

LINCOLN TANKERS, CALIFORNIA ACES CLASH SATURDAY

Dual Meet in Coliseum Pool Heralded as Greatest Event of Year.

CONTEST STARTS AT 8

Golden Gate Swimming Team Invades Nebraska After Win Over Utah.

By JACK GRUBE
Heralded as Lincoln's greatest swimming event of the year, the dual splash between the Nebraska All-Stars and the Golden Gate Junior College swimmers will offer a colorful spectacle at the Coliseum pool Saturday evening, April 14, at 8:30 p. m.

The invading team won recognition after a spotless season's victory which closed with the first victory recorded over Stanford University in five years. After annexing the North Pacific championship in this manner, the boys from Golden Gate were scheduled to appear in various exhibition meets all over the western coast. Establishing their supremacy in this territory they decided to invade the realms of Nebraska in quest of more scalps for their trophy belt. On the trip to Lincoln they defeated the combined teams of the University of Utah and the Desert Y to the tune of 42 to 32 and are all set for the Cornhuskers.

Occupying the spotlight the event of events will be the battle for victory in the 50 and 100 yard free style events in which Art "Torpedo" Lindgren, Golden Gate has won fame by hanging up the record time of 52.3. Since the Big Six record at Nebraska was recently set at 57, Art believes he will "carry home the bacon," but to prevent this the Cornhuskers have sent in Bernie Masterson and Burt Amgwert to leave the fast boy in their wake, if possible.

Bernie, fresh from the intercollegiate meet, is in the best shape of his life. Besides being the conference record holder he is recognized as the number one aquatic performer of the state. Burt Amgwert the Lincoln high sprint king and state holder in both sprint events, will show his wares in the fast event. Burt is lauded as the best free styler any Nebraska high school has ever produced.

Pete Hagelin and Howard Church will stand good chances to defeat Hawton of Golden Gate in the 100 yard back stroke contest.

Hagelin, captain of the Lincoln high splashers and holder of the state backstroke record, has been performing far superior to any other backstroke artists in the state and even the conference and he is expected to leave the rangy Californian in the background. Howard Church of Nebraska won the distinction of being the second best backstroke in the conference about a year ago but due to illness his performances of the last season were not up to his usual standard. Howard is now in shape and ought to do some real swimming.

Possibly the most talented diving exhibition ever to be conducted at Nebraska will get under way when Harry Kuklin, Big Six diving champ, Kenneth Sutterland, Nebraska swim mentor and former Big Six titleholder, and Don McDowell, recently crowned state fancy diving king, show their wares on the spring boards. Ken and Harry will take the high board while Don will strut his stuff at the lower level.

John Keriakedes, Nebraska's own heavyweight gridironist, and James Pizley of Erie Creek who can shatter every Big Six marker in the 50, 100 and 200 yard free style events, will give a real clowning performance from the high board. Both are experts in the field of humor and will give the crowd something to laugh about.

Tickets for admission may be purchased from the Tassels, at the athletic office of Mr. Selleck, or at the gate prior to the meet. A comfortable seating arrangement has been set up according to Cliff Cunningham who is coaching the Nebraska All-star team.

Plans have been made for several other exhibition events than those mentioned and if negotiations are completed, they will be announced at the meet.

JAYHAWK COACH PICKS NEBRASKA WIN TRACK MEET

Bill Hargiss Says Huskers Will Defeat Kansas By 13 Points.

MENTORS GIVE REASONS

Dopsters Favor Cunningham Break Mile Record in Saturday Battle.

Not to be outdone by Coach Schulte when it came to picking the winner of the Kansas-Nebraska dual affair in Memorial Stadium Saturday afternoon, Coach Bill Hargiss of the Jays picked the Schultemen to win the meet by 13 points. Schulte had previously selected the Jayhawkers as winners by a 9 point margin.

Husker fans will have to wait until Saturday afternoon to see if the present Husker team can maintain the undefeated record in dual track meets which it has held for fourteen years.

Hargiss' Reason.

The big reason for Hargiss' point of view is that he is planning to run Cunningham in only the mile, his specialty, while Schulte counted on Cunningham's breasting the tape in the mile, half, and two mile races. If the Kansas Flyer does not run the half, Funk of Nebraska is the likely winner, and if he is withheld from the two mile, another Husker first seen in Jim Storey. But coaches have been known to change their minds when the total point column begins to sag, and Cunningham may run all three races.

Hargiss may be saving Cunningham for the Kansas Relays, at which time he will race Gene Veneske of Pennsylvania, or he may be entering him in only one event in the hope that a new record may be set up.

Coaches Agree.

In five events the rival Jay and Husker coaches agree as to the outcome, the 100 yard dash, mile, 220 lows, shot, and relay. In three events the Jayhawk mentor figures his men stronger than Schulte doped it out, namely the 440, high jump, and javelin throw. Ed Hall is counted on to come through in the two dashes, with Schroeder taking the 440. In the latter event, however, both coaches count on a third place.

Nebraska has the edge in the hurdles, although Schulte figured Kansas to take a second place in the high sticks, a place that Hargiss does not count on winning.

The coaches are fairly even in their prediction of the field events, the differences being on second and third places in the discus, high jump, broad jump, pole vault, and javelin.

Hargiss counts on nine first places, conceding six to Nebraska. He expects his men to win the 100 yard dash, 220 dash, 440 dash, mile, pole vault, broad jump, high jump, shot and relay, and Nebraska to win the 880 run, 120 high hurdles, 220 low hurdles, 2 mile, discus, and javelin. Schulte agrees with this with the exceptions that he is looking for Kansas wins in the 880 and 2 mile, and a Husker win in the high jump.

"Bill Optimistic." When told of Hargiss' pessimism in regard to his team's chances of winning the meet Coach Schulte remarked: "Bill is very optimistic for Nebraska."

NEBRASKA BASEBALL TEAM OPENS SEASON WITH K-AGS FRIDAY

Knight Schedules Squad of Fifteen to Make Journey.

Officially opening their 1934 baseball season, the Scarlet and Cream sluggers will meet the Kansas Aggies at Manhattan Friday afternoon, April 13.

Coach Wilbur Knight reported that the squad has been reduced to about thirty players of which fifteen will make the journey to Manhattan. The boys are in good shape according to Knight and will put up a real game with the Aggies who always have a good team.

The Cornhuskers have great reserve strength and a flashy pitching staff to bolster up their spirits. With Wondra, Spurlock and Joyce taking charge of the twirling, the Kansas boys will face some fine mound artists. The fielding is mediocre but a strong offensive based on a scattered group of sluggers will offset any disadvantage.

Scarlet and Cream lineup:

Orcutt, Left Field.
Copenhagen, Center Field.
Hogmeyer, Right Field.
Bauer, Third Base.
Mueller, Shortstop.
Dakan, Second Base.
Graham and Fouts, First Base.
Rasmussen and Bohman, Catchers.
Wondra, Spurlock, Joyce, Pitchers.
Gibb and Sweeney, Utility Fielders.

Upon their return home the Nebraska nine will play their first home game at the Ag campus on next Friday afternoon, April 20.

NATIONAL KAPPA PHI HEADS ARRIVE FRIDAY

Methodist Sorority District Convention Opens on Campus Tonight.

Arriving in Lincoln Friday morning to attend the district convention of the Alpha Kora of Kappa Phi, Methodist girls club, will be Miss Miriam Knoer of Minneapolis and Mrs. H. M. LeSourd of Boston, national officers of the society. Registration for the convention, which is being held from April 13 to 15, will begin late Friday afternoon.

Miss Knoer, who is grand secretary-treasurer of Kappa Phi, will be the house guest of Miss Margaret Wiener, grand president, and Mrs. LeSourd, who is grand sponsor will be the guest of Mrs. Charles B. Paine, Miss Elinor Stevens, student secretary of the Des Moines branch of the Women's Foreign Missionary society, will also be a guest at the convention.

The convention will open with a buffet supper at Ellen Smith hall at 6:30 this evening when program books and song books will be presented as favors. In the Kappa Phi colors will be a miniature autograph book in the shape of the pin of the organization, with a key attached for the girl's name.

Following the supper will be a charm school in picture silhouettes, which will deal with table manners, conduct on the street, in the restaurant and theater. Mary Alice Hughes is in charge of the discussion.

to Lincoln teachers at Whittier junior high school on "Taking in the Americans." His concluding address will be at the closing meeting at the University club Saturday noon at which time he will discuss "Defining Pan-Americanism."

Other features of the convention will be an address by Dr. Oldfather on "The Modernity of Ancient Civilization" at 10:30 Saturday morning and a breakfast forum at the University club Saturday morning, at which Dr. James L. Sellers, professor of history at the university, will preside. At that time Miss Juliette Griffin of Omaha will give a review of the published reports of the American Historical association's committee for investigation of the social studies, and a discussion will be conducted by Wendell D. Ames of Lincoln high school.

FROSH USE AIR IN 6-0 WIN THURSDAY IN SPRING FINALE

Bauer's Flips to Cardwell, McDonald, Lead Blues To First Victory.

Marching 90 yards down the field on two passes, a surprisingly powerful frosh Blue grid machine turned in its first win over the varsity Reds by a 6 to 0 score Thursday afternoon on Memorial stadium sod in the windup of the spring football season.

Henry "Chief" Bauer, veteran quarterback, was on the tossing end of the passes and Lester McDonald and Lloyd Cardwell, freshmen end and back were on the receiving end. Standing on his own three yard line with but half a minute of playing time remaining in the first half, Bauer flipped the ball to McDonald for 50 yards, and then, with three seconds to go, tossed the ball 30 yards to Cardwell who ran the remaining ten yards for the only score of the game.

Williams Halts Attack.

The touchdown was made after several brilliant Blue thrusts had been frustrated by a fighting Red team which found itself outplayed during the whole contest. Early in the second quarter Bauer passed to Cardwell for a 52 yard gain that placed the ball in playing territory, but Williams intercepted another heave to stop the attack. A subsequent exchange of punts put the Blues on their own 10 yard line, from where the winning march was begun.

How badly the Reds were outplayed can be seen from the number of first downs made, 8 for the Blues and 3 for the Reds. Most of the Blues' gains from scrimmage came on long passes or runs, but the Reds were held to short gains for their first downs.

Aerial Attack Pleases.

Coach Bible was pleased with the effectiveness of the aerial attack, as this feature of the game may play an important part in the Husker offense next fall. Several Blue scoring opportunities were lost after long gains had put the ball deep in Red territory. At just the right moment the more experienced varsity line came to life to set their frosh opponents back, but they were no match for the Blues' superior passing, and had difficulty keep-

ing their hands on Cardwell, big frosh halfback.

Veterans Never Threaten.

The Reds failed to come close to the Blue goal during the entire afternoon, except as a defensive team. They pierced the Blue thirty yard line twice, but were set back by the Blue line tugging victory for the first time in the four game series.

Glen Skewes, triple-threatener from Imperial, caused the Blues the most worry among the Red backs, punting, passing, and running effectively, as well as backing up the line. Russell Thompson, 230 pound man-mountain, and Bernard Scherer and Virgil Yelkin, along with Frank Meier,

played exceptional ball in the Red forward wall.

Jack Davis, University of Oklahoma, has entered to 100 and 500-yard free style races in the National A. A. U. meet at Kansas City this week end.
