

ATHLETES FROM 144 SCHOOLS TO MEET SATURDAY

Prep Track Men Compete in Annual Cinder Tourney At the Stadium.

EXPECT NEW RECORDS

Weight Marks May Go By The Boards; Trumble May Set Hurdle Record.

Several new state track marks are expected next Saturday when the best high school athletes in the state come together in the annual state high school meet, but the first record was set up Thursday, altho the meet is scheduled for Saturday. At that time 144 schools had signified their intention of sending representatives. The previous "high" was 124 teams, set last year.

Weight Marks Doomed.

New records are expected in the weight events, with the possibility that John Trumble, Cambridge timber topper, will shatter the hurdle marks. With the greatest galaxy of athletes in recent years, the 1934 meet holds promise of being the most interesting since the 1928 classic.

Three of the marks made at that time still hold as state records, the ones established in the 100, 9.9 seconds by Lambert of Kearney; the shot, 49 feet by Fuller of North Loup; and 130 feet in the discus by Payne of Beaver City. Carl Nichols, present Husker varsity vaulter, set the high school vault record of 12 feet 5 inches in 1931. The javelin mark was hung up by Gilmore in 1929, a throw of 130 feet 9 inches. Harold Trumble in 1926 set the high hurdle record of 15.5, which was equaled in 1932 by Lloyd Cardwell of Seward, present Husker freshman ace. Heye Lambertus, the Nebraska ace of aces, holds the prep school record in the low sticks, 24.3 seconds.

MURAL PAINTINGS BRIGHTEN WALLS TEMPLE THEATER

(Continued from Page 1.) John O'Neill, Helen Davis, Elma Horne, Lincoln; Florence Smalley, Omaha; Ernest Asmus, Hastings; and Frederick Ricard, Bellevue.

The Temple theater plans to complete the new seating so that the type of seats which are now in the parquay section will be installed throughout the main floor and balcony as well.

According to Bobe Reade, University Players stage manager, "Anything you could put into Temple theater would be an improvement." The building is in need of many additional improvements including new floors on the stage.

TRACK MEN ARE COUNTED ON FOR WIN OVER K-AGS

Record of Past Meets This Season Gives Huskers Edge on Kansas.

TAKE COMPLETE SQUAD

Race Between Lambertus, Knappenberger and Dohrman Features Meet.

By ARNOLD LEVINE.

Nebraska's trackmen are counted on for a win Saturday when they meet the Kansas Aggies at Manhattan, both from a record of past meets in which the two schools have participated this year and from a comparison of the best individual performances of the two in each event.

The Huskers have the edge in any way that the meet is considered. Kansas Aggies have fallen victims to the Scarlet and Cream three times this season, in an indoor dual, the indoor Big Six meet, and an outdoor triangular with Kansas as the third party. The indoor dual saw the Nebraska lads finish with a substantial margin of victory, in the Big Six indoor, however, the Schultemen barely edged out the Wildcats for third place. The most recent meeting of the two schools and the first time they have met outdoors this season was last Saturday in the triangular, at which time the Cornhusker lads wound up ten points ahead of the Kaggies.

Have Better Times.

Individually, Nebraska men have made better times and distances in eight out of twelve events used as a basis of comparison. The 440 yard run, 880 yard run, mile, two mile, high hurdles, low hurdles, high jump, broad jump, pole vault, shot put, discus and javelin were the events which were compared.

In three running events and one field event the Manhattanites have exceeded Husker individual marks, and three of these were by one man. Landon is the Kaggies "iron man" holding records in the mile, two mile, and 880 yard runs. In all meetings of the two schools so far he has managed to finish ahead of Funk and Story, the Husker distance men for these three events. The high jump is the field event in which the Kaggies excel, Schmutz having cleared the bar at 6 feet 1 1/2 inches. No Husker has been able to better six feet.

Featuring the performances will be a personal triangular affair between Heye Lambertus and Adolph Dohrman for the Huskers and Joe Knappenberger for the Wildcats. Knappenberger is the object of the Husker competitors' revenge for the setbacks he dishied out last week in the two hurdle events. Not content with trimming Dohrman by inches in the high hurdles, he returned to the track and defeated Lambertus by an equally small margin in the low hurdles, upsetting the hitherto considered unbeatable Husker star. Lambertus and Dohrman were both suffering from sore legs, but both are in excellent condition for the coming fray Saturday, and both are ready to re-establish their supremacy in the hurdle world. Nebraska men are given the edge in all events on the schedule, and, barring unforeseen injuries, the dope points to the Huskers as winners.

Coch Schulte will take complete squad of track men to Manhattan, adding Howard White and Glenn Jones to the group that went to Lawrence last week. White will supplement the distance division, running the mile and half mile. Jones will aid the javelin throwers. He placed last year in this event in the Big Six outdoor meet.

Following is a list of events and best times made by the Kaggie and Husker men in each.

Event	Nebraska	Kansas Aggie
100 yard dash	1:09.7	no time
220 yard dash	1:22.0	no time

Results of Fraternity Track Not Tabulated

Due to the number of men entered and lack of time, a complete tabulation of all results in the interfraternity Track Meet has not as yet been made. It is hoped that the standings can be computed within a day, so that the champions can be crowned.

Results on the first two days of competition are available, but the last day of events has not been scored.

set in motion the machinery that produced forged interest coupons and the gull is his as though shaped by his own hands.

Wheat prices soared to the limit, set at five cents, Thursday as a result of the prolonged drought which has rampaged throughout the entire country for the last six weeks. In many of the markets huge profits were made on the buying side.

Today efforts are being made to secure modification of wheat acreage reduction contracts to permit Nebraska farmers to plant a "cash crop" on wheat lands which have become devastated as a result of the drought. This problem of the drought stricken farmers will be presented to A. G. Block, head of the corn-hog division of the Washington AAA administration. With the wheat lands useless farmers want to change their production to another crop in order to make some income.

President Roosevelt signed the 1934 revenue bill which is to ease the burden on small income taxpayers and is calculated to raise 417 million dollars yearly. The new tax law is designed to close loopholes which in the past have been the avenues of widespread tax evasion, and at the same time to lessen the burden upon smaller incomes.

Judge Will M. Sparks of the United States circuit court of appeals denied a writ of habeas corpus to reduce the \$200,000 bond demanded for release of Samuel Insull from the county jail. In denying the writ Judge Sparks said "I do not want to make this court of appeals attractive for such petitions."

PROBABLE WINNERS IN BASEBALL ARE DECIDED

Phi Psi Virtual Cinch in League III; Delts May Be Champs.

With the completion of the fourth round in leagues III and IV of the interfraternity soft ball tournament Tuesday afternoon, the probable winners in these leagues were decided. Unusually close games and two forfeits clinched the day's play.

Phi Kappa Psi virtually clinched the championship in league III when Phi Sigma Kappa failed to appear for their match with the league leaders. The Phi Psi's have yet to play the D. S. L.'s who have failed to turn in a victory thus far. Delta Sigma Phi clung to their second place berth in the league standing when they turned back Chi Phi 7-6. In another closely contested game, Phi Alpha Delta defeated Delta Sigma Lambda 7-6 to tie with Delta Sigma Phi for second place.

The championship of league IV was virtually at stake when Delta Tau Delta nosed out Acacia 10-9 in a very exciting and trying game for both teams. Tau Kappa Epsilon won their match by a forfeit from Theta gi, while Sigma Alpha Epsilon narrowly defeated Alpha Tau Omega in a bit and run game 13-12. The Delts can officially claim the championship when they defeat A. T. O. who have lost consistently.

The final round of the tourney for these leagues which was postponed because of all university day will be played Saturday morning at ten.

CHEM ENGINEERS ELECT HOWARD CAIN PRESIDENT

Howard Cain of Oklahoma City, Okla., was elected president of the Chemical engineers club at a meeting of the organization Thursday evening. Other officers elected are Marion Schneider, Funk, vice president; Hugh Grey, Friend, secretary, and Vincent Dvorak, Lincoln, treasurer. All of these men are seniors.

Outgoing officers are Henry Winter, Casper, Wyo., president; James Urban, Tekamah, vice president; Verner Shoemaker, Nebraska, secretary, and Ralph Shearan, York, treasurer.

At the Thursday evening meeting plans were made for the annual chem engineers picnic to be held Friday evening. Friday evening this group will co-operate with Phi Lambda Upsilon, honorary chemical fraternity, in a joint picnic. Both these organizations hold annual picnics.

REGIMENT HERE BEST INSPECTED TO DATE—DAILEY

(Continued from Page 1.) Dailey left Lincoln immediately after the last event.

Colonel Oury has for the past month been preparing the regiment for the annual inspection. Training has been thorough in the hopes that the rating of excellent might again be attained. Every year since Oury's transfer to Nebraska the unit has been given this rating.

The inspection is made each year by U. S. army officers to show the government what is being done with expenditures made for R. O. T. C. units. Rating given schools are excellent, satisfactory and unsatisfactory.

Nebraska's rating will not definitely be known until reports are returned from Washington. It is thought that it will be from two weeks to a month before they are issued.

JACK GROVER OFFICIAL BIG SIX MEET STARTER

Preliminaries Start at Two O'clock May 18; Finals Come Saturday.

Official referee and starter at the Big Six track and field meet to be held in Lincoln Friday and Saturday, May 18 and 19, is Jack Grover of Kansas City, veteran Big Six official.

Arrangements call for the start of the meet at 2 o'clock Friday afternoon when the preliminaries will be run off. Saturday afternoon is the time set for the finals.

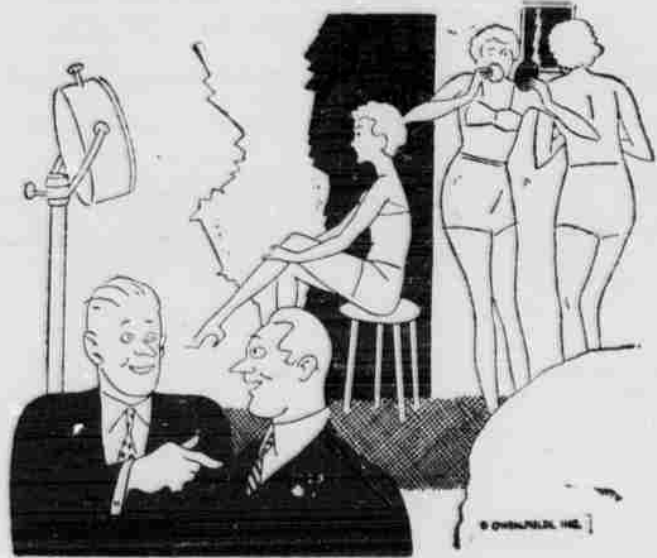

During the same days the tennis championships will be held at the Lincoln Tennis club. Tennis drawings will be made Friday morning.

On the program for the weekend are meetings of faculty representatives, athletic directors, and track coaches. Visiting directors, faculty men and coaches will compete in a golf tourney to be held over the Country club course Saturday morning.
