

FROSH CINDERMEN HEAR SCHULTE AT MEETING TONIGHT

Preparation for Missouri Valley Telegraphic Meets Begins.

All freshmen track candidates of the university will meet Thursday night at 7:30 under the east stadium for a special talk by Coach Schulte it was announced Wednesday.

The meeting will be held in preparation for the Missouri Valley telegraphic meets which are not far in the offing. Pictures will be shown. Coach Schulte will give a talk on how the various events should be run, and there will be a discussion of the part each is to play in the telegraphic meets.

Freshmen runners have not turned out in as sufficient quantity as Coach Schulte would like, and one of his largest jobs in the connection with the meets will be to develop a capable squad of runners. Only the four best men in each event may participate, but there cannot be less than four. Coach Schulte has named various dependable fresh trackmen as captains for the various events, and the duty of these men will be to get entrants for their events. Each captain should have at least six good men, out of whom four will be chosen for competition.

Relays May 7 to 12.

The Valley Telegraphic Relays will be held May 7 to 12, with time being the factor of victory. Immediately following the telegraphic meet will be the Valley individuals, which will be for individual instead of team competition.

In addition to the Valley meets Coach Schulte has announced Tricolor meets March 23, April 10, April 25, and May 2. Two such events have already been held indoors, but after March 28 they will take place outdoors.

Each individual can win points in the Tricolors for the gold Mercury foot which goes to the winner in each event. Every meet counts points for the individual competitor. To miss one meet might be disastrous for his chances to win a medal. Highest total wins first, and second and third places are also rewarded with medals.

Captains who are responsible in the Valley Telegraphic Meets are:

- 100 yard dash: Elmer.
- 220 yard dash: Zesh.
- 440 yard dash: Zushman-Sparren.
- 120 yard run: Zushman-Sparren.
- 120 yard high hurdles: Chapman.
- 220 yard low hurdles: Cardwell.
- 1/2 mile: McGarrugh.
- 1 mile: Watkins, Rupp.
- Broad jump: Warneke.
- Shot: Francis.
- Discus: Shirey.
- Javelin: Yost.

WING TIPPED SHOES ARE AGAIN IN FAVOR

Wing-tipped shoes, well ventilated with perforations are back in favor with the college man. Spring shoes are also lighter in weight—no longer will the sleep of students in eight o'clocks be disturbed by the clapping of late arrivals!

GAY KNITTED FROCKS RULE SPRING PARADE

Fashion has woven a tale—a tale woven with yarn about knitted frocks which were never gay nor more interesting than they are this spring.

While classic knitted will remain first choice, there are numerous novelties that will have youthful appeal. Among the classics are the two styles in three piece suits, the suit with the dressmaker type sweater in soft boucle wools, and the newer closely woven suit consisting of skirt, slipover sweater, and cardigan.

Frills Enhance New Party Gowns; Reports Dress Is Campus Dictate

A variety of gowns is seen at spring parties at Nebraska, ranging from sport suits and afternoon dresses to frilly party gowns. Nearly every girl will want in her wardrobe at least one frilly dress this spring. Evening gowns emphasize femininity this season and are of net, tulle and chiffons. The new models have covered shoulders and lower necklines and shirring and ruffling from waistline to hemline.

Tulle, laces, and nets in cool yellows, in blues and greens embroidered in silver dots take a permanent place. Cottons have made some showing, black organdy printed with bright flowers will be worn as will lighter fluffier materials. Fine crepes are being worn in higher than ankle length for dancing and dining.

Coach Henry F. Schulte, veteran Nebraska cinder mentor, sends six of his men to Indianapolis to compete Friday and Saturday in the Butler university relays. This will be the first outdoor competition this season for the Nebraska track team, and later this spring Schulte's men will step out on the Memorial stadium track in an effort to successfully defend their Big Six title won last spring.

SEVEN HUSKERS MAKE JAUNT TO BUTLER RELAYS

Cinder Squad Leaves Today For Indianapolis and Feature Event.

Seven men leave today at noon for Indianapolis where six of them will compete in the annual Butler Relays on Friday and Saturday.

They will make the trip by car. Hoye Lambertus will lead the Husker trackmen, competing in the low hurdle race. Lambertus is picked by the experts as likely to win this event, having already tied the world indoor record this season. Adolph Dohrman will compete in the high and low hurdles, and the relay team, composed of Glenn Funk as anchor man, Francis Ayres, Jim Storey, and Howard White, running in the order named, will run the only event in which Nebraska men are entered.

In competing in the Butler relays, the Schultemen will meet the nation's best, as representatives from the East, Big Ten, and Big Six will participate.

Harold Petz will accompany the squad as coach. Petz is a former varsity high hurdler and Big Six champion, and has acted in the capacity of assistant track coach this season.

STUDENTS GIVE PROGRAM

Garnette Mayhew and Bettie Zabriskie in Wednesday Music Convocation.

Garnette Mayhew, cello student with Miss Bettie Zabriskie, appeared in the twenty-first school of music convocation at the Temple theater Wednesday afternoon at 8 o'clock.

The program was as follows: Arioso, by Bach; Sonata in G major, Allegro, Grave, Vivace, by Sammartini; Concerto in D major, Adagio, Romanze Allegro by Mozart; Meditation by Squire; Lullaby, by Scott; Piece en forme de Habanera, by Ravel; and Guitarrre, by Moszowski.

"My ideal man must be sincere and possess common sense and understanding," a Little Rock Junior college co-ed affirmed when approached by an inquiring reporter.

"The program was as follows: Arioso, by Bach; Sonata in G major, Allegro, Grave, Vivace, by Sammartini; Concerto in D major, Adagio, Romanze Allegro by Mozart; Meditation by Squire; Lullaby, by Scott; Piece en forme de Habanera, by Ravel; and Guitarrre, by Moszowski."

FOUR SQUADS GET PASS AND SIGNAL DRILL WEDNESDAY

Bible Emphasizes Double Wing Back Formation During Practice.

GRID PLAYS WORK WELL

Second Scrimmage of Spring Session Is Scheduled For Saturday.

Four teams of Husker gridmen went through an extended passing and signal drill Wednesday afternoon on Memorial stadium turf, concentrating on the double wing back formation, which has recently been added to the Nebraska repertoire of plays.

Passing occupied the greater portion of the time, with two red and two blue-clad elevens opposing each other. Some time was spent in signal drill on the new signals, in preparation for the game Saturday, and the plays worked well against a blue-jerseyed freshman team.

A team headed by Chief Bauer had the best averages for passes during the afternoon, with the Chief and Ron Douglas flipping passes to McDonald and Cardwell through the Red defense. Turner, Francis, and Fischer were the passers on the second Blue team, but did not fare as well as the first.

Blue Defense Good.

The Blue defense proved too stiff for the Reds, and the varsity team completed but very few of their passes. Glenn Skewes and Johnny Howell flipped the pigskin in this combination, but open receivers were rare.

The Reds evened the score somewhat, however, by cracking the Blue forward wall for gains in the signal drill. Only certain parts of each team went into action at any given time, and on these various plays the Reds clicked in close to expert fashion. Chase, McDonald, and Ellis were outstanding in the fresh line, and sometimes piled up the plays before they got started, but such an occurrence was rare.

Turner and Fischer were outstanding in the second Blue team, which outplayed the Red second team. Francis did some passing and completed several tosses for good gains, but he is not yet able to participate in heavy scrimmage.

Following this week of drill on double wing back plays will be a game, scheduled for Saturday, barring changes in the weather, which will show the relative test of these plays as opposed to the single wing back type which occupied the time of the squad a week ago.

Spring Suits for Coeds Is Dictate of Dame Fashion

You must be suited this spring, but the collection of suits is varied enough to give every woman exactly the kind of suit she has been wanting. Every length of suit jacket will be seen ranging from full length to the bolero. Coats may be straight line, belted, swag ger, wrap around, or reefer.

College girls who have a lean and hungry purse will welcome the four piece versions consisting of a skirt, a blouse or sweater, a jacket, and a topcoat. This costume offers almost endless opportunities to enlarge the wardrobe.

Swagger style coats seem to have taken the popularity for short coats on the Nebraska campus both the windblown and the belted silhouette.

As to colors, blue seems to lead, from a dark navy varying to lighter shades. Gray, black, green, brown, gold, salmon and rust are all good. The featured materials are crepey ribbed wool, tweed, patterned fabrics, conservative checks, and yarn-dyed wools.

Plans are being discussed at Marshall college, Huntington, W. Va., for the establishment of a college R. O. T. C. unit.

A fire in the co-ed dormitory at Hillsdale college in Michigan recently sent thirty-five students out to room with their sorority neighbors.

COLISEUM

IT SEEMS TO ME

by IRWIN RYAN.

Varsity versus frosh has been the lineup of Husker teams for the past week, with the varsity taking the long end of achievements. No continuous scrimmage has been engaged in, but frequent dummy scrimmages with active dummies have been held. The coaching staff, headed by Coach D. X. Bible, has been satisfied with putting one side of the line and then the other into action, not being willing to risk a heavy scrimmage so early in the season.

The morale of the Husker team was improved considerably by the first appearance of Sam Francis, frosh star, in suit Friday afternoon. Francis is still unable to participate in scrimmage, but the possibility of his being able to do so before the spring sessions close is increasing every day. The big fullback will be ready when he has gained 15 more pounds, and when you consider the fact that he weighs 185 now, the weight of the backfield increases by leaps and bounds. Francis is considered the best prospect to fill Sauer's shoes, being able to pass, kick, block, and run equally well. He is left-footed and left-handed, and holds the national high school record in the shot put. Some man!

An excellent passer has been uncovered in the person of Henry "Chief" Bauer, varsity quarterback two years ago. Bauer will be eligible for competition next fall, and has concentrated his efforts on the passing and signal-calling ends of the game. He is both accurate and speedy as a passer, and the majority of his passes are complete. Playing with the second varsity, he has directed their attack and has been proven capable at the quarterback job.

In one respect spring practice has not been successful for the Husker coaches, and that is in the number of freshmen out for practice. The spring sessions are conducted mainly for the freshmen, yet only a few appear at each practice session, and very few of these regularly. Coach Bible is greatly disappointed in the spirit shown by the freshmen. Former varsity men and reserves are on hand continually for practice, but the frosh evidently think it unimportant. Coach Bible gives full credit for last year's victorious eleven to the seniors of that year, who gathered every night at spring practice determined to make the team a success. The same spirit predominates in the varsity of last year, but the freshmen have none of it.

The strength of the 1934 Husker grid machine will depend largely on the success of spring practice. Both Coach Bible and as we will have to depend on the freshmen for a good deal of our reserve strength it is necessary that they turn out in greater numbers than they have been.

Turning from football to track we find a freshman again predominating the scene, this time in the high jump. The frosh star is Jack McGarrugh, who hails from San Antonio, Texas, and can ride and swim as well as jump. McGarrugh sailed over the cross-bar at 6 feet Saturday, to set a new Nebraska record for the year, including varsity and frosh marks. He definitely established himself as a varsity man, for next year, and is looked to as a future mainstay of the track team.

BLUE DEMANDS TAUPE IN HOSEIERY AS BLEND

Color is not the most important factor in hose for the possibilities of the stocking blending with the costume should be considered.

As blue is the most fashionable color this spring, taupe is the most important group of hosiery hues. The many different shades of this color blend best with the various shades of blue.

The most outstanding is medium taupe which goes with navy, lighter blues, gray, green. With prints beige-taupe is chosen, and a dark taupe goes best with black.

A campaign is being waged by University of Michigan students to open the university library for use by students on Sunday.

Dean Ralph Huston of Michigan state college has just been granted a patent on a new vitamin stabilization compound.

High school diplomas are of little value as intelligent ratings for employment purposes, according to a University of Minnesota psychologist.

A DePAUW university professor has figured out, after many hours of research, that it costs a student a dollar for every class he cuts.

A chapter of the 4-H clubs of America has been installed at the University of Wichita.

Owen D. Young, diplomat and financier, will deliver the commencement address at the University of Nebraska.

FISTIC CHAMPIONS IN ALL-UNIVERSITY MEET CROWNED WEDNESDAY

Titles Are Awarded in Five Weights at Annual Boxing Tourney.

Climaxing a colorful evening of slugging, Wesley Dunn captured his third successive scrap to annex the championship in the 145 pound class at the All-University boxing tournament at the Coliseum Wednesday night before a record crowd of close to a thousand spectators.

Starting off the gala event Bob Martensen, 123, outpunched John Passmore, 125, in a three rounder to a close decision, in the 125 pound class.

Milton Beckman led a two fisted onslaught to carry off the laurels from Howard Freiss in the 135 pound division after setting the pace throughout the mixer. Beckman tipped the scales at 136 and Freiss at 135.

Dunn in Spotlight. Wesley Dunn, 145 pounder who occupied the spotlight through the entire matches, eliminated William Pege, black skinned leatherslinger, in a fierce mixup and followed through with decisions over Dale Meyer and Harold Butler. Butler was outsmarted by Dunn in the final go.

In the 160 pound event, Bill Cowin after doing away with Don Oberlender in a single stanza was laid away by Mark McAllister who won his way to the finals in a similar manner with a nod over Bob Brown. McAllister and Cowin threw leather fast and furiously but Cowin dropped out with a bad knee which bothered him in the earlier rounds.

Fails To Appear. Don Flasnick failed to appear for his match with Bud Sawyer in the 175 lb class and left him fresh to give Ed Jackson a real lesson in the art of pugilism. Jackson defeated Lonnie Thomas earlier in the evening but was helpless against the merciless two-fisted hammering of Sawyer who really gave punishment. The nod of Harold Ostran, the referee, awarded a technical knockout over Jackson in the last stanza.

After laying waste to Pete Smith in a one-sided match, Glenn Jones punched his way to a clean victory over Keith Weyer for the heavyweight championship of the university. Both Weyer and Smith were game to the bell but there were outclassed decisively.

Harold Petz was official timekeeper and Harold Ostran collaborated with the three judges in the decisions. Ostran worked in the ring and kept the boys on friendly terms.

New university champions: 125 pound class: Bob Martensen, 123, mastered John Passmore, 125, in three rounds.

135 pound class: Milton Beckman, 136, received the decision over Howie Freiss, 135.

145 pound class: Wesley Dunn, 147, won decision over Harold Butler, 144.

175 pound class: Bud Sawyer, 175, defeated Ed Jackson, 170. Stopped at the beginning of the third period.

Heavyweight class: Glenn Jones, 180, vanquished Keith Weyer, 183.

College World

Indiana university professors were recently given an opportunity to tell "What Professors Like and Dislike About Students," at an open forum conducted by Mortar Board, senior honorary society.

"Mustard and Cheese" is the name of the dramatic organization at Lehigh university, Bethlehem, Pa.

Exactly 853 students were treated by University of Indiana physicians during the month of February.

Exactly twenty-four Northwestern university freshmen were arrested recently for creating a disturbance in an Evanston theater as part of a cap-burning activity.

Thirty-four new students have enrolled in Alabama college through funds granted by the Federal Emergency Relief association.

An Ohio Wesleyan university freshman will make an eight weeks' tour half way round the world on a speaking trip.

WALDORF GETS NEW POST

Former Sooner Aggie Coach Named to Kansas State Position.

Lynn Waldorf was recently named head football coach at Kansas State college to succeed Bo McMillin, who last week was named to a similar position at Indiana university.

Waldorf has served several years at Oklahoma A & M college, Stillwater, Okla., a school which is a member of the Missouri Valley athletic conference. He is an older brother of John Waldorf, former head athletic coach at Nebraska Wesleyan university, and played his football at Syracuse university at a time when the Orange was a great rival of Husker football teams. Now the Kaggies are one of Nebraska's principal rivals, having given Coach Bible's teams a good run for their money during the past few seasons.

INTRAMURAL DIRECTOR ASKS ENTRY BE MADE

Prof. White, Harold Petz Want Organized Houses Hand In Names.

Arrangements for this year's intramural debate tournament will be made as soon as a complete list of competing houses has been secured according to Harold Petz, intramural director. All organized houses are eligible for the contest.

The entries may be turned in to either Petz or Prof. H. A. White, debate coach. There is no definite date limiting registrations.

The contest is being sponsored this year for the third successive year by Delta Sigma Rho, honorary forensic fraternity, in an effort to promote student interest in debating activities. The organization awards a silver gavel to the winner to be kept for a year. The winner last year was Sigma Alpha Mu.

Sweaters, Skirts Are Being Shown For Picnic Wear

Even though you can't plan a picnic and be sure of the weather a few hours later, spring is sure to come soon and with it will come picnics.

The best garb for picnics is sweaters and skirts which are being shown in endless varieties in Lincoln shops. Skirts flash out in high shades and monotone tweeds and plaids, most of them being wrap-around style with buttons at the side or front.

Sweaters are of every shape and color, ribbed weaves, fancy open knits, wooly ones, fuzzy ones and plain ones. Twin sets in bright colors are popular.

CREIGHTON RIFLEMEN FALL BEFORE HUSKERS

Scarlet Marksman Vanquish Omaha Squad by 904 To 845 Score.

As the last rifle match prior to the National Intercollegiate competition which will be held at Andrews' hall range next Saturday, the Creighton-Nebraska mixer offered a colorful spectacle with Nebraska's Scarlet and Cream marksman establishing their bullseye supremacy to the tune of 904 to 845.

Being the first match of its nature between the two schools Sgt. C. F. McGimsey expressed his desire to make it an annual affair and to conduct it as a shoulder-to-shoulder event in which the place of occurrence shall alternate between Omaha and Lincoln.

The scores were totaled from the sum of the scores fired at prone and standing positions by the highest five marksmen of the two colleges. Carrying off the high individual honors with a ninety at standing and a 98 at prone, Sam Fleishman, one of the most consistent scorers of the Nebraska Rifle club, set the pace and hung up a new record at these two positions in competition.

Summaries: Fleishman 185 Revers 179 Davison 182 Thurman 175 Dunklau 190 Total 904

With this performance, Sergeant McGimsey expects a large crowd to attend the National meet Saturday, March 26 at Andrews' hall range. Admission is free.

The successful Ohio college basketball coaches are no older than some of their players.
