

CAMPUSOCIETY

AND SO WE COME BACK TO THAT inevitable subject of sneak nights again but this one was too good to keep. It seems that some thirty-three Delta Gamma pledges were out and around Lincoln nearly all Wednesday night. They made reservations at the Cornhusker for dinner under an assumed name—that of Camp Fire Girls—and everyone thought they were. Even their ice cream had C. F. G. across the top of it. When the actives came after them the man at the desk said that there was only a Camp Fire banquet there and wouldn't let them in. And just the next noon we saw some active calmly eating lunch with one of the truants just as if nothing had ever happened.

MANY HOUSE PARTIES will enliven the social whirl on the campus this weekend. There will be two Friday night and six Saturday. Farm House will entertain at the chapter house Friday evening at 9 o'clock. Mrs. Francis Pelton and Mr. and Mrs. C. W. Smith will chaperone. Howard White, the social chairman, is in charge of the arrangements.

ANOTHER HOUSE party the same evening will be that given by Alpha Xi Delta at the chapter house at 9 o'clock. The chaperons will be Mrs. Ella Marshall, Dr. Elizabeth Williamson, and Lulu L. Runge. Constance Clinchard is the social chairman of this sorority.

CHI PHI is planning to hold a house party Saturday evening at the chapter house. Dr. and Mrs. R. S. Pool and Mrs. Melsana Daniels have been invited as chaperones. The social chairman, Alfred Clark, is making the plans for the affair.

A HOUSE PARTY for Saturday evening is being planned by the Kappa Sig. Those who will chaperone are H. M. Doole and Mrs. Palma Smith. Arrangements are being made by Laverne Ludeke.

ALPHA DELTA THETA will entertain at a house party Saturday evening. Lila Pierce is chairman of the affair and Dolores White is in charge of decorations. Chaperones will be R. W. Reinuth and Mrs. Ewena Holyoke.

ANOTHER party which makes Saturday look brighter is the one being planned by Chi Omega. This affair will be chaperoned by Mr. and Mrs. H. Decker, Mr. and Mrs. J. Arthur Danielson, and the house mother, Mrs. Martha Woods Halley. Alice Livingston has been in charge of the plans for the affair.

PI KAPPA ALPHA will be host at a party Saturday evening at the chapter house. Mr. and Mrs. Al Loder, Mr. M. S. Peterson, and Margaret H. Davis will chaperone. Arrangements for the affair have been made by Richard Decker.

PHI TAU THETA and Kappa Phi, Methodist young people's groups, will hold a joint picnic at the Wesley Foundation Saturday at 5 in the afternoon.

SATURDAY the Block and Bridge, which is the local chapter

DUCATS FOR DAD'S DAY LUNCHEON ON SALE MONDAY

(Continued from Page 1.) Luncheon the students and their parents will go in a group to Memorial stadium where they will witness the annual battle between the Husker and Iowa State grid-ders. It is planned to run the luncheon off on a definite time schedule so that everyone may get to the football game on time. Winding up the day's activities, will be the Dad's day party in the coliseum which is under the direction of the Barb council. It was emphasized by Burton Marvin, chairman of the Innocents committee on arrangements for the day that mothers as well as fathers are welcome at the festivities. "Not only dads are welcome

BRACKET ANNOUNCES ENGINEERS MEETING

Plans Underway for Conclave At Manhattan, Kansas November 2-3.

Plans are now under way for the annual meeting of the Society for the Promotion of Engineering Education, at Manhattan, Kas. Nov. 2 and 3, according to E. E. Brackett, of the Nebraska Agricultural college engineering department, president of the organization. Prof. Bingham, Nebraska engineering school, chairman of the program committee, promises an educational as well as an entertaining schedule for all who attend, altho a definite program has not as yet been completed. It is expected that quite a number of local professors will attend the meeting.

This society consists of three schools, the two Kansas Engineering colleges and the university. Meetings are held in rotation, each school entertaining every three years.

PUBLICATIONS WARRIORS TO GATHER ON GRID-IRON FRIDAY AFTERNOON TO PLUNGE INTO ANNUAL CLASSIC FOOTBALL BATTLE

(Continued from Page 1.) positions, with Wilbur Erickson and Lloyd Hendricks tackle outside them. As a last minute substitution due to the precipitate departure of managing editor, Jack Fischer, Lewis Cass will assume the duties of left end. George Holyoke is the right end.

"The game is a pushover" in the opinion of Eugene Pester, left half for the Cornhusker team. Pester asserted his belief following the practice of the Cornhusker "steam-roller" Wednesday afternoon. As to the facts of the situation the Daily Nebraskan editorial staff was unable to discover the game was not scouted and the yearbook chiefs will not talk.

Expect 60-0 Victory. Sancha Kilbourn, trainer for the "Typeless" expressed her conviction, "All the members of the team are in the pink of condition, so I have heard." Coach Selleck was confident the Nebraska team would win by at least a 60-0 score. Coach Arnold reiterated her former statement that "The brilliant backfield of the Cornhuskers are ready to spring a bewildering bag of tricks." Trainer Hugh Rathburn was unavailable for quotation.

Unable to Decide on Referee. No person has as yet been found who was willing to serve as the referee and was also satisfactory to both contenders. Various staff members of the Agway have volunteered their services but they were in all cases deemed either partial or otherwise unsatisfactory by one of the other publications staffs. Coach Bible found himself unable to officiate because of a pressing engagement at Norman, Okla.

This year's game will renew a rivalry which recalls the days of two years ago when Managing Editor Phillip Brownell of the Daily Nebraskan stalked into the sanctuaries of the Cornhusker and threw down a challenge to do battle. In that momentous conflict the Cornhuskers won whether by hook or crook is unknown. Last year the gauntlet lay but it was again picked up this fall to lead the stewards of activities cellars into the gridiron fray.

INNOCENTS SONG CONTEST BRINGS READY RESPONSE

(Continued from Page 1.) ries with all the pioneer qualities. I wish the Innocents the best of luck.

When asked if he thought the idea a good one, George Holyoke, secretary of the Innocents, reluctantly replied "You bet it is. It's something that should have been done a long time ago. Of course I think it will encourage school spirit, and I've heard a lot of good songs already."

Maynard Miller, business manager of the Cornhusker, said, "One of the best means of advertising Nebraska and its football team as well as identifying the school is to have a good fight song. I'd like to see a lot of good songs submitted."

"I think it's an excellent idea," Frank Crabb, editor of the yearbook, declared, "but I imagine the best songs will probably come from professional musicians outside the school rather than from the student body."

"IDES OF MARCH"

CLEOPATRA This is how Cecil B. DeMille pictures the fateful "Ides of March" and the assassination of Caesar in his new film spectacle, "Cleopatra," which is showing at the Stuart theater. Warren William, who plays the emperor's role, is shown struggling with Edwin Maxwell as Casca, while Ian Maclaren, Cassius, and Arthur Hohl, as the traitorous Brutus, look on.—Adv.

RIFLE CLUB SEEKS 20 ADDITIONAL MEMBERS

McGimsey Announces Final Drive to Be Staged Rest of Week.

A final drive to secure at least 20 additional members for the university rifle club before next Wednesday will be staged during the remainder of the week, according to Sgt. C. F. McGimsey, in charge of the university rifle range in the basement of Andrews hall.

"At least 20 more new members must be secured before that time," said Sgt. McGimsey Thursday afternoon, "so that work on preparation for the annual rifle club competition can begin in earnest. Those who do not join at once will have but little time to prepare for the annual firing."

The competition will be held the week of Nov. 19, according to Sgt. McGimsey and all rifle club members will be required to record their scores during that period. All competition will be on an individual basis, according to the plans announced for the event, and medals will be awarded to the individual winners.

GOPHERS TAKE ON PANTHERS SATURDAY

Thirty-six Gopher players embarked Thursday for their battle with the Pittsburgh Panthers. Minnesota's powerful squad started east after a short practice on the Bierman home field, the last drill before the encounter with the Sutherland outfit. Strenuous speed and smoothness, Bierman and his aids devoted the final session to polishing up the defensive departments. Offensively, the Gopher squad appears entirely satisfactory to the Minnesota coaching staff.

TEETER DELEGATE TO MILITARY CONCLAVE

Brice Teeter was named Nebraska delegate to the national convention of Scabbard and Blade, honorary advanced military society, scheduled in Cincinnati, O., Nov. 16, 17 and 18, at a meeting of the organization Thursday afternoon. Harmon Rider was elected by the group as vice president to fill the vacancy left by Jim Mickey. It was also announced that plans are under way for fall pledging and initiation.

AG COLUMN.

Each Year a "Danforth Fellowship" is given to one junior in every worthy Ag college in the United States and Canada. This fellowship includes two weeks at the Kalston Furnia mills and experimental farm and two weeks at Camp Minnewanica near Shelby, Mich. Roland Nelson of Mead, Neb. captured the honors last year and for the benefit of the juniors who will have the same chance this next summer, he has consented to recount his experiences of last summer.

"Can you imagine a group of 35 men, all strangers to each other, men hailing from Florida to Washington and from Louisiana to Canada, meeting and shaking hands in the lobby of the Y. M. C. A. in St. Louis? Thus with no formality were we introduced to each other this summer. The first four days were spent about the Company's experimental farm, a tract of 350 acres of rolling land on the foothills of the Ozarks, where all feed formulas developed in the laboratories are tested on all types of farm animals.

For a week we then sat in the cool breeze of an electric fan while being exposed to some of the problems of "big business" such as advertising, salesmanship, grain buying, forecasting markets etc. This being a line with which Ag students seldom have opportunity to become acquainted, proved to be very interesting as well as educational.

Then after two days at the Worlds Fair we met the following Monday morning on the shores of Lake Michigan in Camp Minnewanica for two weeks training in leadership and development of the four fold way of living. That is a balancing of the Social, Physical, Mental and Religious sides of life. Besides plenty of games, swimming, boating and eating, we attended five classes a day, taught by outstanding men of the day such as R. A. Waite assistant di-

There has been fine attendance at these Monday morning meetings and we hope to see more there this time.

Elmer Heyne Named Head Ag 'Play Nite'

Elmer Heyne of Wisner was named manager of Col-Agri-Fun, an annual Ag college "play nite" scheduled tentatively for Jan. 18. Other officers will be Katherine Agnew, secretary; and Donald Joy, treasurer. Manager Heyne is advising the various Ag organizations to begin preparing their skits which must be original and presented without outside help. Cash prizes will be awarded for the three best plays.

INTRAMURAL GAMES CANCELLED THURSDAY

Rain Makes Postponement Of Touch Football Necessary.

Rain was the victor in the touch football games Thursday afternoon and the games were postponed until Friday, weather permitting. As the regular round robin series in each league approaches its finish, which will occur early next week the league scrambles are still very close. In League I the Delta and the Pi K. A. are tied for the lead with Acadia one-half game behind. League II is topped by the Chi Phi and the Sig Alphas but undefeated, the former two and the latter one and a half games a head of their nearest competitors. The Sigma Nus are the class of league III with the A. T. Os close upon their heels. Undefeated in League IV are the Sig Eps while the A. G. Rs. are their nearest competitors.
