

# CUNNINGHAM SETS PAGE AS KANSANS COP CINDER MEET

## Huskies Second With 52 1-2 To Jays' 67; Kaggies Finish Third.

### OLD RECORDS TOPPLE

#### Chambers, Skewes, England Score Only Nebraska Victories.

Glenn Cunningham personally escorted the Kansas Jayhawks to victory in the triangular track meet with Nebraska and Kansas State at Lawrence Saturday, winning the three-quarters of a mile run, the 880, and anchoring the mile relay team to victory. Kansas scored 67 points to win the meet, with Nebraska trailing the Jays with 52 1/2 and Kansas State third with 42 1/2.

Kansas also won two dual meets which were scored along with the triangular, taking revenge on the Huskers 69 1-3 to 60 2-3 for a previous loss, and beating the Kaggies 79 to 51.

Nebraska was almost left in the cold when it came to first places. Merlon England, Fred Chambers, and Glenn Skewes came thru with victories in the 440, javelin, and discus events respectively, for Nebraska's only firsts. England sped over the quarter mile in 49.7 seconds to set a new meet record, and

the only outstanding performance by the Nebraska delegation. Husker hopes were rudely jolted when Lambertus, Scarlet ace, was noed out in three close races. Other men failed to do better than expected.

Cunningham failed to break the existing world's record for the three-quarters mile event, substituted in place of the mile to give him a shot at Jack Lovelock's world time of 3:22. He finished a good fifteen yards ahead of Funk of Nebraska, in 3:47.

Upsets Hurdle Dope.

Joe Knappenberger, Kansas State hurdler, upset the dope bucket to beat Heye Lambertus in the low hurdles in 24 seconds flat. Lambertus had been considered practically unbeatable in this event. Knappenberger won the high hurdles also, breezing over the high barriers in 15 seconds. Both hurdles times were new meet records.

Ed Hall, Big Six sprint champion from Kansas, also was a double winner and set two new meet records, taking the 100 yard dash from Lambertus in 9.9 seconds, and beating the Nebraska ace by inches in the furlong dash in 22 seconds.

Kansas State's distance man, London, set another new meet record by winning the two mile event in 9:39.1.

The Jayhawks provided the punch in the field events. Dees setting a new mark of 49 feet 2 1/2 inches in the shot put, and Coffman and White tying for first in the pole vault at 13 feet, also a meet record. The Jays' one mile relay team set a new mark of 3:22.2. Graves, Hall, Schroeder and Cunningham running the event.

Despite a slightly soft track, nine new meet records were hung up by the three Big Six schools. Kansas athletes copied most individual honors, winning nine of the fifteen events on the schedule and setting seven new meet records.

Nebraska depended for second place upon a number of seconds, thirds and fourths. The Huskers did not come up to expectations when it came to first places, but finished only 15 points behind the Jays by virtue of their secondary strength.

**FALL SEMESTER REGISTRATION IS SET WEEK MAY 7**  
(Continued from Page 1.)

statement of outside activities should then be left with the college dean for approval.

A late fee will be charged all students who do not see their advisors or whose applications are not in the offices of their respective deans by noon May 12.

Students in all colleges may pay their fees either in person or by mail. Fees must be received by the finance secretary not later than Sept. 6. Otherwise a late registration fee will be charged. A late fee for graduate students and Lincoln city teachers will be charged beginning Oct. 6.

Students whose fees are not paid by Sept. 6 will be required to consult the assignment committee for new assignment of sections.

A statement of fees due will be mailed each student before Aug. 15. If a statement is not received by Aug. 22, students should notify the finance secretary's office immediately, or the office will not be responsible.

Emphasis is also placed upon the fact that the summer address should be given and notification should be made to the finance secretary's office of any change in this address.

the pool games at the Chamber of Commerce.

The program of the future bar-risters was climaxed with the annual banquet at the University club with James E. Lawrence, editor of the Lincoln Star, speaking on "Lawyers of Tomorrow." Another high spot on the program was the initiation to Order of the Golf, senior law honorary, of James Taylor, Ralph Rodgers and Cecil Adams.

Pharmacy college had its banquet, too, at the Cornhusker when the college annual was distributed. Rudolph Vertiska of Humboldt related his experiences as a retail druggist and Mr. Charles W. Lesh of Omaha discussed the problems

cision over Bill Shuster, student from the city campus, in the first wrestling match of the evening.

The second wrestling match gave Lyle Rolofson a decision over Harold Schricker.

Staged in the animal husbandry auditorium, the boxing and wrestling program was attended by nearly 300 persons. Erville Hughes, contest manager, said the show was one of the successful features of the fair.

Two features of the horse show program were the appearance of Ritzie McDonald, world famous show horse owned by Mrs. Al DeTeau, and a novel polo game played by men riding on 2,000 pound plow horses. The show horse, ridden by Allen Walker, did a number of stunts for the crowd, among which were the five different gates without a bridle.

The pageant "American Panorama," was presented to record crowds nearing 4,000 at both afternoon and evening. Miss Bess Steel and Mrs. Altinas Tullis, faculty directors of the pageant, expressed satisfaction with both performances.

**DEAN LYMAN LEAVES FOR PHARMACY MEET**  
(Continued from Page 1.)

south. Dr. Lyman is a member of the executive committee of the association.

The American Council of Education on which Dr. Lyman has served for the past six years, was founded during the war to work out the problems between the War department and the schools of the country. "Although it is interested in all fields of education, it tries chiefly to correlate secondary education with higher forms in order to make the higher forms more attractive," stated Dr. Lyman.

"The dominating problem at this session will be to determine what high school training best suits a person for the college course in pharmacy," he said.

The American Pharmacy association convention is the only one he will attend which is not chiefly educational in nature. During the convention the new million and a half dollar building will be dedicated. "We expect to found an institution similar to the American Medical Association center in Chicago," Dr. Lyman asserted.

**All-University Golf Tourney Entries Due**

All-University golf participants should file immediately at the Athletic office. A schedule will be made and play will begin about the middle of next week. All those wishing to enter should do so at once. Entries will be kept open for a limited time only.
