

HUSKERS PLACE IN TWO EVENTS KANSAS RELAYS

Third in Medley, Fourth in Two Mile Relays Only Nebraska Points.

Kansas Relays proved to be anything but successful for a crippled Husker cinder squad, Coach Schulte's proteges placing in but two events, the medley relay and the two mile relay, in competition with a galaxy of athletic stars from all parts of the United States.

but no new national or world records were created during the course of the afternoon which saw the Huskers win third in the medley relay and fourth in the two mile relay.

Heve Lambertus, on whom the Scarlet and Cream hopes were pinned, failed to qualify for the finals, dropping out of his heat of the preliminaries with a twisted ankle. The injury was first suffered last Saturday in the Kansas-Nebraska dual meet, but it was hoped that the ankle had healed sufficiently for him to compete.

Adolph Dohrman, who was counted on for a place in the high hurdles, qualified for the finals but failed to come through for the necessary place in them.

Relay Teams Score. It was left to the relay teams to maintain Husker prestige on the track. Funk, Ayres, White, and Story, each running a half mile in the two mile relay event, placed fourth behind runners from Indiana, Washington State, and Arizona. Funk, Jacobsen, Humpal, and England won third in the medley relay behind Kansas State and Missouri.

In the spectacular event of the day Glenn Cunningham of Kansas easily defeated Gene Venzke, the great Pennsylvania distance runner, in the mile, leading him to the tape by fifteen yards in 4 minutes 12.7 seconds, five seconds over his world's indoor record.

Cunningham was never pushed by Venzke and coasted to a finish. Five new meet records were hung up and one was equalled. Allen of Oklahoma Baptist skimmed over the high hurdles in 14.6 seconds to tie the old record. Indiana university relay team ran two miles in 7 minutes 46 seconds for a new record in that event, and the Kansas State 480 yard shuttle relay team set up a new mark of 1 minute 11.7 seconds. The one intercollegiate record was broken in the 880 yard relay by

TO APPEAR TOMORROW

ESTES MEETING RALLY TAKES FORM OF PICNIC

Y.W. and Y.M. in Charge of Affair at Pioneer Park Sunday.

Picnic rally will be held Sunday at 3:30 o'clock in Pioneer Park for the Estes Student conference which lasts from June 8 to 18 at Estes Park, Colorado.

Breta Peterson and Carl Grill, chairman of the conference staff of the Y. M. C. A., are co-chairmen of the rally. Meeting will be in the Temple, and supper will be served afterwards.

"Can Life Be Planned" is the theme of the 1934 Estes conference. Under the auspices of the Y. M. and Y. W. C. A., well-known leaders in fields of religion, economics, political science, and psychology are brought to the conference to discuss philosophy, campus problems, personality problems, and other topics with students.

Programs for the day include platform hours or talks by confer-

ence leaders, quest groups, or small discussion groups, workshop hours, recreation, informal forums, and appreciation hours. Recreation includes daily planned hikes, nature walks, fishing, horse-back riding, tennis, dancing, and picnics.

Twenty-one girls and twenty-one boys from the university attended the conference last year.

CORN COBS WILL ELECT NEW OFFICERS MONDAY

Kosman Names Sigma Alpha Mu House for 10:30 Meeting.

Election of new officers for Corn Cobs, men's pep organization, will take place at a special meeting in the Sigma Alpha Mu house, Monday night, April 23, at 10:30, according to Henry Kosman, president of the organization.

Retiring members of the organization will, at this time, complete all unfinished business which might be on hand, and possibly vote on an amendment to the constitution. New officers of the organization will be installed after the old business has been completed. Tentative plans for the coming year will be discussed by new members and officers at the meeting.

The election is being held in the spring this year instead of the fall to conform to the new constitution which was drafted at a meeting last fall when the Corn Cobs were drastically reorganized.

The British treasury boasts a surplus of 31,148 pounds sterling this year.

CHICAGO CONFERENCE FOR ENGINEERS OPENS

Eleven Nebraska Students Attending Midwest Meeting. Eleven students from the mechanical engineering department, accompanied by Prof. C. A. Sjogren left Saturday morning for Chicago where they will attend the Midwest Student conference of mechanical engineers. Students who made the trip are: A. O. Taylor, L. Krisl, R. A. Rice, H. E. Simonson, E. C. Mastor, R. Philing, O. L. Romigh, W. W. McCaw, E. Beachler and L. Short.

Inspection trips of Chicago industrial plants and the University of Chicago Physics Laboratory are planned for the visiting engineers. At the opening meeting Monday, Rice, the official delegate from Nebraska will read his prize winning paper on "Diesel Engine and Its Future Possibilities."

Monday evening the engineers will be entertained at a banquet which will be followed by an open forum where problems of interest to engineering students will be discussed. The Nebraska students plan to return Wednesday evening April 25.

FIRST ROUND OF SOFT BALL STARTS MONDAY

Four Six Team Leagues Ready Begin Play in Intramurals.

With announcement of the interfraternity soft ball schedule, the indoor baseball season will swing under way with a bang. Entrants are divided into four leagues each consisting of six teams.

The intramurals department expects the tourney to be more successful than in past years since it has made accommodations for more ball fields than before.

The schedule calls for the first round of games to be played Monday, April 23, at four o'clock. Schedules have been mailed to all entries and athletic managers are asked to arrange to play their games as scheduled.

PHYS ED INSTRUCTORS ATTEND OHIO MEETING

Mabel Lee, Bernice Miller, Leonore Alway Spend Week in East. Prof. Mabel Lee of the women's physical education department, Bernice Miller, campus Y. W. C. A. secretary, and Leonore Alway spent the week attending meetings of physical education teachers in Ohio. From April 16 to 18 they attended the national meeting of the society of physical education directors for women at Oberlin college. Miss Lee took part on the program Tuesday morning with a discussion of the topic, "When is a University Girl Physically Educated?" In Cleveland from April 18 to 21 the visitors attended the American Physical Education association meetings. On Thursday noon Miss Lee spoke before the Woman's City club at the Wellesley luncheon.

MANTER TELLS ABOUT GALAPAGOS ISLANDS

Dr. W. H. Manter, professor of zoology, spoke informally before the Geography club at the Lindell hotel Friday noon. His talk dealt with the general conditions he found in the Galapagos islands during his visit there last winter. He also showed photographs he had taken along the Pacific coast in South America.
