regulation was in effect. A \$20,000 flat fee was offered by a company to the conference to be paid if Big Six schools would reinstate broadcasting of their con-tests. Whether or not to accept this fee and reinstate broadcasting is the problem facing the legislators when they meet next week. This sum of money would be divided among the six members of the association, and is designed to balance the loss of gate receipts entailed when games are broadcast.

Directors will also act on a proposal to increase the basketball schedule from a double to a quadruple round robin. If such an in-crease were made, there would be between 10 or 20 more games, all
