

# VETERANS STEAL TRI-COLOR SHOW IN FRESHMAN MIX

### Frosh Perform in Final Meet Before Telegraphic Contests.

Two of Coach Henry "Indian" Schulte's ace track and field performers stole the show from the tri-color athletes Wednesday in what was the final red, white and green meet before the Big Six freshman telegraphic meet to be conducted from May 7 to 10 inclusive. Only six events were completed on the tri-color program, prospect of the long delayed rain storm evidently causing the shortage of the novice turn-out.

Although running with the advantage of a fairly brisk southerly breeze, Heye Lambertus, recognized nationally as the cream of the nation's hurdle crop, whizzed down the 100 yard speedway in 9.7 seconds according to Schulte's watch, which was the only one catching his time.

The Husker ace of aces played second fiddle to Harold Jacobsen for the greater distance of the century route, but caught up and passed the sophomore in the last fifteen yards. Jacobsen crossed the line about two yards behind Heye.

**Sauer Heaves Discus.**  
The tremendous discus heave by George Henry Sauer furnished the other highlight of the afternoon track activities. Despite the fact that official tryouts for the triangular meet at Manhattan, Kas., Saturday in which the Huskers, Kansas Aggies and Kansas will be the contenders were not in progress, the all American grid full-back who doubles in track in the offseason, unleashed a toss which covered 145 feet. Rist and Skewes were uncorking throws approximating 135 feet consistently.

**Fischer High Man.**  
Dick Fischer proved to be the main point grabber amongst the tri-color men. He sped over the 100 yard span in 10 seconds flat and also added the broad jump victory to his achievements.

Howard Roberts, varsity quarter miler, breezed in first in the 440 in the unofficial time of 51.5 but Glen Rice hit the tape first by a lengthy margin over a crowded field of color garbed cinder burners. Rice was clocked in 52.8 seconds.

**Tri-color results:**  
100 yard dash: Won by Fischer (W); Warmke (G), second; Kelly (R), third; Sawyer (R), fourth; McGarragh (G), fifth. Time 10 seconds.  
440 yard dash: Won by Rice (W); Von

## Photographs Show Journey of Barium Pills Thru Stomach

Permitting X-ray photographs of barium pills in their journey thru the stomach, a new enteric coating developed by the pharmacy department for pharmacy week will enable the department to display photographs of this process in a special exhibit.

Prof. E. S. Bukey, assisted by Miss Phyllis J. Rhodes and Miss Marjorie Brew developed the new coating, which is made from stearic acid and waxes, after a comprehensive study of commercial enteric coatings. The exhibit will be a part of Pharmacy Night, which will be held in Pharmacy Hall this evening.

Special supervision for students who participated in the barium meals was needed, and only one exposure to the X-rays each month was permitted, because of the danger of burns. Experiments were also made with various diets, and much valuable information was gained concerning the length of time the pills stayed in the stomach.

Enteric coated pills are those which will pass thru the stomach into the intestine before they disintegrate. The coating must be of such composition that it will not be dissolved by the acid in the stomach but will be soluble in the alkaline solutions of the intestine. Shellac and gums were formerly used for this purpose.

The study has been conducted jointly by the department of pharmacy and the department of physiology. The exhibit will be on display in room four, under the supervision of Miss Brew and Miss Rhodes.

# SPRING PRACTICE SESSION ENDS AS GREENS WIN TILT

### Rupp Leads Scoring Attack With 13; Whitaker, Hale Have 12 Each.

Indications of a strong Husker basketball team for the 1934-1935 season were seen Wednesday afternoon at the Coliseum as a vastly superior Green-jerseyed quint buried their white-shirted opposition under a 54-31 score in the final spring game of the year.

A big second quarter put the game on ice for the Greens. With Rupp and Whitaker leading the way, they piled up 19 points in this period to 4 for their adversaries. Going into the second half on a 28 to 8 lead, the Greens coasted home to victory, although the final two periods were more closely fought than the first two.

The Whites were out-scored in every quarter, but the last two were by very small margins. The first quarter went to the Green-shirts 9 to 4, and the second 19 to 4. The Whites came to life in the third quarter, however, and piled up 12 points before the Greens were able to break the ice. But when they finally did get started, they ran rampant to take the long end of a 17 to 16 count. In the final quarter they again out-talied the plain-shirts 9 to 7.

**Best Game.**  
Coach Browne expressed his approval of the game as "the best played so far in the present spring sessions, and one of the best ever played during the spring workouts." A larger squad reported than had been seen for some time. The fast-breaking Green offense, led by Whitaker, Rupp and Hale at the forward posts, came in for considerable praise from the Husker mentor. Well-executed plays counted for a large share of the Green tallies.

Big and lanky, Bill Rupp frosh from Grand Island led the scorers with 13 points. Right at his heels were Whitaker, Varsity, and Hale, frosh, with 12 counters apiece. Whitaker snored also at the defensive end of the game, with Widman and Parsons ably seconding him. O'Sullivan, Scott, and Schammel led the White offense, the former with 10 points garnered from his center position and the latter two with 8 each. Defensively, Durfee and Schammel played best.

**Spring Practice Ends.**  
Spring practice is now over with as far as team play is concerned,

## DELTA WIN MATCHES TO ENTER FINAL PLAY

Championship Tilt May Be Postponed Because Of Ivy Day.

Delta Tau Delta nosed out Farm House by taking the doubles match and one singles match to enter the finals in the interfraternity horse-shoe tourney. Alpha Gamma Rho, the other finalist, is scheduled to play Delta Tau Delta today for the championship but the match will probably be postponed because of Ivy Day.

The doubles match was annexed in two straight games by the Deltas 21-20, 21-18. Close competition featured the singles matches since it required six games to decide the winner. Farm House took one singles match by the scores 21-15, 8-21, 21-9, while Delta Tau Delta copped the second 21-13, 12-21, 21-19.

The Nebraska golf team will leave Thursday afternoon to encounter Drake linksmen Friday and Iowa State Saturday. The
