8 o'clock on the coliseum mazes when the Husker basket flippers will clash with the Missouri quintet in what promises to be a very thrilling encounter.

Second Half Collapse. In the last battle between the two schools the Scarlet outfit, after possessing a considerable lead in the first half, completely lost out during the second canto and were royally trimmed 36 to 26, being confined to only one field goal in the whole twenty minutes of play during this last luckless period.

However, immediately after suffering this setback by the Bengals the Scarlet squad began to pick up momentum and since that time they have been going forward at such a strong gait that many predict that when the final count of Friday's game is taken, the Brownies will emerge with the most markers to their credit.

HUSKER SWIMMERS WILL MEET KAGGIES

Easterday to Captain Team In Tank Contest Saturday.

Captained by Dan Easterday, varsity 440 swimmer, the Cornhusker mermen will meet the Kansas Aggies at the Coliseum Pool Saturday, Feb. 10, at 4:00 p. m.

Easterday, a Freshman in the Law college, will swim his last season this year with the Scarlet and Cream splashers. He came to the U. N. with little or no tank experience and he was moulded thru the efforts of Rudy Vogeler, Dan Easterday, and Ken Sutherland, splash mentors, and his own initiative into one of the best men in this event thru out the Big Six.

Making the freshman team in his first year, Easterday started his march to fame. Upon donning the Scarlet for the varsity, he captured fourth position in the 440 yard free style, and bettered his mark last year by being the second to touch the ledge in both the 220 and 440 in the Big Six meet, which assembled the best aquatic talent in the middle-west.

supremacy against the strong K. U. musculen.

Don Shirley, double letter varsity strong man, will captain the team of Cornhuskers with the cooperation of Merle Wells, Morris Eaton, and John Bishop, minor letter men.

Don won his letters in the 155 lb class of intercollegiate competition and added to his scalp belt of victories, a surprising 30 second fall in the finals of the Y. M. C. A. matches at Lincoln.

Shirley will face the real test when he grapples with Ruggles of Ames. Ruggles is Big Six champ and was runner up in the recent Olympics and rates with the best of grunt and groan men in the country.

If present plans of the match with K. U. do not materialize, the bouts will be conducted Saturday afternoon at 4:00 p. m.

SCHULTE DRIVING TRACK TEAM FOR KANSAS U MEET

Cindermen Suffer Let Down Following Try Out Saturday.

Coach Indian Schulte is driving his track proteges with all speed to prepare them for the meet with Kansas scheduled here the 17th of this month.

With just eleven days of practice ahead, Coach Schulte is working hard to build up speed and endurance in his men. "We still need lots of work," he stated, "the boys are doing their best but their best at the present time is not so good. By the time Kansas gets here we ought to be in good shape."

Team Lets Down.

The team let down considerably after their workout last Saturday, and have not hit the speed and distances they did at that time. In an effort to show the men just where they stand, Schulte has called for a feel out Wednesday afternoon in the stadium, and after this event the leaders in their fields should have come forward.

Toman, varsity high jumper, twisted his ankle and is unable to practice for a few days, but the injury is responding to treatment and within a few days he will be able to compete again. The rest of the squad is in good physical condition and needs but hard work to round into final shape for Kansas.

Schulte has nothing but respect for the aggregation Kansas is bringing to town. "The Jayhawk teams are one of the strongest track teams in this part of the country," said Schulte, "and will give us a tough battle."

BASEBALL, BOXING NEW HUSKER SPORTS

Bible Announces Additions Of Athletics for Nebraskans.

Nebraska will have a baseball team and a boxing team this year, Athletic Director Dana X. Bible recently announced. The addition to the athletic department was made because, he stated, "Every student should be given an opportunity to participate in his favorite sport."

Although neither sport is recognized in the Big Six conference a schedule has been arranged for the Scarlet and Cream diamond team, Wilbur Knight, Ag college sports head, will coach the ball players. The schedule:

April 13-14: Kansas State at Manhattan. April 27-28: Kansas State at Lincoln. May 4-5: Iowa State at Lincoln. May 11-12: Iowa State at Ames.

Harold Ostran has been named to take charge of the boxers. A home and home match will be arranged with Kansas State.

Nebraska Coaches Hold Stop Watch On Tilden Serve

That "cannonball" is not a misname for Big Bill Tilden's famed serve which causes spectators to wonder if their seeing is correct when it wings its way over the net, was proved Monday night in Lincoln by Coaches "Indian Schulte and Ed Weir of the Nebraska staff.

Using tenth of a second watches, the Nebraska mentors found that exactly eight-tenths of a second had passed from the time the ball left his racket until it struck the racket of his opponent, or what is more common, passed his opponent completely. Several of the world champ's services went over in this speed in his matches with Vines, and more of them landed just one tenth of a second later.

At the same time, the Nebraska coaches discovered that Vines was hitting one second consistently, and a few at nine-tenths of a second speed. Not very far from Big Bill's cannonball speed!

Richards and Barnes were hitting slower, Richards usually at one second and Barnes at one and one tenth seconds, and sometimes one.

BARB QUINTETS PLAY TWO GAMES TUESDAY

Vikings and Polar Bears Down Opponents in League 1.

Only three games were scheduled in the independent league Tuesday night and one of these was forfeited. Due to conflict with the Intramural Volleyball tournament, which eliminates one basketball floor from use, only the three games could be scheduled, but from now on the teams will continue with full playing time.

All the games were centered in League I. The Vikings stepped in to an early lead and were never headed by "R" Street, the final count being 18 to 5 for the Vikings. The Panthers gave the Polar Bears the same dose of medicine by defeating that outfit 26 to 5. The third game, Stratford vs. Newman Club, was a forfeit to Newman Club.

The next games will be played this evening between teams of Leagues II and III. In League II
