

CAMPUSOCIETY

LITTLE GIRLS WITH PLEDGE RIBBONS pinned securely and very much in evidence on their dresses, and boys with pledge buttons in plain sight, seemed to be the predominating feature on the campus last night. At the more popular rendezvous in nearly every booth the few upper classmen who were "out and around" encountered new faces and learned new names. At the park blind dates seemed to be much in the majority—some looking blankly into space and others getting along as if they had known each other all their lives. The pledges are certainly being taken care of completely and to everyone's satisfaction—we hope. Soon, perhaps, last year's pledges will again have a chance.

SIGMA ALPHA IOTA, professional music sorority, will hold its first rush party of the year as a

musical tea to be given today from three-thirty until five-thirty in Ellen Smith hall. The program will consist of songs presented by Laura Kimball and piano selections played by Elsie Mansfield and Ruth Hill. Evelyn Stoll and Mildred Walker are in charge of the arrangements.

ELLEN HELMIS of North Platte has transferred from the Chi O chapter at Hunter College, New York, to the Nebraska chapter.

ANNOUNCED RECENTLY was the engagement of Lois White, Kappa, and Merle Martin, Sig Ep.

AND SPEAKING OF engagements, have you seen Roma De-Brown's diamond? The "big mo-

ment" is in Harvard, but distance cannot keep these two apart.

TO BE MARRIED Oct. 8 are Monica Rooney of Crab Orchard and Francis J. Burns of Tecumseh. Miss Rooney has attended the university and is alumnae president of Theta Phi Alpha sorority.

ANNOUNCED SUNDAY was the engagement and approaching marriage of Miss Ethyl Harper of Omaha to Harold Morgan of Lincoln. The wedding will take place Oct. 28. Mr. Morgan has attended the university and is a member of Theta Xi fraternity.

MISS HELEN AURA of Lincoln will be married Sept. 27 to Paul Miller, also of Lincoln. Both Miss Aura and Mr. Miller are graduates of the university.

TO BE MARRIED Sept. 29 are Ruth Atkinson of Lincoln and John R. Campbell of Ithaca, New York. Miss Atkinson attended the university and is a member of Kappa Alpha Theta, while Mr. Campbell is a graduate of the University of Pennsylvania where he was a Sigma Chi.

AND OCT. 27, Miss Dorothy Stanley of Moffett Field, California will be married to Franklin VanSant of Lincoln. Both Miss Stanley and Mr. VanSant have attended the university, where she was a Phi Phi, and he a Phi Gam.

THE KAPPA DELTS seem to have gone in for marriages in a big way this summer. Pauline Foe and John C. Murphy were married June 2 in Jefferson City, Mo., while Hazel Benson and Fred Meredith angled down the aisle that same month. Ruth Wimberly and Don Sarbach took the holy vows sometime in June, and Corinne Cornell and Vincent Daniels were married the latter part of the summer. Esther Scott and Harold Bell followed suit in August and are now living in Champagne, Ill.

THE PROGRAM which Mu Phi Epsilon plans to present at its musical meeting Tuesday at the Alpha Xi Delta house will consist of violin solo by Eunice Bingham, a piano solo by Violet Vaughn, and a vocal solo by Henrietta Fenderson. Marian Miller will be the master of ceremonies.

WE WISH to establish the fact that the rumor that Alpha Sigma Phi has leased the Phi Mu house is erroneous. Phi Mu is located at 1520 R street permanently.

KATHERINE SHEARER, Theta, is attending the University of Omaha this year. Could the fact that Tom Patterson, Phi Psi, has a job in that city have had anything to do with her decision?

THURSDAY night at 7 o'clock the active Phi Gam chapter was entertained by the alumni chapter at a banquet at the Lincoln hotel. Don Mattison was in charge of the arrangements.

Now Showing: "SHE MADE HER BED" with Richard Arlen and Sally Eilers. "GOING HOLLYWOOD" with Bing Crosby and Marion Davies.

PLAYERS TICKET SALES APPROACH THOUSAND MARK

(Continued from Page 1.)
Seven of the plays presented during the year will be either past or present Broadway successes, while the other play will likely be a Shakespearean drama.
"Another highlight in the Players season this year," Sumption said, "will be the presentation of Lyle Talbot, noted motion picture actor, in 'Loudspeaker.' The players hope to be able to present at least one distinguished actor each season in a play."
Members of the play reading committee, which includes Miss H. Alice Howell, veteran head of the speech department, and Director Sumption, are already preparing to select the second Players production.

Colorado Agricultural college's

freshman class made an average of 98 in the English placement test, bettering by three points the average of any recent classes. Jazz dancing has become legitimate at Texas Christian university for the first time in the seventy years of its existence.

year's variety and quality will surpass those ever offered before.
Accounting, astronomy, sociology, engineering, English, geography, advertising, history, business, education, home economics, mathematics, psychology, physiology, woodwork, languages, music, writing, secretarial studies and fine arts are among those departments in which work is offered. The seventy-three different classes have been chosen because of their popularity in the past or their estimated demand for the future.
All courses give residence credit at the university, and some may be audited and carried without credit. In the latter case the student attends classes, but takes no part in the recitation or examinations. The university extension division is again in charge of night classes.

START INTENSIVE CAMPAIGN MONDAY
(Continued from Page 1.)
of students, the ticket sale will continue after Thursday. "Groups should make special effort to get their tickets before blocks are assigned Thursday," Athletic director Selleck urged. Identification cards will be necessary before tickets can be purchased.
"See a Tassel."

Tassels, who conducted last year's successful drive, will be in uniform during the entire campaign. "See a Tassel" again becomes the slogan as members of the pep club anticipate another successful sale.
"Get your tickets early," stressed Owen Johnson, president of the Innocents Society. "The society is backing the sale again this year. Support of your football team is support of your university," he said. "This year's game program is the greatest we have ever had an opportunity to see."
Indicating that Mortar Boards are also enthusiastically behind the campaign, Violet Cross, president, urged that tickets be purchased early. "The season's first game is less than a week off," she said. "Get your tickets now."
Campaign manager Louise Hosack declared that members of

Tassels will do their best to make the drive a success. "Members of the organization will be everywhere on the campus to give every student an opportunity to get his ticket during the first day or two of the campaign. When you see a Tassel, if you haven't already bought your ticket, get one from her," she urged.
Advance sale of season tickets to Husker fans not in the university indicates that record crowds will be present for every home game, Selleck declared. More orders for tickets were received during the first day of the pre-season sale than were taken during the first four weeks of the sale last year.

Head Coach D. X. Bible stated that the team's success would be reflected in the support offered by students. "Athletics are worthy activities and must have the support of the school," he said.
