

# HUSKERS UPSET MISSOURI 34-27 TO EVEN COUNT

### Whitaker and Sorenson Lead Scarlet Hoopsters to Fourth Victory.

## TAKE THIRD IN BIG SIX

### Nebraska Rallies After Poor Start to Avoid Early Season Defeat.

After trailing 12 to 4 in the opening moments of the battle the Husker quintet came back strong, with the insertion of Harry Sorenson into the lineup, to overcome Missouri's lead and keep the remainder of the contest well enough in hand to vanquish the Bengal squad 34 to 27 in a victory which raised the Brownemen a notch in the Big Six ladder to third place. Sorenson's brilliant performance, plus the sensational work of Henry Whitaker, sophomore guard, who contributed a total of 11 points, four field goals and three gift shots, in addition to Kenneth Lunney's usual accuracy for hitting the hoop, were the major factors of the Scarlet flip-flop's impressive victory over the strong invading cagers. Lunney, after running up 8 points, was ousted from the tilt because of fouls.

Henry Whitaker, sophomore guard, who contributed a total of 11 points, four field goals and three gift shots, in addition to Kenneth Lunney's usual accuracy for hitting the hoop, were the major factors of the Scarlet flip-flop's impressive victory over the strong invading cagers. Lunney, after running up 8 points, was ousted from the tilt because of fouls.

### Senior High-Jumper Seldom Jumps; It Is O. K. With Coach

NORMAN.—Doug Barham, University of Oklahoma high jumper, seldom jumps. What's more, Jacobs, Sooner track coach, doesn't care. In fact Jacobs would rather Barham wouldn't jump. Here's why.

Barham is a sign painter. Moreover he's married and has to hustle like the dickens at his trade to send himself and wife thru the university. Consequently he has very little time to come out for track, a fact that worried the coach greatly until last Tuesday.

On Tuesday Barham was able to leave his work long enough to suit up and take his first workout since before Christmas. Jacobs set the bar at 5 feet 6 inches. Barham cleared it. Jacobs kept increasing the height but still Barham refused to miss. Finally the bar stood at 6 feet 3 inches and everybody held their breath.

But Barham hopped over without ticking the bar. Then he backed off and did it again. Jacobs, surprised, got out his steel tape and varified the height. It was 6 feet 3 inches.

"Go home," he ordered the athlete. "I don't want to see you anymore until March 2, the day we leave for the 'Big Six' indoor meet."

play was responsible for the Brownemen's staying in the contest the first half, the team finally emerging from the first canto with a lone point margin.

Missouri's hoopsters opened the tilt with a bang and their two-handed overhead shots looked impossible to guard, making the Husker fans decidedly pessimistic as to the final outcome.

Jorgensen, high man for the invaders, running up 10 markers, opened the scoring with an overhead field goal from around the foul circles.

Sophomores Aid Scarlet.

Whitaker came back with an under-basket setup and Miller and Parsons each came through to again even the count. But from here, until the insertion of Sorenson, the game was all Missouri.

After he entered the lineup the count ran along fairly even, Nebraska finally putting on a spurt and emerging on the long end of a 21 to 21 count at the half-time.

In the second canto Jorgensen again opened the scoring but baskets by Boswell and Whitaker promptly sent the home maplemen in front and later another marker by Sorenson added to the count. At this time however the Missouri team made their last effective rally, two baskets by Miller and one by Jorgensen evening the count at 26 all.

From then on the game was all Nebraska, Lunney contributing a field goal, then a pair of gift shots and finally another field goal, then a pair of gift shots and finally another goal to firmly establish the Scarlet lead. Sorenson clinched the victory by a beautiful pivot shot from the foul circle to give the Huskers the game, 34 to 27. Miller, of the Bengals, given a gift shot which he scored during this process, ended the invaders' scoring for the evening.

## SIGMA PHI SIGMA TO HEAR 'JIM' HARDWICK

### Y.M. Man Will Speak Before Special Meeting at Hi Y Rooms.

J. T. Hardwick will talk before members of the Sigma Phi Sigma house Sunday noon. In the evening at 8 p. m. he will speak before a special meeting at the "Hi Y." room at 22nd and J street. All men who are interested are invited to attend.

Hardwick is delivering a series of lectures to fraternities and student groups about the religious problems in student life. He delivered lectures Thursday to Tau Kappa Epsilon at noon; Ag Y. M. at 5; and to Alpha Sigma Phi house at 9 p. m. Friday he spoke to the Delta Tau Delta house at noon, and to the Delta Chi house at 6 p. m. Saturday he spoke to Alpha Tau Omega, and to the Ag boarding club.

Upon observing the notice, "Dates Signed for English Examinations," a student at the University of California remarked "There are hardly any more functions here where a man can go stag."

## COACH SHIFTS SQUAD FOR SPRING PRACTICE

### Oklahoma Mentor Believes This Is the Time for Experiments.

## MAY MAKE BETTER TEAM

NORMAN.—Eight members of last year's University of Oklahoma football squad will be shifted to new positions in the spring practice now in progress, Lewie Hurdage, Sooner head coach, announced today.

"The time to make your experiments is during the spring practice," the coach explained, and then went on to point out the example of Heck Wakefield, Vanderbilt's great All-American end of 1923, who played two years as a mediocre back, then was tried at end in spring practice over his own protest, only to develop into an All-American.

"We will try Cash Gentry at end this spring," Hurdage said, "and use Mutt Miller some as a back because of his forward passing ability. Beede Long will get a thorough trial at fullback and we'll move Ben Poyner around in several different positions until we find the one we think suits him best."

"We plan to groom 'Nig' Robertson as a triple threat this year. He was a fine kicker and passer last year as well as a ball-lugger but because of an injured right shoulder, wasn't able to kick or pass much."

"Ken Little, the Altus boy, who played center and end last season, will be tried at tackle this spring. He's not active nor fast enough for an end but has grown to 200 pounds and is smart, a hard charger and a good blocker on offense. And we're looking for better blocking ability on the part of our tacklers."

"Art Panzavie will be tried both at quarterback and left blocking half while Harry Ellis, who played at end for our last fall, will probably be used at guard."

"We have eight boys who are prospective passers, Robertson, Poyner, Page, West, Miller, V. Nemecek, Meyer and Art Panzavie. For kickers we're grooming Allen, Gentry, Robertson, V. Nemecek, Henty, Page, Meyer and West."

Hurdage also announced that he will require all backs to try and learn all four positions this spring. "Suppose your fifth best back is a full and you want to substitute at left half," he explained, "You can't use your best sub because he doesn't know the position you want a substitute for. You have to use an inferior man."

## PALLADIANS HEAR PROGRAM

### Junior Class Members Carry Out Valentine Theme Friday Evening.

The annual program of the Junior class members was presented at the Friday night meeting of the Palladian literary society in the Temple building. A Valentine day theme was carried out in the program with the Count of the King of Hearts as the location of all the action.

Several vocal duet numbers were presented by Margaret Medler and Lucille Lindgren, and Wesley Hunsfeldt played a trumpet solo.

### Vold New Law School Directory Supervisor

Prof. Lawrence Vold of the university college of law has been appointed directory supervisor for the Association of American Law Schools for the year 1934. His appointment was recently announced by the president of the association, M. R. Kirkwood, dean of Stanford university's law school.

## IT SEEMS TO ME

by IRWIN RYAN.

The Nebraska basketball team certainly demonstrated its ability to come thru, last Friday evening when they achieved the rather surprising upset of the highly touted Missouri Bengals. An what is most pleasing about the whole affair is the fact that most of the sensational work of the squad was performed by men who will be with the team again next year.

Harry Sorenson's fine exhibition the other evening brought him into the limelight and marks him as a great prospect for the coming year. Before enrolling at Nebraska Sorenson had handled a basketball very little and was thoroughly unacquainted with it. Since last year Coach Browne has been working with him on the maples. But the task of learning to handle a basketball is slow at best and until just recently he has not been able to "find himself" so to speak. His improvement has been so rapid of late, however, that it is marked and commented on by numerous persons.

Henry Whitaker, St. Joseph, Mo., sophomore guard recently promoted to the varsity, turned in one of the most brilliant performances made by a Nebraska basketball player in many a moon. He not only was high point man with 11 points, but proved himself at the art of guarding. Bull low and stocky, with plenty of "English" on the ball, he dribbled past the Missouri guards time and again for baskets. With two and a half years of varsity competition ahead of him, Henry is looked to as the mainstay of teams to come in the next two years.

The Husker cinder squad deserves mention when it comes to individual performance, and the star of the production is Glenn Funk, Central City youth, who yesterday turned in the fastest miles ever run on the indoor track in Memorial stadium. His time, 4 minutes, 28 seconds, is remarkably fast for the track. The long-legged junior plans to give Cunningham a race for his money when the two clash in Memorial stadium next Saturday, if they do. Cunningham is expected to be in New York for the New York Athletic club games Feb. 17.

But Kansas won't be the only losing school. Coach Schulte is working hard to prepare Heye Lambertus to represent Nebraska at the same meet. If Lambertus rounds into shape, and his injured leg muscle heals, Nebraska will be minus some firsts in the coming meet, unless his team mates come thru in the pinch. If Cunningham and Lambertus both go, neither Nebraska nor Kansas will find itself at a disadvantage when it comes to figuring up the final total for their winning ability matches each other.

## KANSAS PROFESSOR SAILS

### Will Spend Spring in Japan, China and Manchuria Observing East.

LAWRENCE, Kas.—W. W. Davis, professor of history at the University of Kansas, on leave of absence this year, will sail Feb. 22 from San Francisco to spend the spring in Japan, northern China, and probably Manchuria. Professor Davis has specialized in Asiatic history and, as he writes Chancellor Lindsey, expects to "observe and absorb a lot in Asia." He will resume his teaching next September.

## DELIAN-UNION VIEWS FILM

### Pictures Taken in Glacier National Park Feature Friday Meeting.

The Delian-Union Literary society held its regular social meeting Friday night, Feb. 9, in Delian-Union hall, Temple building. A two reel film of the Glacier National park, taken through the courtesy of the Great Northern railroad, was shown. A review of the book, "Little America," by Richard E. Byrd, was given by Leonard Westbrook on the literary half-hour. The program also included a string trio, a piano duet, and impromptu talks.

Paul Lemon and Alvin Kleeb were in charge of the program, and Joan Bicknell had charge of the refreshments.

## NEBRASKA WRESTLERS BEAT KANSAS MATMEN

### Don Shirley Leads Huskers in 25 1-2 to 6 1-2 Victory.

Nebraska's wrestling team turned in a win Friday night after the basketball game in a dual meet with Kansas. The point score was for Nebraska by the overwhelming margin of 25 1-2 points to 6 1-2 points.

Four falls were registered during the fray, Captain Don Shirley of the Huskers, pinning George Nolan of K. U. with less than a minute to go of the allotted ten, in the 135 pound match. This match provided most of the fireworks, with Shirley holding the edge throughout. Nolan doggedly fought out of several dangerous holds only to fall victim to a head scissors and a bar armlock in 9 minutes 36 seconds.

Another fall came in the heavyweight division when Robert Loveless of Kansas clamped a body chancery on Wally DeBrown in 1 minute and 4 seconds. DeBrown had broken the hold once when all seemed lost only to fall victim to it again and Loveless made the most of his opportunity.

Vic Hildebrand put the Huskers off to a flying start when he won a decision over John Hampton, Kansas in the 118 pound class. Russell Cummings, Nebraska, was too much for Elwood Leek in the 126 pound division, having the Kansas' shoulders almost pinned four times but the Jayhawk managed to stave off a fall to lose only three points to a decision. Falls score five points.

Bob Stump, of Nebraska, drew with DeLos Douglas in the 135 pound class, although the crowd thought Douglas should have been given the decision.

Merle Wells, 145 pound Nebraskan, won a decision handily from Aubrey Ansenburg. Norris Easton, of Nebraska, added five more points to the Husker cause when he won a fall from Tilly Tilford in 4 minutes 52 seconds in the 165 pound division.

Benno Funken, Husker footballer, took another fall in the 175 pound division with a half Nelson over Frank Hodson in 4 minutes 33 seconds. He had forced the scrimmage from the start.

England bettered by .5 of a second the mark he set last week in winning his specialty, the 440 yard dash, in 53.2 seconds. England led the field by a considerable margin, Roberts finishing second and Fisher third. These three men will compose the trio of quarter milers against Kansas.

The long run of the day, two miles, was won by Story in 10 minutes, 1.9 seconds. Only three men finished, Hoffman taking second and Blaser third. Story won his race by a wide margin, and Coach Schulte stated that "regardless of time, the race was one of the best in quality of performance done on the Nebraska track for some time."

Just one field event was somewhat of a surprise in its outcome, Rist, who had been winning the

## FUNK SHATTERS MILE MARK IN CINDER FINALS

### Chops 2.1 Seconds Off Old Indoor Time Saturday In Stadium.

## CLOSE RACE IN DASHES

### First Three in Each Event Compete Against Jays In First Meet.

Led by Glenn Funk, who set a new indoor record on the Nebraska track, the Husker cinder stars broke nearly all marks previously made this year in the tryouts Saturday under Memorial Stadium.

As a result of the workout, Coach Schulte has chosen his team that will represent Nebraska in the dual meet with Kansas next Saturday from those in the first three places in the tryouts.

Funk, a Central City youth, turned in the best individual performance of the day, winning first in the mile and half mile runs and setting a new record in the former. Running in second place for three-fourths of the distance, Funk stepped out in the last lap to win by a large margin over his nearest rival, White, and set a new record of 4 minutes, 28 seconds for the course. In winning his run, Funk broke a time record that was set by Johnson several years ago and which had not been seriously threatened until this year. In his first trial, Funk came within seven-tenths of a second of tying the record, his time being 4 minutes, 30.8-10 seconds.

Captures Half Mile. Returning to the track a few minutes later, Funk won the half mile run handily, although his time for this event was not as fast as the mark he had previously made. His first trial, a week ago, was run in 2 minutes and 5-10 of a second. Yesterday he broke the tape in 2 minutes and 3 seconds, two and a half seconds slower. The fact that he had already run one hard race may have had something to do with his slower time. As in the mile, White finished second to Funk, a second and a half behind him in time, and Ayres took third place. These three men will compete in the half mile against Kansas.

50 Yard Dash Close. The fifty yard dash was run twice and was won by Jacobsen each time, with Cockburn a close second. In fact Cockburn was so close a second that there was considerable discussion before Jacobsen was given the decision. Many of the spectators believed the race ended in a dead heat. The first was won by Jacobsen by a small margin, but the second provided grounds for considerable argument. The time, 5.7 seconds, was two-tenths of a second over the mark established by Lambertus in the tryouts a week ago. Lambertus did not run yesterday due to an injured muscle. Tribs finished third to Jacobsen and Cockburn, and the choice for the team next Saturday will rest between these four men.

With Lambertus out of the running, Dohrman tied the record he made last week by winning the hurdles in 6.7 second time. Dohrman beat Lambertus in this event last week and these two will, with Meier, make up the hurdlers next Saturday.

England Takes 440. England bettered by .5 of a second the mark he set last week in winning his specialty, the 440 yard dash, in 53.2 seconds. England led the field by a considerable margin, Roberts finishing second and Fisher third. These three men will compose the trio of quarter milers against Kansas.

The long run of the day, two miles, was won by Story in 10 minutes, 1.9 seconds. Only three men finished, Hoffman taking second and Blaser third. Story won his race by a wide margin, and Coach Schulte stated that "regardless of time, the race was one of the best in quality of performance done on the Nebraska track for some time."

Just one field event was somewhat of a surprise in its outcome, Rist, who had been winning the

## shot put with considerable ease and had been tossing the iron ball close to 50 feet, was beaten by two of his teammates. Mead took first place in this event with a toss of 44 feet, 3 inches, Hubka took second with 43 feet 6 inches, and Rist finished third with exactly 43 feet. The three men will work against Kansas Saturday.

Toman Wins High Jump. Toman, varsity high jumper, who has been bothered recently with a badly sprained ankle, returned to form yesterday to win his specialty with a leap of 5 feet 10 inches, just one inch higher than he jumped last week. Anderson made 5 feet 4 inches before missing, and Martin jumped 5 feet even to complete the list of performers.

Cockburn won the broad jump in one try, his first attempt bringing him 21 feet 8 3/4 inches and victory. Due to a bruised heel he was unable to jump again, but if he had been able to, he would have undoubtedly broken the mark of 22 feet made by Cardwell, freshman, last week. Cockburn will be in shape for the Kansas meet, it is hoped. Humpal won second place in this event with 21 feet 6 inches and Mead third with 20 feet 4 inches.

Dean Takes Pole Vault. Dean set a new record in the pole vault by sailing over the cross bar at a height of 12 feet 5 inches, breaking by one inch the mark made last week by Nichols. The latter took second place with 12 feet 2 inches, and Cosgrave completed the trio of winners with 12 feet even.

Completing the events of the day, several Freshman events were held, of which Kenneth Chapman, Wymore product, was the individual star. He tied with Elsenor for the 50 yard dash in 5.8 second time, won the high hurdles in 7.2 seconds, and the low hurdles in 6.4 seconds. MacGarragh finished second in the hurdes and third in the dash.

Coach Schulte is still not satisfied with the performance of his men. "We still have a long way to go," he said, "if we are going to beat Kansas. While I look for great things from my men, they are going to have to do more than their best at the present time to win the meet. I am positive that another week of hard work will put us in top notch shape for the Jayhawks."

## GRADUATE PRODUCES BOOK ON MARKETING

### Dr. Joseph G. Knapp Author of Work on Winter Wheat Pools.

Dr. Joseph G. Knapp, who was graduated from the university, is the author of a book, "The Hard Winter Wheat Pools; An Experiment in Agricultural Marketing Integration." According to the book reviewers report, the work presents a candid picture of the evolution of the hard wheat pools in their twelve years of existence. Having received his first degree in the college of business administration in 1922, Dr. Knapp received his master's degree in business research from the university in 1923. Since that time he has been at the University of Chicago, and at Stanford university where he was granted his Ph.D. in 1925. He is now a professor at the University of North Carolina.
