**FOOTBALL SQUAD IS KEPT INDOORS BY BAD WEATHER**

**Bible Sets First Practice Tilt for Week From Saturday.**

Promises of scrimmage in the near future and of the first game of spring practice a week from Saturday were made by Coach L. X. Bible at a chalk talk in the coliseum Wednesday afternoon. Inclement weather kept the Husker hopefuls indoors, and the time was spent on learning Nebraska formations, plays, and methods. At the end of the lecture the Nebraska mentor explained the changes in the rules and their relation to the game from the player's standpoint. A small squad reported for the lecture, but several prominent Frosh stars who had not previously checked out suits were there. Lloyd Cardwell, Seward speedster was a notable candidate.

**To Go Thru Scrimmage.**  
How the men will act under fire will be shown in the next few days, when, weather permitting, the Biblemen will be put thru actual scrimmage. As yet the drills have

consisted mainly in fundamentals and calisthenics, but scrimmage drills will do much to put the men in shape for the season. The first spring game will be played March 17 between two varsity teams. "Every man may not have a chance to participate in the scrimmage sessions," said Coach Bible, "but scrimmage will give us coaches a chance to see what our men will do when they are face to face with real competition."

The squad was bolstered considerably by the return of "Red" Nesmith, varsity end two years ago, who again checked out a red jersey Tuesday afternoon. Nesmith will probably play one of the end positions vacated by Roby and Kilbourne.

**Chief Bauer Out.**  
Henry "Chief" Bauer, another star of two years ago, but this time a backfield candidate, is out for the quarterback position. Bauer is an accurate passer and a good signal caller, performing in this role in his sophomore year at the university, but ineligible since then.

Following Bible's lecture on the offense, in the course of which several plays were given for study, the Nebraska mentor explained the changes in the rules. Hereafter there will be no touchback recorded on the first incomplete pass over the goal line, and no penalty for successive incomplete passes. "The changes will open up the game for you quarterbacks," stated the Nebraska mentor. "You backfield men will also have to play your positions more carefully when backed up to your own goal line. Anything can be expected now."

Freshman Coach E. Weir presented some moving pictures of last year's eleven in dummy scrimmage against a freshman team, in order that the present candidates could see from action the method of running the play.

The defensive system of Nebraska gridders will be stressed at the next lecture, to be held the next time the team is forced indoors.

**TWO SWIMMERS WILL REPRESENT SOONERS**

**Murray and Davis to Make Trip From Oklahoma To Lincoln.**

**NORMAN, March 7.**—A two-man swimming team will represent the University of Oklahoma at the "Big Six" conference meet Friday and Saturday at Lincoln, Neb.

Murray MacDonald, high point man of the 1932 meet but out of competition last season, will try a "come back," swimming the 50 and 100-yard free style events. Jack Davis, crack sophomore, will enter the 220 and 440-yard free style events.

The Oklahoma swimmers may be accompanied by Bruce Drake of the university physical education faculty, who will act in an advisory capacity. They will leave Norman Wednesday noon, arriving at Wichita, Kas. in time for a workout at 8 p. m. at the Wichita East high school pool. They will drive on to Lincoln Thursday where they will take a brief splash in the 25-yard coliseum pool, scene of the championships.

Davis is being pointed for a new conference record in the 440-yard free style event provided he can defeat Dick Murphy, Iowa State marvel and conference champion and record-holder in both events. Tuning up Saturday, Davis swam the quarter in 5 m.16.5s, fastest time of his life.

MacDonald, who didn't start training until a month ago, is fast rounding into shape although he isn't in as good condition as Davis. Saturday he swam the 50 in 25.5s, paddling alone. He has done the 100 in approximately a minute. The 50 is probably his best event now.

In the 50 and 100-yard races MacDonald's leading opponents will be Murphy, Masterson of Nebraska and Creed of Kansas State. Lynde and Easterday of Nebraska, and Herrick and Murphy of Iowa State will be Davis's chief competitors in the long events.
