

CAMPUSOCIETY

ALL CAMPUS ATTENTION THIS week end seems to be centered on the Husker-Sooner game which is to be played at Norman Saturday. After the comeback the team made last week, everyone is looking forward to a good game even though the fight will not be waged on the home field. The team will leave Friday afternoon, meet after the game in Oklahoma City for dinner, and be back in Lincoln Sunday evening. Most people wish they were going to be actual eye witnesses of the grid battle. An unusually large number have been able to make arrangements to attend.

TWO SIG ALPHAS, Jacque Shoemaker and Harry Sticker, are flying to Norman Friday morning with Jacque's father. Another Sig Alpha, Jack O'Sullivan, is driving to the game.

A. G. R.'s who will attend the game are: Clarence Olson, Jerry Larson, Roland Nuckols, Frank Stelder, and Lawson Wismaire. The following A. T. O.'s are going: Bill Bacon, Bob Pilling, Eun Nichols, George Walliker, Phil Kani, Chuck Flansburg, and Carl and Jim Erb.

EIGHT DELTS who will see the grid battle are: Henry Amen, Bob Eby, Jimmy Heldt, John Howell, Paul Amen, George Gauer, Elmer Hubka, and Leonard Seidell. Three D. S. L.'s, Claire Willie, Kenneth Fulcheur, and Al Countryman are going.

JOHN BECKER, Kappa Sig, and Richard Turner, Derrill Stephenson and Mark Richards, Lambda Chi Alphas will attend as will Herman Rosenblatt, and Harvey Leon, Zeta Beta Tau.

SIG EP will be represented in Norman by the following seven men: Lloyd Phlum, Jim Gostos, Dick Bradley, Harman Rider, Don

Halersleben, Vincent Kelly, and Victor Wragge.

DELTA UPSILON wishes to announce the pledging of Don Durfee of Pierce.

KAPPA DELTA had as its guest last weekend during the Gamma Alpha Chi convention, Mrs. Taina Nelson of Seattle, Wash. Mrs. Nelson was elected national treasurer of the organization which is a national honorary advertising sorority.

A RECEPTION in honor of the members of the teachers college faculty, their wives and the administrative staff will be given Friday evening by Dean and Mrs. F. E. Henzlik from eight until ten o'clock at their home. Those assisting will be members of the faculty. Fall colors and autumn flowers will provide a decorative note in the appointments. Miss Eunice Bingham, violinist, will present a musical program.

EUGENE ROBB, who was the managing editor of the Nebraskan in 1930 and a D. U., was in Lincoln last weekend for the game. He has been working in the main offices of the Hearst papers in New York City for the past year and now plans to spend some time in Omaha.

JAMES PICKERING, who graduated from the university in 1929 where he was a Sig Alpha, has returned to Lincoln recently after a year of study in Berlin.

THE ELEMENTARY Education club, a branch of the national Childhood Education Association, elected officers for the coming year recently. Jean Huse, senior, is president. Mary Louise Steen,

AGAIN POST NEWS ON TEACHERS BULLETIN

News of the week, as contained in clippings from the New York Times, is again being posted on the bulletin board on the first floor of Teachers college. In accordance with the custom begun last year, these clippings, which are changed weekly, are arranged under the three headings of educational, foreign, and domestic news. The most significant parts of the articles are underlined for convenient reading.

'BRIGHTENING SKIES' BY E. A. BURNETT SENDS A MESSAGE OF CHEER TO READERS IN CURRENT ISSUE NEBRASKA ALUMNUS.

(Continued from Page 1.)
every university there is the continual problem of guidance that will assist the student to reach the desired goal by some definite road, not so short as to rob him of the cultural values inherent in systematic study, but not so long and circuitous as to cause him to lose the path and never reach the desired goal.

"The experience of several leading universities favors setting up a junior division covering two years of work where a student may register without being assigned to a special college. Such a plan would undertake to give vocational courses, if desired, to

those who do not enter the senior division. Such a plan would give greater definiteness of program to those who do not aspire to a college degree but desire rather to increase their industrial efficiency." Describing the veteran professor as "progressive in action as well as in thought," Burton Marvin writes one of the feature articles of the Alumnus about Prof. L. E. Aylesworth, now serving his thirty-first year on the political science faculty.

Other articles included in the October issue are "The Teachers Philosophy—What Shall It Be?" written by Prof. F. E. Mussehl of the poultry husbandry department, and "Inside Dope on the Players," telling of the work of the University Players, written by Bill Lawrence.
