

Sixteen Regulars Lost to Grid Squad; Meier Only Vet

Coach Bible Puts Faith in Yearlings

Nebraska Football Squad to Meet Toughest Competition in Years; Season Opens Sept. 29; Huskers Tackle Minnesota in Second Game.

Sustaining the loss of sixteen regulars, Franklin Meier, all Big Six center, being the only veteran returning to the squad, Coach Bible will have to rely mostly upon sophomores to carry the Husker banner thru the season of 1934. However the sophomore crop this season is the most promising aggregation of gridmen that has donned Husker togs in years.

With such men as George Sauer, Bernie Masterson, Gail O'Brien, Hubert Boswell and Clair Bishop leaving the fold the task of replacing them will be most difficult despite the heralded ability of the yearlings.

At the end posts, to replace Kilbourne, Penney, Milne and Roy are three promising candidates in Vernon Scofield, Lester McDonald, and Leland Hale of last year's freshmen roster. They will have to contend with Bernard Scherer, returning with a major letter, and Dave Fowler, Jack Wilson and Edgar Sears, returning with "B"

team letters, and Virgil Yelkin who won a minor letter.

To replace DeBus, Bishop and Hubka, Coach Bible is relying upon Clyde White and Fred Ugal of the yearlings, and James Heldt, Glenn Justice, Ladas Hubka, Neal Mehring, Ed Uptegrove, and William Garnick of the older men, to fill the guard assignments.

Tackle posts filled last season by seniors Leland Copple, Gail O'Brien and John Keriakedes will be occupied by Dean Chase, Asher Brown, John Ellis, Bill Stenten of the yearlings and Walter Pflum, Carroll Reese, and Russell Thompson of the veterans. Carroll Reese has a minor letter while both Pflum and Thompson earned major awards last season.

Franklin Meier is the outstanding man for the pivot post but Willard Horchem is expected to relieve him much of the time.

Backfield material is plentiful at the present time. In this department of the game the Huskers are expected to shine in particular. With Henry "Chief" Bauer back at the quarterback post after a year's layoff, and such outstanding men as Sam Francis, Lloyd Cardwell, Ron Douglas, John Howell and Albert Hopp coming from the ranks, much is expected. In addition to these men Roland Parsons, Bob Benson, Jerry La Noue, Glenn Skewes and Johnny Williams will be in there competing for posts.

With the Scarlet and Cream gridsters tackling Minnesota at Minneapolis in their second game of the season, after playing Wyoming Sept. 29, the Huskers will be facing one of the most potent teams in the nation. Sport critics all over the United States are rating the Gophers as capable of having one of the best teams in the history of the country. Possessed of three teams, each of which is supposed to be equal to the other, and losing only one regular from a squad that placed third in the

Piloting the Husker football team for the sixth consecutive year, Coach Dana X. Bible has the credible record of having led four Nebraska grid squads to Big Six championships. Losing only one titular race, placing third in 1930, the Scarlet and Cream men will endeavor to capture the conference crown again this season, under Coach Bible's tutelage.

nation last season, and having an All-American back in Pug Lund, the Gophers are going to be hard to down on their home field.

Oct. 13 the Husker gridsters play Iowa, one of the strongest teams in the Big Ten last season, in the Lincoln stadium. The following week will see the Huskers on a road trip to Oklahoma on Oct. 20 and a home game the following week with Iowa State the Huskers have a breathing spell before tackling the Pittsburgh Panthers in Lincoln.

Kansas at Lawrence is the final road trip as the Nebraska gridsters finish up the schedule of Missouri and Kansas State on the home field in the Nebraska stadium.

Huskers Seek Fifth Conference Title In Sixth Season

Headed by Coach Dana X. Bible and Assistant Coach Henry "Indian" Schulte the Husker football team will embark on its sixth year of competition in the Big Six conference. Winning four conference titles out of five starts the Nebraska grid squad will be a target, this coming season, at which each outfit in the valley will center its aim. Preparing the Scarlet and Cream gridmen to meet this determined opposition is the difficult task confronting the Husker coaching staff.

W. H. Browne, head basketball coach for the university, will also assist in the instruction. Coach Browne has been assistant football coach for the Husker squad four seasons.

Ed. Wier, All-American tackle, is in charge of the freshman football with George Sauer, All-American fullback of 1933, filling the post of assistant freshman coach.

M. J. McLean, who is recognized as one of the best trainers in the United States, is trainer for the squad.

ELY NAMED FRESHMAN GRID COACH AT DENVER

All American Assistant on Husker Football Staff Last Fall.

Lawrence Ely, Nebraska center in the seasons of 1930-31-32, and All-American in his senior year, has been named freshman football mentor at Denver university, according to recent announcement from the athletic department of that institution. Ely was assistant coach on the Husker grid staff last fall, during which time he was also attending law college.

In Nebraska high school grid circles Ely competed at Nelson and Grand Island high schools, being all-state tackle for two years at the latter school.

Last fall Ely and Red Young, a former Scarlet gridster tutored the varsity nubbins squad. Prior to the Denver appointment the Grand Island gridster was expecting to coach the same squad again this season.

25 STUDENTS TO GET FEDERAL AID

(Continued from Page 1.) percent of the jobs must go to people who were not enrolled last January. Before a student will be given a job he must establish the fact that

he cannot attend the university without financial assistance, he must be regularly entered in the university, and must indicate good character and ability to do good scholastic work. A ruling made by university authorities states that no student not in the upper half of his college or high school

class can be considered for work. As a matter of fact most of the applicants rank in the upper quarter of their classes.

Administration of the part time job program is already being formed, and those holding the positions will begin work immediately following the opening of

school. A number of the department heads in the university have submitted requests for workers in various clerical and research undertakings.

Last year numerous campus improvements were made by students benefiting from the federal program.

THE best way to get the most out of your education at the University of Nebraska is to be conscious of the things that happen on and about the CAMPUS. Be familiar with the various campus activities—of course you won't be interested in all of them, but at least know what they are, or what they are doing. You'll also want to know which Lincoln merchants to patronize.

All of these things are made much easier for you by a SUBSCRIPTION to The Daily Nebraskan. It only costs \$2.00 for the entire year. If you find it more convenient to use the installment plan of payment you may do so. It takes \$1.00 down, 75c before the 10th of November and 50c before the 10th of December.
