TRACK EXHIBITION PUT ON SATURDAY BEFORE VISITORS

Schulte Explains Events as Run Off by Husker Cinder Squad.

Husker track men put on an exhibition workout Saturday afternoon in the Coliseum for a group of coaches and players attending the state high school basketball meet.

Several excellent times and heights were made as the Schultemen went through their paces. Coach Schulte announced and explained each event as it was run off.

Jack McGarraugh, San Antonio, Tex., freshman, set the best record of the day when he cleared the bar in the high jump at 6 feet, the best mark made so far this season in that particular jump.

Kenneth Chapman, a Wymore high school product, established himself as a future varsity competitor by winning the low and high hurdles, the former in 6.1 seconds, and the latter in 6.7 seconds.

One varsity high hurdler and one alumnus ran the high hurdles, and the alumnus, Harold Petz, beat the varsity hurdler, Adolph Dohrman, twice, each time by a small margin.

Owen Rist won the shot put over Mead with a toss of 45 feet 11 inches, as compared with Mead's 44 feet 7 1/8 inches.

Humpal beat McGarraugh in the broad jump with a leap of 21 feet.

Coach Schulte is still undecided as to whether he will send Heye Lambertus, ace low hurdler, and the two mile relay team to the Butler relays in Indianapolis.

FOOTBALL TEAM DRIVEN INDOORS BY BAD WEATHER

Exhibition Put On Before Visiting Coaches and Players.

Driven indoors by bad weather, the Husker football squad had to postpone its intended outdoor scrimmage for work inside the stadium Saturday afternoon.

Only general work was indulged in, the limited space not allowing the men to scrimmage, but workouts between individuals, types of blocking and passing exercises, as well as a demonstration of the plays were provided.

The squad was divided up into the two teams it usually comprises in practice, with varsity and reserves on one side of the line and freshmen on the other.

The team will continue workouts under the stadium until the weather permits resuming outdoor tactics. The postponed game will be played on the first clear Saturday.

LINCOLN CAGERS DEFEAT CRETE IN TOURNAMENT FINALS

New Class A Champions Drop Cardinals in 21-12 Game.

BELLWOOD WINS CLASS B Saline County Flippers Lead Count Early in Play; Trail Rest of Way.

Displaying a fast breaking offense which was superior to the type of ball exhibited by the capital city quintet during the entire tournament, the Lincoln basket flippers came from behind after the first few minutes of play and held the Crete Cardinals under their thumb for the rest of the tilt.

Crete was unable to assume the cool and driving attack which they showed the previous night in their performance against the Grand Islanders. Their passing attack did not function well and the numerous wild passes contributed to the chaos.

With Kristufek, who was one of the outstanding players of the tournament, opening the scoring with a shot from under the basket for the Cardinals and Davis contributing a free throw, the start of the battle presented an entirely different aspect than the final score indicated.

Parsons then came thru for Lincoln with a pair of gift shots and Douglas contributed another field goal for the Kleinmen to more than even the count. Then, jumping under the Crete goal, after a held ball, Parsons managed to score a basket by way of a tip in, just before the end of the first quarter.

With the opening of the second quarter and all thru the third quarter the capital city squad held the Cardinals scoreless while they managed to accumulate for 10 points during this time.

After Parsons slipped thru another Richards followed again with another field goal and a pair of gift baskets concluding the scoring for the half. The count at the end of the first canto stood 14 to 5 with the Ballermen on the long end of the count.

In the third quarter of the low scoring contest only one basket was dropped thru the hoop, that was a setup which Bradley pushed in.

In the final quarter, despite the frenzied wild passing of a few members of the Crete quintet, the Kleinmen came back on an equal plane with the capital city squad.

Both teams scored seven points and the battle veered back and forth in the contribution of points. Kristufek, star of the Cardinals, again managed to shake his guard for a setup but was fouled just before shooting. However his free throw was good, running the Cardinal count to 6.

During this process the Lincoln hoopers ran up seven points with Meon, Amen and Parsons accounting for them.

Parsons led the capital city five in scoring with eight counters, while Kristufek led Crete with six. Richards of Lincoln was not far in the rear with five to his credit.

In the class A playoff match preceding the class B final, Columbus trounced Grand Island by 22 to 16 in a rather rough battle. This victory came in the form of sweet revenge for the Discoverers, because the Columbus team fell because the Islanders in a regular season tilt about two weeks ago.

Columbus' slow, deliberate game proved to be too much for the Third City aggregation. The winners repeated the performance which they made in the first round game against Jackson, coming from behind a strong 13 to 6 lead possessed by the Islanders and winning by a fairly decisive margin.

It was an uphill fight all the way for the Mielenz team. With a minute left in the first half the score was 13 to 1, Grand Island on top. The third quarter was a rampage with Columbus coming up fast.

The class B championship tilt between Stockham and Bellwood, the latter winning 18 to 17, was a rough and tumble, loosely-played affair, with both teams looking bad.

Avoca proved to be a disappointment in class B competition, the pre-tournament favorites losing out in the consolation to Cathedral, 30 to 28 in a tight battle.

Lee Penney Accepts Post as Grid Coach At Superior, Neb.

Lee Penney, who played one year at fullback and two at end on Nebraska football teams, has been appointed to the position of football coach at Superior high school, according to announcement made by school authorities of that town Friday.

In his first year of Husker grid competition Penney played fullback, and starred as a blocker. The next fall he was placed in an end position, and proved to be one of the outstanding ends ever to play for Nebraska. He
