REVISION FORCED IN HUSKER TRACK

Lineup Changed as Cinder the Pennsylvanian. Team Pulls Away for Kansas Relays.

Glenn Cunningham and Gene Venske.

That something besides track occupies the minds of the Husker cinder squad was proved Thursday as several members of the team decided to stay home and study for exams rather than make the trip to Lawrence for the Kansas Relays Saturday.

As a result Coach Schulte was forced to revise his lineup, leaving the number at twenty, but considerably weakening Nebraska's chances in the meet.

The big change came in the pole vault, Dean and Nichols asking to Twenty-two women were initiat- be excused from participating Satinto Pi Lambda Theta, national urday. CATTLE JUDGING MEET SCHEDULED SATURDAY

Day's Program Ends With 'Feed.' Announcement Of Awards.

Varsity dairy club's annual cattle judging contest is scheduled to start early Saturday morning, according to Bill Ralston, contest manager. The day's program will end with a "feed" and announcement of awards at the dairy building at 5:30 p. m.

Adopting an innovation of the dairy judging contest last year, the committee has selected members of the 1933 dairy cattle team for official judges.

The judges for Saturday's contest, Ralston said, are Raymond McCarty, Paul Swanson, Bill Walwill judge the classes in one of the four breeds of cattle in the con-

urday. There will be two classes each of Holsteins, Jerseys, Ayrshires, and Guernseys, Contestants will place the classes at the dairy barn in the morning, and then go to the dairy building to give oral

reasons to the judges.

Dairy Coach Ray Morgan will present the awards in the evening. Gold, silver and bronze medals go to the three high men, and ribbons to the four high men in judging

TIP-OFF PLAYS HOLD CAGEMEN'S ATTENTION

Huskers Drill on Team Work In Preparation for Practice Tilts.

Tip-off plays occupied the at-tention of the Husker spring bas-keteers Thursday as Coach Browne prepared to bring the first week of spring practice to a close.

Team work is being practiced in

Any students wishing to work for board are asked to apply with Mr. Epp in the Dean of Student Affairs office in the Administra ing and tipping the ball was stressed between two teams, one Green clad and the other White. Frosh basketeers composed, for the most part, the White quint, with year's varsity men on the

Plays have been given the men and were worked Thursday. They will continue in greater proportion next week when the time will be taken up in scrimmage. Games will be played between the two teams, greens and whites. Bernard Scherer, rangy end on

the football team, turned out for his first day of spring practice, and showed up well at a forward One more week of work remains

before Coach Browne calls quits on spring practice. It has been very successful so far from the standpoints of the number of men out and the work accomplished in acquainting the new men with the Nebraska style of play, according to the Nebraska mentor.

_about Cigarettes

As to the cigarette paper on Chesterfields

THIS reel of cigarette paper is sufficient to make 42,000 Chesterfield Cigarettes. It is of the finest manufacture.

In texture, in burning quality, in purity, it is as good as money can buy.

Cut open a Chesterfield cigarette. Remove the tobacco and hold the paper up to the light. If you know about paper, you will at once note the uniform texture - no holes, no light and dark places. Note also

its dead white color.

If the paper is made right -that is, uniform - the cigarette will burn more evenly. If the paper is made right-there will be no taste to it and there will be no odor from the burning paper.

Other manufacturers use good cigarette paper; but there is no better paper made than that used on Chesterfields. You can count on that!
