

CAMPUSOCIETY

EASTER AT THE UNIVERSITY had an auspicious beginning with an astonishing number of students attending church. Quite a few fraternities and sororities went on masse and although the weather had not been particularly promising all week, Easter bonnets, frills and furbelows were much in evidence. Of course lots of people went home, and Omaha drew a large crowd Saturday night for the Central High Military Ball. Many a sigh of relief was drawn by those who gave up things for Lent, and it's a safe bet that for the next couple of days everyone will make up for their forty days of abstinence.

SEEN IN Dorchester Friday night at a dance were Helen Mencke, Billy Everton, Violet Cross, Margaret Moore, Denise Greene, Janet Mathewson, Margaret Thiels, Carmenne Felters, Bernard Jennings, Jack Fischer, Lee Young, Larry Hall, Lloyd Loomis, Duke Ross, and Dick Decker.

NEW PLEDGES of Acacia, pledged last Wednesday, are Mark Owen, Lincoln; Bob Hockenbury, Lincoln; and Howard Dobson, Sioux City.

AND FROM Omaha comes the news that Ruth Ellis will be married in June to Jack Kennedy, who was a Sigma Nu down here, and whom is now attending medical school in Omaha where he is a Nu Sig.

SPEAKING OF affairs of the heart, everyone is saying that one of the more prominent Pi K. A.'s is planning to hang his pin just before spring vacation. A Theta from Crete is said to be the one who is taking up all his time and attention.

ARRANGEMENTS for the last All University party of the year last night in the student activities building were under the direction of Burton Marvin. Chaperons were Professor and Mrs. R. W. Frantz, and Professor and Mrs. L. A. Bingham. Wilbur Erickson was in charge of the orchestra; Margaret Medlar, chaperons; Alvin Kleeb and Evelyn Diamond, publicity; and Marjorie Filley, refreshments. About 350 attended.

EIGHT WERE present at the meeting of the Zeta Tau Alpha Mothers club Thursday at the home of Mrs. Ethel Becker. Easter decorations were used.

FOLLOWING initiation yesterday afternoon, the Thetas held a banquet at the University club, which was attended by one hundred and fifteen. The committee in charge was composed of A. Louise Trester, Mrs. Robert Danielson, Miss Berenice Hoffman, and Miss Willa McHenry. The freshmen gave a skit as part of the program. A large number of out-of-town members attended the affair.

A SMOKER will be given Tuesday night at 7:15 at the Delta house by members of Gamma Lambda, honorary band fraternity. All E. O. T. C. band members are invited to attend. Bill Hammond, president, is in charge of the arrangements and about 50 people are expected. The evening will be spent informally.

PLATFORM OF THE GREEN TOGA FOR COMING ELECTION

(Continued from Page 1.) ing men, men who are recognized for their special abilities in whatever field they have entered, will be sustained by your vote at the polls on Tuesday next. Green Toga Faction. A Protest. "The Green Toga" faction protests the holding of the barb council elections on April 3, 1934. This election has been scheduled for the same time, and with the use of the same polling places, as the general student election.

"A few years ago the student council ruled against all political lobbying of any nature taking place inside the buildings where election day voting was being held. The barb election is sponsored by, conducted by members of one of the groups composing the Progressive Party, is not in accord with the spirit of this ruling. "We do for this reason, ask that the barb council elections be held at such times as will not conflict with the dates of general student elections. Fair play, and compliance with the spirit as well as the letter of the council's ruling, demands that our request be granted."

SPRING ELECTION PARTY PLATFORM OF PROGRESSIVES

(Continued from Page 1.) sure the future of the worthwhile campus activities: 6. The Progressive party deprecates many of the binding and ante-dated restrictions which govern campus social life. We pledge ourselves to an active campaign for the liberalization of those restrictions.

7. For some time, the Progressive party has favored and agitated the application to PWA authorities for the erection of a student union building on the Nebraska campus. Many other Universities throughout America have received large grants for such buildings. The University of Nebraska campus is direfully in need of such a center of student activity. We promise to exert every effort to achieve the completion of this project. In the foregoing plank the Progressive party has taken an open, clear-cut stand on the controversial issues before the student body. The slogan of our party is "Progress, not Politics!" The Progressive party was created to restore honesty to student government and to bring about the abolition of the evils and undercover maneuvering which always accompanies the playing of politics. With these purposes in mind we have drawn our platform and selected our candidates for the coming elections. With confidence, we submit them to the student body.
